FIND STILL IN HOUSE ON COVE STREET

A complete copper still for making whiskey, about 6 quarts of the manufactured article and two kegs of mash were found by the police Saturday night in a raid about 8:15 o'clock on the second floor of the house at 23 Cove street, Zincofski, who is 32, was later arrested and spent Saturday night and Sunday in a cell at police headquarters. He could not raise the \$200 bail called for.

Sergeant John H. Kane led a police party to the house, having officers Perry, P. Murphy, J. O'Neill and Detective M. Crandall. The tenement is the lower one of the two in the house and the police found the back door unlocked so that they were able to get in and search the place, although nobody was at home.

BOY SCOUTS PARADED AND HAD CORN ROAST

Although Friday night was threatening with a small shower, the parade of the Boy Scouts with the scout executive, P. A. Benton and aides and the scout band paraded up Franklin street, McKinley street and Broadway to the executive's home for a camp fire and corn roast. The fact that all of the boys, over fifty in number, assembling from Norwich, Taftville, Thamesville and other surrounding points on the 5 o'clock trolley, did not allow the rain to dampen their spirits, or stop them from demonstrating that a scout is loyal and to be relied on, was a credit to the organization. The chamber of commerce, provided automobiles for the guests and personally brought President Charles F. Wells with him.

Arriving at service with the boys, scout executive P. A. Benton, who had brought shelter and President Wells was introduced and briefly addressed the boys expressing his pleasure to be there and assuring the scout organization of his warmest cooperation in anything he could do for them. He was given a rousing scout welcome. Mr. Crowell, troop committee man of Troop 2, also made a brief speech and told them he liked the spirit that was exhibited in carrying a thing out in spite of obstacles.

The boys welcome the new Troop of the Sacred Heart, Taftville, and Yantic and then took up for the "eat of the corn." The boys dispersed early, a small group, however, remained, and after starting a fire under ponchos roasted corn and frankfurters, going home after the rain was over. Another gathering of the Scouts will be arranged for a more distant point soon.

Scouts present at the corn roast were the following: Troop 1—Charles Marsh, Irvin Burdick, Ed Anthon, Louis Woltin, John Boynton, William Wheeler, Fred Wheeler, James Sweeney, Clyde Carpenter, Roy Carpenter.

Troop 2—A. S. M. Lucius Davis, Troop Committee man, Crowell, Don Parson, Richard Out.

Troop 3—Edward Preston, Russell Kunnell.

Troop 4—G. Bourdon, Marius Reguin, Philippe Reguin, Rene Dupas, Adrien Lemieux, Adolphe Beaudoin, Etiole Frenon.

The polls will be open in all districts today for the town election from 5.30 a. m. to 6 p. m.

PRAYER AND SERVICE TOPIC

The 3 o'clock Sunday afternoon "get together" at the Norwich Y. M. C. A. proved to be a very interesting occasion. The meeting opened with singing, and after Scripture reading and prayer, the topic, "The Relative Value of Prayer and Service," was taken up.

The men took hold of the subject in a practical way, and the following are the points brought out: That, according to the teaching of the Bible "the prayer of faith will save the sick, that while it is wise to call the physician, prayer from sincere hearts will play an important part in curing the sick one. Expectant prayer or the prayer of faith is the only kind of prayer that avails. We are warranted in our faith to pray for everything that pertains to our best interests, remembering the old saying, "Pray as though it were yours, as though it were yours, as though it were yours."

A brief social period was enjoyed after the discussion.
