Taftville Man Had Stomach Trouble for Ten Years— Says He Is Now a Well Man.

"The four bottles of Taniae I have taken have been worth all of a hundred dollars to me, and I never expect to be without it in the house again," was the emphatic statement made recently by Arthur Durr of Taftville, Conn. "My stomach has troubled me for ten years," said he, "and this Taniae is the only thing I have ever found that did me any real good. After eating I was always troubled with cramps and gas, and I would blow up as tight as a drum and often felt like my breath was being shut off entirely. My appetite was poor and I was in a general run-down condition. About six weeks ago I got a bottle of Taniae on the advice of a friend and it is nothing short of wonderful. Now I begin to pick up. I can now eat like a wolf and my food agrees with me perfectly. I have no more trouble with my stomach, gas or shortness of breath; all that left me as if by magic almost as soon as I started taking Taniae. I am also gaining weight and feel so different that I can hardly believe it could all come about in so short a time. It certainly is astonishing how quickly Taniae had me feeling right again."

Taniae was sold in Norwich by National Drug Stores Corp. and Taftville Pharmacy and in Plainfield by F. L. Mezier; in Charles City, Jewett City, Conn.; Dearley & Clark, Voluntown, Conn.
