In the preliminary game the Bearcat seconds defeated the All-Collegians by a score of 45 to 23.

LOOKS AS THOUGH DEMPSEY AND WILLS MIGHT FIGHT YET

It looks now as though something might come of the plan to have Harry Wills meet Jack Dempsey for the latter's title. Wills disposed of Kid Norfolk the other evening which started the thing off just as the boys back of it wished.

The next step in the "building process" is the scattering of the propaganda that Dempsey will be really risking his title against the big colored boxer.

Already it is creeping out. Some are saying it's a good thing Dempsey fought in the ring the other night. Dempsey and his run to Europe and other side things.

The fight is as good as made right now. It wouldn't be such a play into the hands of the reformers, Jack Keenan could tell right now when and where the fight would be held.

There are bound to be a lot of arguments about various and sundry things. But arguments and word battles are the best things to fill up columns and they need miles of publicity to put away a million dollar fight.
