

Failure to pay the body for the work it does, largely accounts for Weakness Impoverished Blood Shaky Nerves and Run-down Vitality

The vitality of the body—like a watch—runs down every day. And just as a watch must be wound up every day, so the vitality of the body must be renewed. Otherwise we get weak, anemic, nervous and run-down.

# WINGARNIS

restores to the body materials which have been used up in your expenditure of vital energy. Thus Wingarnis enables you to pay your body for the work it does by providing the very mineral elements—Iron, Calcium, Potassium, Sodium and Phosphorus—which the body needs to enable it to create vital power—to make the blood rich and red—to strengthen the nerves—and to promote vigor and vitality. Try Wingarnis for yourself.

### NORWICH BULLETIN

WILLIMANTIC OFFICE Telephone 105 23 Church St.

Alfred W. Rood of Windham Center was found guilty of non-support of his wife and minor child Thursday noon, by the jury in the superior court, and was sentenced to six months in jail, unless he could furnish a bond of \$150 to provide for his wife and child \$1 a week for one year and also pay his wife's hospital bills. Rood stated that he could not furnish the money and would go to jail. He was taken there later in the day to begin his term.

The morning session opened at 10 o'clock with Judge L. P. Waldo Marvin on the bench. Arguments for the state were made by Attorney P. J. Danahey and State Attorney Charles E. Scaris. For the defense Attorney Charles L. Torrey argued. The jury after being charged by Judge Marvin was out about 25 minutes before announcing their decision.

The afternoon session came in at 2 o'clock to try the suit of Ovidia Martin vs. Max Wolinsky, of Franklin. Members of the jury are J. Debraine Conant and Charles D. Fildhard of Windham; P. J. Danahey and Putnam; James Lewis, Chaplin; Charles O. Flitts, Hampton; Joseph N. Lavalle and William T. Bailey, Killington; A. L. Rhode, Ferris; Chester B. Green, Ira E. Munyon and Eddy G. Arnold, Thompson and H. T. Wells, Woodstock. Harlow P. Scott of Ashford, Roy Latham of Eastford and Oscar Johnson of Woodstock were challenged by the plaintiff and excused.

The complaint alleges that a collision occurred on the night of July 26, 1920, near the top of Franklin Hill, between the public service car owned and operated by the plaintiff and a horse belonging to the defendant, that was allowed to run in the public highway without halter or harness, or being attached to a vehicle of any sort. Mr. Martin was on his way to this city at about 9:30 o'clock in the evening after taking a local party to Norwich Town. The plaintiff claims that as the result of his car being in the repair shop it cost him in the neighborhood of \$100 and \$200 additional for repairs. Damages of \$1,000 are asked.

A counter-claim is made by the defendant of \$50 for the death of the horse, defendant states that Martin was driving at a reckless rate of speed and on the left side of the road. The defendant claims that the horse came out of a cross road into the main highway and that no warning signal was given. It is also stated that at the time of the accident the animal was in charge of an agent of defendant.

Ovidia Martin testified that his car was a Buick 6, 1916 model, and that April 1919 the car was bought for \$1000. He had driven previous to this accident, for another man and received \$30 per week. In April 1920, he went into business for himself, with the car. It cost him 12 cents a mile to operate the car. He usually operated between Willimantic and Hartford, but on the evening of July 26, 1920, he was hired to take a party to Norwich Town and return. When he came upon the top of Franklin Hill he was making 25 miles an hour. He saw the animal rear up on its hind legs and then the crash came. The car was stopped in about the middle of the road and he drove off to the right, the animal sliding off the left side of his car. The radiator, windshield, top, and hood of his car were broken and damaged and the car was sent to a repair shop. A new radiator was installed. On cross-examination he testified that he

Funeral services for Emanuel Gardner were held Thursday afternoon at 2 o'clock from the funeral parlors of the J. C. Lincoln Company, on Church street. Rev. John Pearce, pastor of the Methodist church, officiated. Charles B. Jordan sang Beautiful Isle of Somewhere. Burial was in Willimantic cemetery. The bearers were W. H. Woodworth, John S. Champlin, William Smith, and William R. Clark.

