Stiff? Sore?
A lame back, a sore muscle or a stiff joint often is considered too lightly by the sufferer. It should be remembered that backache, rheumatic pains, stiffness, soreness, yellow skin and puffiness under the eyes are symptoms of kidney and bladder trouble—and there certainly should not be neglected.
Foley Kidney Pills
help the kidneys—eliminate from the system the poisonous waste and acids that cause these aches and pains. They act promptly and effectively to restore weak, overworked or diseased kidneys and bladder to healthy, normal condition.

The first in the series of church nights arranged to be held at the Y. M. C. A. will take place tonight at 7:30 o'clock. The members of the First Baptist church will be the guests of the Y at a social. The meeting was to have been held at the Baptist church but was transferred to the Y in view of the fact that other church socials are to be held there in the coming months. The games will be under the direction of Secretary Frank R. Curran. There is also to be a program of musical selections and readings, which Mrs. Charles N. Merrill has arranged. Mrs. A. P. Carpenter and Mrs. Amy Brown are in charge of the refreshments. The games will be played in the gymnasium and in the bowling alley.

The Hicks handed the Microbes nothing Wednesday in their volley ball games, while they picked three games to their credit. The games stood 15 to 2, 15 to 3, and 15 to 13. The standing is as follows:
W. L. P.C.
Hicks 3 0 1,000
Landlubbers 2 1 467
Microbes 2 2 233
Microbes 0 0 990

Funeral services for Mrs. Ethel M. Brown were held Thursday afternoon at 1 o'clock at the Baptist church, Warrenville, Rev. C. E. Zimble officiating. The bearers were Thomas and Frank Robinson, Charles Brown and Ellsworth Weeks. Burial was in Warrenville cemetery, in charge of Jay M. Shepard.

The annual meeting of the First Congregational church was held Thursday night at the church house and was attended by a large number of members of the congregation. The meeting was called to order shortly after 7:30 o'clock and reports for the year were read by church officers and members of the church committees, secretaries of the Ladies' society, Men's Brotherhood, Boy and Girl Scouts and the superintendent also read reports, all of which were accepted.
The honor roll committee announced that the sum of \$265 had been subscribed by members of the church for the purchase of a bronze tablet. The tablet, on which will be inscribed the names of members of the church who served during the world war, will soon be purchased and placed in the church with special dedication exercises.

The new constitution of the church was read and adopted. It was decided that the annual election be deferred until the next meeting of the church.
Officers elected for the ensuing church year were: A. C. Everett, clerk; George S. Elliott, treasurer; Herbert D. Pollard and C. L. Boss, auditors; E. E. Boss, J. L. Harroun and W. B. Knight, church committee.

Members of her family and near relatives called on Mrs. Helen B. Cummins at the home of her daughter, Mrs. William Huntington in Hartford, after her 25th birthday. Games were played and musical selections rendered. There was a large birthday cake on which were 25 lighted candles, and ice cream, cake and lemonade were served. A most enjoyable evening was spent.

Wednesday night about 9 o'clock Lester Galtus while coasting on Church street dashed into Valley street just as the automobile operated by Joseph Peck reached the intersection of the two streets. Galtus followed, but the boy escaped injury. Thursday afternoon a boy named Sullivan coasted into the automobile operated by Elmer B. Phillips of Plainfield. The accident occurred on Main street. The boy was uninjured.

Brief Notes.
Mrs. Helen Boss Cummings and daughter, Miss Carolyn Cummings, are to spend the week-end in Boston.
Mrs. Charles Edwards and son William returned Wednesday to this city.

CONNECTICUT AID FOR AMERICAN FOUNDATION FOR THE BLIND
One of the most important movements for the improvement of conditions for the adult blind throughout the United States and Canada was launched last June at the convention of the American Foundation Association of Workers for the Blind at Vinton, Iowa.
Among those in attendance there were Messrs. Stetson K. Ryan, secretary of the state board of education for the blind (delegate from Connecticut), Gordon Hicks, and A. L. Curado, representing the Connecticut Institute for the Blind.
This movement has taken concrete form under the corporate name of the American Foundation for the Blind, Inc.
The importance of Connecticut's part in the work for the blind was recognized in the selection of Herbert H. White of Hartford as one of the directors of the Foundation and also its treasurer. Mr. White has been for several years an active member of the board of directors of the Connecticut Institute for the Blind.
The aim of the Foundation is to coordinate the work being done for the

blind throughout the country, to be a bureau of information and statistics and also a clearing house for all phases of work, educationally, legal, industrial and social.
The good people of our state, whose devotion to the blind has been expressed constantly through personal aid in service and money, may well be pleased to know that Connecticut has been considered throughout the country as being in the forefront in its treatment of these unfortunate people and its representation on the Foundation is recognition of this fact.
It is expected that \$1,000 of this will be raised in this state for the initial expense of getting this movement under way, a relatively small sum to start such a big purpose. It is hoped that in other states contributions will be made fully as liberal proportionate to the magnitude of the work for their blind. The Connecticut Institute is already seeking contributions toward this amount.

PINE ACRES IN STATE
WORTH AT LEAST \$1,000,000
That the value of pine acreage in Connecticut is not less than \$1,000,000 is shown in the annual report of the Connecticut Agricultural Experiment Station just issued. The value of standing pine is fully \$1,100,000 while the value of the growth is more than \$2,000,000 according to the report. Standing pine timber is estimated at 125,555,000 feet b and measure.
The statistics compiled by E. H. Jenkins, director of the station, and his assistants show a generally satisfactory condition. The forestry department report, issued by W. O. Piley, in charge of the work, shows that 50,000 transplants were shipped during the year from the Mt. Carmel nursery properties to the Portland, Simsbury and Eastford state forests. The figures on standing pine acreage follow:
County Pine timber
Hartford (16 towns) 31,540,000
Litchfield (15 towns) 22,570,000
Windham (11 towns) 22,770,000
Tolland (8 towns) 11,225,000
New London (2 towns) 4,850,000
Total standing pine 125,555,000
