THE WORKERS REJECT THE PROPOSALS OF THE OPERATORS

Vote Was Unanimous by Members of Two New York Locals of the Marine Engineers' Beneficial Association—Involved an Acceptance by the Men of a Reduction in Wages and the Granting to Them of Concessions as to Overtime Work—Ship Owners Had Previously Declared They Would Not Sign Any Further Agreement With Sea-Going Unions.

New York, May 22.—Proposals of federal mediators looking to a settlement of the nationwide marine strike, which has been in effect since May 1, were unanimously rejected at a meeting here today by the members of two New York locals of the Marine Engineers' Beneficial Association.

The meeting was called to hear a report of a committee which has been in conference with Secretary of Labor Davis at Washington, and as a result of which it was reported, a possible basis of settlement was reached. The proposals were reported to involve acceptance by the men of a reduction in wages and the granting to them of concessions as to overtime work.

Thomas H. Healy and Earl L. Todd, representatives of the union, declared no terms were taken. The union added that it was necessary as the discussion which followed the presenting of the proposals showed the men were unanimous in their refusal to stand by their original proposition.

A. F. OF L. TO CONDUCT AN ORGANIZING CAMPAIGN

Washington, May 22.—The American Federation of Labor is about to launch an intensive organizing campaign. President Samuel Gompers announced tonight in a statement which said that "the message of trade unionism will be carried to every corner of the land to the limit of our power."

The encouragement and protection will be offered in the workers' campaign. Immediately following the Denver convention next month it is the purpose to visit a number of cities to encourage the unorganized to join our movement.