The funeral of Mrs. Tessie Matson was held Thursday morning at 9:15 o'clock from her home in South Coventry. Requiem high mass at St. Mary's church at 10 o'clock was sung by Rev. James McGlinchey. The body was borne into the church Miss Annie Wellwood sang Sleep Thy Last Sleep. At the offertory, Ave Maria was sung by Miss Celeste Day, and for a waiting hymn Miss Wellwood sang Face to Face. Burial was in St. Mary's cemetery, South Coventry. The Killourey Brothers were in charge.

The weekly meeting of the Willimantic Rotary club was held at the usual hour Thursday. Two guests were present, C. A. Gager, a Norwich Rotarian, and Morris Pouzner of New London, a former member of the New London Rotary club. Following the usual opening song of America, dinner was enjoyed. President Frank H. Foss called upon Charles W. Hill for a five-minute talk on the subject, Is Jazz Music Beneficial to the Community? Charlie's talk was fine and the Rotarians learned lots about jazz and how it affected both young and old. To prove that anyone who could sit and hear jazz music without moving his feet would be a proper subject for an old person's home, the speaker called on George E. Hill, pianist, Harry Lester, banjo-mandolinist, and Harry Lester, saxophonist, to give the boys a sample of real jazz music. The following songs were played, Ain't We Got Fun? Marjorie Mandy. No Rotarian present was sent to the home for old people. A sample badge for Rotarians was shown and it was voted to send for the badge for local club members. The resolution of Mr. Pouzner that Rotarians and their wives or sweethearts, be guests of the Gem theatre Tuesday evening of next week was accepted with thanks. A portion of seats will be reserved for the Rotarians and their guests. It was voted to change the meeting day to Tuesday at 7:30 p. m. The next meeting of the club will be held on the evening of June 24 with Jim Bath. Following a general discussion and a few songs the meeting adjourned.

Billed to the play given Thursday night at St. Mary's hall, Valley street, by the junior class of the Connecticut Agricultural college for the benefit of James J. Shea post, No. 19, American Legion, was the play, which got its title from the billings of two British army officers in the home of Betty Taradine in Peteworthy, a woman who had been deserted by her husband, was full of startling situations, all of which turned out most satisfactorily at the end. Miss Betty (played by Viola Farrell) did not know who the officers were and gossips started that having the two men at her home was not proper and to stop the gossip she spread the news that her husband was dead. It happened that one of the officers billeted at her home was Captain Rymill, her husband, and the situation brought on the comedy. It ended with husband and wife again falling in love. The play was cleverly presented and won compliments for the players and their coach, Michael J. Farrell. The play was managed by Franklin W. Hawley, assisted by Ralph S. Wooster. The American Legion play committee was W. A. Hussey, Albert J. Piche, M. J. Farrell and Dr. W. P. S. Keates. The cast included the following:

Rose, Gladys Goldthorpe  
Emmaline Liptrott, Mildred Gay  
Rev. Ambrose Liptrott, Arthur W. Frostholm  
Penelope Moon, Louise Ransom  
Betty Taradine, Viola Ericson  
Colonel Preedy, Franklin W. Hawley  
Mr. McVey, Theodore E. Deane  
Captain Rymill, Philip F. Dean  
Mrs. Brace, cook, Mary Begley

Act 1—The morning room at the Manor house; an error on August 1915.  
Act 2—The next morning.  
Act 3—A week later.

South Manchester—An automobile fire engine of large capacity, just received by Hone & Laddor Company No. 1, was officially tested this week.

MAIN AND CHURCH STREETS  
Willimantic's Livest Men's Shop

had just passed another car, but had come back to the right side of the road. There was no one with the animal at the time of the accident.

Mrs. Mollie Hemphill of this city a passenger in the car at the time of the accident, testified to hiring the car for the evening to take herself and two companions to Norwich. She saw a shadow come up on the car and then a crash came. The horse had no harness or collar and it was about five minutes before any person appeared. One of her companions, Miss Winifred Small, was rendered unconscious by the accident and it was 2 o'clock the following morning before she came to. The automobile was going at a moderate rate of speed. Witness' eyes were cut by glass; a doctor removed the pieces of glass from her eyes. She saw no road leading off from the highway. The horse was lying in the middle of the road, dead, when she saw it after the accident.

