Very fine shoes, here you will find all the season's newest styles, including White Buck, White Kid, Tan Vici, Black Vici and Calfskin.

Saddle strap, brogues and plain, all style heels. Shoes that have never been sold under \$5 during the last four years. Come early for the best picking. All displayed on bargain tables.

The largest individual purchase of underpriced shoes transacted in New England in the last four years. The entire lot distributed between our seven New England stores in seven different cities.

This big offering means the saving of thousands of dollars. The shoes are "perfect" of discontinued lines—"seconds" of very fine shoes and in most cases the hurt part on these high grade shoes cannot be found, and offers you some real big shoe bargains.
