Backus Hospital Beneficiary Under Will

The William W. Backus hospital is made residuary legatee under the will of Dr. Lester Bates, a life long resident of Preston, who died last week. What the estate amounts to is not what Mr. Bates was reputed to be worth about \$20,000. Bequests of \$5,000 were made in the will and the Backus hospital is left the balance of the estate.
By the terms of his will Mr. Bates left \$500 to the town of Preston for the maintenance of the public fountain which he presented the town some time ago. He leaves \$5,000 to the Preston City Cemetery association to use the income from this fund for giving special care to his cemetery lot and the lots of Nicholas P. Bates, Isaac P. Simms and James G. Walker. Any part of the income that is not needed to be used in this way is to be used for the general care of the cemetery. He leaves \$50 to his sister, Mrs. Harriet E. Lincoln, and \$50 to his nephew, Angelo De F. Lincoln of this city.
The will was signed June 17, 1919 and appointed Judge Lucius Brown executor, or if he will not act, Senator Allyn L. Brown.

Rotary Club Luncheon
SHOWS ASPHALT PICTURES
Asphalt, how it is mined, refined and some of its practical uses was shown at the monthly luncheon of the Norwich Rotary club on Wednesday by a series of educational motion pictures which were procured through the courtesy of Willis Austin, who had charge of the meeting.
The first reel of pictures showed the mining of the asphalt at Lake Trinidad, Venezuela, its transportation to the seaports from whence it goes to the refineries in this country. The films also showed how it is used with cement and fine sand for street paving, making one of the most practical street surfacings known. The second film showed how it was coated with asphalt and silt to make fire-proof waterproof and durable roofing material. The picture also showed the making of Genesco shingles and the laying of them on the roofs.
The last reel of pictures was taken in the Genesco plant and showed every operation from the raw material to the consumer.
There were about fifty present, including several guests from out of town and several from the Norwich community. Dr. Campbell made the business session of the meeting. Clinton E. Lane acted as song leader. The favors for the luncheon were useful wooden articles prepared and distributed by Mr. Austin.
Dr. Campbell made a report on the pleasant evening spent last week at the home of the New Britain Rotary club. The members of the local club attended the Ladies' night at New Britain.
A quartette, E. Howard Baker, Joseph C. Worth, Dr. John S. Blackman and Alfred P. Ely, sang a selection apropos to hot and dusty weather which was heartily appreciated. Another selection by the "Seaview" quartette was given but contrary to appearance lacked vocal ability although the music was superb. Henry J. La Fontaine was heard in two well rendered solos.
The meeting closed with the singing of the Star Spangled Banner.

J. HAROLD ELY WEDS HOLYOKE YOUNG WOMAN

Sycamore, performed the ceremony, the wedding being a simple affair.

Informal, no invitations having been issued, but a large number of friends of the bride couple were present at the ceremony.
Mr. Ely came to the Norwich Y. M. C. A. in 1911 and served for several years. It was with regret that the directors of the Y. M. C. A. resigned when Mr. Ely was subsequently in the employ of James L. Case, the real estate and insurance agent, and was sent to Holyoke, where he has been employed.

A remarkable memorial service was held in Franklin on Memorial Day in which a beautiful tablet to the 24 World War veterans of the town was unveiled at 11 o'clock in the forenoon and the regular Memorial Day services which the people of Franklin, in connection with the schools of the town, have held for the past 13 years, took place in the afternoon. A beautiful luncheon was served by the women of Franklin at the noon intermission.
Judge John H. Barnes of Norwich delivered the address at the dedication of the tablet, which is a fitting tribute to the great personal sacrifices which our soldiers have made in the great World War, not for mere gain, but for the sake of the peace of the world. His address was a beautiful and helpful one to bring about the peace of the world. He was introduced by H. A. Gager.
The committee on the dedication of the tablet, together with 13 of the World War veterans and the school children of the town under the leadership of Lieutenant Ralph A. Armstrong, marched and took their position around the tablet, the veterans and committee in front and the schools forming a semicircle at the rear. During the morning in which the tablet the Star Spangled Banner was sung. Four little girls, Anita Armstrong, Mary Yuschak, Doris Newman, Althea Davis, assisted in the unveiling.