Mrs. Harriet Small was called. Questioned by the attorney for the plaintiff she told of seeing the animal rear up on its hind legs about 15 or 20 miles an hour. She saw her daughter pitch forward and caught her daughter's head as she fell back. She told Mr. Martin her daughter was injured and they carried her from the car and laid her upon a blanket. The horse was dead when she saw it. She would be ashamed to be seen in the street in a dress that would plain to see through its skin. She saw no lantern until about five minutes after the accident. Cross-examined by the defense, she said that the automobile was going about 15 or 20 miles an hour. It lost speed as it went up the hill. She sent someone after water, but did not know who it was.

Winifred Small, her daughter, was called and testified to hearing the crash and then not remembering anything more. She said the automobile was going about 15 or 20 miles an hour. Cross examined by the defense, she stated that she knew nothing about the speed of automobiles but her estimate of the speed was by guess.

Court adjourned at 4:43 o'clock until this (Friday) morning at 10 o'clock when Judge Marvin will call the docket and a short calendar session will be held. The jury was called for Tuesday of next week at 10 a. m.

Through his attorney, P. J. Danahey, Adam Postemsky brought a suit against William Price of Coventry, for \$300. Damages of \$350 are asked. The claim is for milk sold by plaintiff to the defendant. Constable Killourey attached an automobile owned by Price Thursday afternoon for \$500. The case is returnable before the June term of the superior court.

Robert Fitzgerald, picked up by the police Wednesday night, was sent to Brooklyn jail Thursday to serve his four months' sentence. Early in the week he was given a four months' sentence for being found guilty of vagrancy. He was told to get out of town while judgment was suspended. He failed to do so for another four months and now he's left the city for four months.

Peter Olstook, of Card street, demolished the silent policeman at the junction of Main and Church streets, Thursday afternoon about 1 o'clock. He settled at the police station for \$10.50. He said he hit the signal to avoid striking another automobile.

Fire at the city yard Wednesday caused damage estimated at \$55 when the flames from burning tar spread over the roof of one of the small buildings.

Orders issued from the adjutant general's office in Hartford Wednesday afternoon about 1 o'clock. He settled at the rifle company, Willimantic and Manchester to Company G. The company is a part of the Second Battalion with headquarters in Hartford.

H. C. Isham, of Columbia, reported to Chief of Police Killourey Thursday morning that he figured in an accident on Main street earlier in the day. The automobile which he was driving, in turning to pass a team going in the same direction struck the rear of the team. The team was not damaged but his car had a broken headlight.

The American band attracted a crowd Thursday night when the members gave a concert on Main street at 7:30 o'clock previous to the opening of the play, Billed, given at St. Mary's hall, Valley street, by the junior class of the Connecticut Agricultural College, under the auspices of James J. Shea Post, No. 19, American Legion.

The civil suit brought by Edward A. Grady against Arthur Rascoe was settled Wednesday by the parties involved, following a meeting at a local attorney's office.

Edw. M. Chapman, of No. 216 Valley street, finished recently a quantity of the drums ordered by Lieut. Caldwell Colt Robinson Post, No. 254, Veterans of Foreign Wars, of Hartford. One of the drums, a bass drum, is perhaps the widest drum of its kind in use. It measures 48x18 inches. Thursday a picture of the drum was taken. A victrola Gagnon standing beside it. Pete's hat came level with the top of the drum. The drum can be taken to pieces so that it can be taken into buildings, but when in a parade four men will be required to carry it. Ten of the drums for the post were sent to Hartford Thursday afternoon.

Windham High goes out to Recreation Park today (Friday) to meet their old rivals, Bulkley High. The New London boys recently handed Stonington an awful trimming and are coming here to hand out the same dose to the local boys. Perhaps! But wait and see! Coach Domobus has had his boys out practicing and they have come far out of the rut they were in in the Putnam
