

International Track Meet Declared Tie

traversed today. The international track meet between the Oxford-Cambridge teams of England and the Princeton-Cornell teams was officially declared a tie after a previous official decision declaring the Britons the winners had been reversed.

Each team scored five first places. The British team won the second place to the Americans, there being a tie for second place in the 100 yard dash, making the eleven second places in the ten events.

At a conference of officials and team captains following the meet it was decided that the tie was the winner in accordance with the rules that applied last week at the previous meet with the Yale-Harvard combination.

Later, however, another conference was held and it was brought out that when the American and British contestants were held back by rain it was agreed that the rules governing the Oxford-Princeton meet at the Queen's club, England, last year, should govern today's event. Under these rules second places did not count in the final score.

The conference at which it was agreed to call the meet a tie was an altogether friendly one. The English team had previously declared their willingness to abide by this decision, but they were at first overruled by the officials.

Following the meet, the two teams and the officials met for a dinner at the Hotel Brook club. America won the 16-pound shot put, high jump, 440 yard dash, 100 yard high hurdles, three mile run.

CALIFORNIA TENNIS STARS WON WAY INTO FINALS New York, July 28.—Mrs. May Sutton Bursy and Miss Mary K. Browne, California tennis stars, today won their way into the finals of the New York state championship. Mrs. Bundy eliminated Mrs. C. V. Hitchens, Mexican champion.

Miss Bursy and Miss Browne defeated Miss Helen Gillette of the Ardenby club, 3-6, 6-0, 6-3.

In her match with the Los Angeles veteran, Mrs. Hitchens, won only her opening service game, Mrs. Bundy being the consistent conqueror in all the rallies that followed. Sure stroking and steady placing marked Mrs. Bundy's play.

Phenomenal driving by Miss Gillette during a sensational covering of the court subdued Miss Browne in their initial set, but the San Francisco girl forced the play after that, varying her speed effectively and romped away with the match.

In the fourth round Mrs. Bundy paired with Mrs. Hitchens, defeated Mrs. Hirsch and Mrs. Willbourne, 6-4, 6-0.

All the world's a stage and the barber is today many parts.

Nix on the "Parley-Voo" stuff!

A FRIEND of mine WHO COULDN'T speak A WORD of French, WENT TO Paris, AND THE first time HE HAD to get A HAIRCUT and shave, HE PRACTICED an hour, MAKING SIGNS, IN THE looking glass, SO THE French barber, WOULD UNDERSTAND him, AND THEN he went in, AND WIGGLED his fingers THROUGH HIS hair, AND STROKED his chin, AND THE barber grinned, AND FINISHED the job, THEN MY friend thought HE'D BE polite, SO HE gave the barber AN AMERICAN cigarette, WHICH THE barber smoked, AND MY friend pointed, TO HIS mouth, AND SAID "Likes you?" AND THE barber roared, AND SAID "You BET, I USED to smoke 'em, WHEN I worked, IN INDIANAPOLIS, AND BELIEVE me, THEY SATISFY!"

HERE'S a smoke that talks in any language and needs no interpreter. Light up a Chesterfield, draw deep—and more plainly than words your smile will tell the world "They Satisfy." It's the blend that does it—and you can't get "Satisfy" anywhere except in Chesterfields, for that blend can't be copied!

WILLIAMS TO MEET SHIMIZU IN ALL COMERS' FINAL MATCH Boston, July 28.—R. Norris Williams, 24, of Boston, former national singles champion, will meet Zensho Shimidzu, a member of Japan's Davis cup team, tomorrow in the final match of the all comers' tournament for the Longwood challenge bowl. The winner will oppose William M. Johnston of San Francisco, former national singles champion, in the challenge round match Saturday afternoon.

Williams survived the semi-final round today through his straight set victory over Wallace J. Bates of the University of California, and Shimidzu defeated Wallace J. Johnston of Philadelphia in four sets.

