NERVOUS AND HALF-SICK WOMEN

These Letters Recommending Lydia E. Pinkham's Vegetable Compound will Interest You For Your Own Good Please Read Them

Youngstown, Ohio.—"Last fall I began to feel mean and my back hurt me and I could hardly do my little bit of housework. I was played out when I would just sweep one room and would have to rest. I would have to put a cushion behind me when I would sit down and at night I could not sleep unless I had something under my back. I had awful cramps every month and was just nearly all in. Finally my husband said to me one day, 'Why don't you try Lydia E. Pinkham's medicine?' and I said, 'I am willing to take anything if I could get well again.' So I took one bottle and a second one and felt better and the neighbors asked me what I was doing and said, 'Surely it must be doing you good all right.' I have just finished my eighth bottle and I cannot express to you how I feel, the way I would like to, if you can use this letter you are welcome to it and if any woman does not believe what I have written to be true, she can write to me and I will describe my condition to her as I have to you."

—Mrs. ELMER HEASLEY, 141 S. Jackson St., Youngstown, Ohio.
