EAGLES. Norwich aerle, No. 367, heard reports from the 15th annual state convention at Meriden given at its regular meeting Monday evening in Eagles hall with the

president, John De Brunner, in the chair. George Gosport, who was the delegate, made the report and Martin Keough spoke of interesting incidents and items of business at the convention. The delegates reported that Norwich alone made the best showing of any aerle in the state.

As the next meeting would come on the night of the Fourth, it was decided to put it forward one night and hold it on Tuesday evening.

The aerle is making plans for a big membership drive, five applications were presented and several candidates initiated.

Resolutions on governmental aid age pensioning of workers and the formation of a women's auxiliary to the Order of Eagles were the most important matters acted upon by the state convention at Meriden.

State Secretary John A. McLoughlin, of West Haven, in his annual report stated that there are twenty-two aerles in Connecticut with a total membership of about 11,000, which showed a gain of 1,272 new members in the state order.

He reported that during the year the Eagles had paid out \$25,177.26 in sick benefits, \$6,750 in death benefits and \$15,294.32 in physicians' fees for caring for members. The net assets of the state order he reported as \$147,838.42.

He reported that at the close of last year there was a balance of \$330,83 in the state treasury, and that during the year \$222.82 was paid in from per capita tax of the aerles, making the total \$1,105.65, from which was deducted the yearly expenses of \$481.10, leaving a balance of \$624.55 in the treasury at the close of this year or a gain of \$240.72 over the balance of last year.

DEMPSEY OBSERVED BIRTHDAY BY TAKING COMPLETE REST. Atlantic City, N. J., June 24—With the passing of his twenty-sixth birthday Jack Dempsey will resume training tomorrow to put the finishing touches on his condition for the defense of his title against Georges Carpentier a week from today. The champion has reached the peak of his training in a highly satisfactory manner and will put on the gloves only four times more before crawling into the ring to face the European title-holder.

Dempsey celebrated his birthday by taking a complete rest as far as routine training is concerned. He slept later than usual, abandoned his road work and loafed around his camp until late in the afternoon, reading five hundred or more telegrams extending birthday greetings and wishing him good luck.

Carpentier and his manager Francois Descamps were among the first to remember the champion on his birthday.

"Many happy returns of the day," was Carpentier's message. Descamps sent a similar greeting. From his mother in Salt Lake City Dempsey received a message to which he has looked forward to all day. She wished him good luck with all of a mother's affection.

Dempsey jumped on the scales this morning and it was announced that the scales registered 192 pounds. He hopes to weigh around the 190 pound mark when he steps for action and the prob-

ably will not have any difficulty in reducing to this figure as the weather has turned blistering hot, which will enable him to perspire freely in his workouts.

The champion will gradually taper off in his work with the resumption of training tomorrow. He will work with the gloves Saturday and Sunday. A rest Monday will be followed by the final days of boxing Tuesday and Wednesday.

Dempsey was entertained tonight by newspaper correspondents, vaudeville actors and a jazz band. The party was in the nature of a surprise in honor of his birthday. The visitors serenaded at the camp until 2.30 o'clock when the champion drove them out and went to bed.

Manhasset, N. Y., June 24—Driven to rest by the sweltering heat, Georges Carpentier indulged only in a light road session this morning and permitted himself to be entertained in the afternoon.

Trainer Wilson took Georges to the woods immediately after he had finished breakfast and kept him hustling for more than two hours. They returned to the camp at ten-thirty o'clock. Carpentier was perspiring and whistling as he hurdled the last fence on his way home.

The heat became so intense at noon that Trainer Wilson declared an afternoon of idleness. Then the telephone rang, and Willie Lewis, one of the most ardent admirers of Carpentier, said that he was coming out with a bunch of entertainers.

The party arrived shortly after two o'clock. There was a jazz band, some dancers and a number of singers. They danced and were going at full speed fifteen minutes after their arrival. The champion found seats under trees on the lawn. Only members of the camp were in attendance when the entertainment began but within an hour almost a hundred of the challengers' friends had gathered there. The performance continued for more than two hours. Carpentier applauded every number and when it was over he said:

"This has been a real entertainment for me and I enjoyed it much more than I can tell you."

The visitors were sent away at five o'clock and Carpentier asked Trainer Wilson to go to the post office for his mail. The trainer returned with both arms full and after dinner Georges occupied himself with the letters until it was time to retire.

For an hour in the gymnasium this afternoon, the new sparring partners Dave Rose, Dave Rosenbery and Chris Arnold, worked hard in preparation for another workout with Georges tomorrow afternoon.

To decide the championship the two players will compete tomorrow at 10 holes medal play.