Bates was unable to solve Williams' service and failed to break through in a single game, while the Boston player stood well inside the base line and stroked the weatherman's service with ease. The winner's greatest point scores were his deep placements to the far corners of his adversary's court and his service, of which he had nine in the three sets.

Johnston was not as steady as usual and Shimidzu took every advantage of his lapses, handling the Philadelphia's peculiar chop strokes exceptionally well. The Japanese covered his court in a remarkable manner and reel off frequent placements close with his top spin forehand drives. Shimidzu's service was well placed and his queer twist bothered Johnston.

William T. Tilden, 34, who is resting at Wolfboro, N. H., defaulted in the doubles as he has been ordered by the members of the Davis cup committee to take a complete rest from tennis for a few weeks.

Singles Semi-final round: R. N. Williams, 24, of Boston defeated Wallace L. Bates of the University of California, 7-5, 6-4, 6-2. Zensho Shimidzu, Japan, defeated Wallace J. Johnston of Philadelphia, 3-6, 6-0, 6-1, 7-5.

Second round: G. P. Gardner, Jr., and W. J. Cloutier won from Phil Neer and J. M. Davies by default.

Third round: D. M. Hill and D. M. Hill, Jr., won from W. T. Tilden, 24, and R. N. Williams, 24, by default; Ichihya Kumagai, and Zensho Shimidzu defeated D. P. Robinson and J. A. De Turrence, 6-2, 6-4; R. B. Edwell and W. E. Porter defeated G. P. Gardner, Jr., and W. Cloutier, 2-6, 4-3, 4-1.

RAIN AGAIN INTERFERES WITH GRAND CIRCUIT CUP Columbus, O., July 28.—Another shower today after seven heats had been raced brought a delightful speed carnival to an abrupt close just after the final heat of the 3 year old colt trot, in which the great Volo, a full brother of Peter Volo, 2:2, won his maiden race and trotted three miles close to 2:1.

In the feature race Single G. easily won the first two heats, posting the second one in 2:0 1-4. The final heat of this event went over to Friday.

The first two heats of the 2:05 trot, the Southern Hotel stakes, were completed and Great Britain, having gotten away badly at the wire, was laid up. The second heat Great Britain went to the front at the three-quarter pole, where Grey Worthy broke and had to relinquish to lead. Great Britain won this heat in 2:04 1-4 and became the favorite to win the race.

FINANCIAL AND COMMERCIAL

MARKET WAS WEAK. New York, July 28.—Recent weakness among numerous speculative industries, particularly in the steel and iron depressing feature of today's stock market. Further pronounced easement of call money rates, which fell to 3 1-2 per cent., played no part in the calculations of traders.

Gross declines of 3 to 12 points accompanied the steady offerings of Ruffalo Steel Spring, General Electric, National Lead and General Chemical. The latter sustained an initial decline of almost 5 points on overnight news that payment of the dividend had been deferred.

United Drug yesterday's spectacular rise, opened at a five point rally, which soon gave way to a gradual reversal of 7 points. The final quotation, however, showed a net gain of 3 points.

Finance Avenue common and preferred, Standard Oil, United Fruit, California Packing and half a score of kindred as well as unclassified stocks reacted 3 to 5 points.

Trade was the only fairly stable feature, notably Pacific and General U. S. Steel and independent issues of that group showed occasional support with high grade sales, but eased variety at the heavy close. Sales amounted to \$50,000 shares.

Advices from steel centers said lower prices had brought steel new business. The quarterly report of the Bethlehem Steel corporation was a large shrinkage of orders, compared with the first three months of the year.

Exchange on London was steady and the French mark suffered in response to the lower discounting announced by the bank of France and the German mark continued weak, with variable changes elsewhere.

Liberty bonds were appreciably higher, also local issues, and several of the foreign group, notably French municipal and United Kingdoms of 1917. Total sales (par value) aggregated \$12,829,000.
