

WESTERLY

Thursday, the last day for the registration of the voters of Westerly, was a busy one at the town clerk's office, and although it is impossible to give the exact figures it is estimated that the total registration will be about 1,200, or about one-half what it was last year. It is also noted that whereas the women led last year, the men are in the lead this year, and at noon Thursday 355 women and 148 men had registered.

Michael J. McCarthy, Jr., son of Mr. and Mrs. Michael J. McCarthy of the White Rock road, and Miss Helen Louise Murray, daughter of Mr. and Mrs. Daniel Murray of John street, were united in marriage Thursday morning at the church of the Immaculate Conception by Rev. Thomas J. Larkin, S. M. A sister of the bride, Miss Mary Murray, was bridesmaid, and William J. Quinnan was best man. During the mass Miss Helen Stafford sang Oh Promise Me. Following the ceremony, a wedding breakfast was served at the home of the bride's parents on John street, and the couple left Thursday morning on a honeymoon trip to Niagara Falls.

Mrs. Anna Louise Hebb, wife of John Hebb of the Fort road, Watch Hill, died suddenly Wednesday afternoon at the residence. Mrs. Hebb was on Bay street when she began to feel faint, and went into the Columbia hotel to rest. She died within a few minutes. Mrs. Hebb was 45 years of age and had been a resident of the Hill for the past 15 years. Besides her husband, she is survived by three daughters, Florence, Beatrice and Eva.

Thomas King of New York city and Miss Mary Theresa McDonn of Potter Hill were united in marriage Thursday morning at the Church of the Immacu-

late Conception by Rev. Peter McConar, S. M. The bride was attended by Miss Rose Richer of Pawtucket and Joseph Murray of Potter Hill was best man. Miss McDonn is a former teacher in the Westerly schools and for the past few years has been engaged in the same work in Mt. Vernon, N. Y. Following the church ceremony, the bridal party motored to the Pleasant View house, where the wedding breakfast was served. They plan to make their future home in Mt. Vernon.

Herbert Seymour Stanton and Miss Theresia Viola Champlin, both of Westerly, were united in marriage Wednesday evening by Rev. S. M. Cathcart at 63 Granite street. The bride was attended by Miss Emeline G. Stanton, a sister of the groom, and Ernest G. Champlin, brother of the bride, was best man. Following a short wedding trip, the couple will make their home in Westerly.

The ministers of the Westerly K. of C. were enthusiastically received at Bradford Thursday evening and a good sum of money was raised for the Catholic church in that village. The soloists were forced to respond to a number of enclosures, and the antics of the end men were well applauded. The specialties in the olio proved to be the hit of the show, including the dancing of the Misses Ruth Brown and Mary Driscoll, and a juggling act by Ed. Rhoades. Following the show, dancing was enjoyed until midnight.

About 25 delegates from Westerly are planning to attend the Sixth World's Christiana Endeavor convention that will open in New York city on July 6. A letter from Miss Phoebe Perry of Westerly, who is at present doing nursing service in the government maternity hospital in Chalons, France, states that the effects of the past World War are still felt in that country and that the outlook as a whole is far from promising. Building up the ruins in various cities is at a standstill because of the high price of materials, and the taxes are unusually heavy.

Arrangements are already being made to receive the fresh air children from New York, who will arrive in Westerly on July 25. Last summer about 150 of the children were entertained here for two weeks or more, and it is expected that even more will come this year. All residents of Westerly and vicinity who desire to entertain the children this summer, should notify the committee in charge at once. The children are between the ages of 8 and 12.

IT WAS EXACTLY WHAT HE NEEDED

"This Taniac Certainly Does The Work," Declares Rockville Citizen.

"Taniac seemed to be just the medicine I needed, for I began to feel stronger and better from the very first day I started taking it." Said William Szebecki, 12 River St., Rockville, Conn., well known employee of the Regan Manufacturing Company.

"Several months ago my health broke down, my stomach got out of order, and all my strength seemed to leave me. I had no appetite, and everything I ate hurt me. At times I couldn't keep down a thing I ate, and I was constantly suffering from gas, bloating and pains through my stomach and chest. I got to where I couldn't sleep well, and always had to be taking something for constipation. At last, when I got home from work I felt so tired I just wanted to drop right down and rest.

"Well, it seems that I tried nearly everything before I got Taniac, and it's the first and only thing that ever helped me. But it has done such fine work for me that I can now work all day and then come home feeling as fine as I did in the morning. My appetite is good, and no matter what I eat, how much, or at what time, everything digests perfectly, and I've picked up several pounds in weight. I've not been troubled with constipation since I started taking Taniac and the laxative tablets. I can't keep down a log. I used to have dull headaches very often, but Taniac has relieved that along with all my other troubles, and I feel fine in every way. Taniac certainly does the work."

There are thousands of people who complain of being nervous and run-down. They are not sick exactly, but feel tired and good-for-nothing most of the time. They need something to build them up and throw off the symptoms of this weakened, debilitated condition.

The system which Taniac works on is weight. Taniac is toned up and invigorated, as the medicine, aside from assisting the bowels, acts on the constitution, overcoming as it seems to quickly do, nervousness, indigestion, non-assimilation of food, and all the ailments which are the result of half-sick, depressed men and women.

Taniac is sold in Norwich by National Drug Stores Corp.

TOMORROW

"Live up to the highest that's in you, Be true to the voice in your soul; Let love and your better self win you, And follow them on to the goal. Afar in the path of Endeavor The temples of Happiness gleam; They stand as a promise forever That living is more than a dream,

"I know not the kingdom-immortal; Yet feel in my innermost soul! That Death's not a wall, but a portal, Through which lies an infinite goal. I know not the glory supernal, Nor paths that the angels have trod; Yet something within is eternal And grows in the sunlight of God."
