

DANIELSON AND PUTNAM NEWS

DANIELSON

Charged with having attempted to procure an abortion, Eric Welcher, 29, was being held at the police station Friday, while his wife, Mrs. Ora Welcher, was hovering between life and death at her home at Connecticut Mills Village.

Welcher was taken into custody by Deputy Sheriff Charles E. Ayer, upon direction of Coroner Arthur G. Hill. Mrs. Welcher has been desperately ill and a patient at the Day Kimball hospital for nearly two weeks past, but her life being despaired of, she has been brought back to her home. Friday afternoon her condition was regarded as extremely critical, with practically no hope for her recovery. Coroner Hill has been in touch with the case almost since the time that Mrs. Welcher became seriously ill and was removed to the hospital. He has had different interviews with the young woman, who is 24, and it was upon information that she has given that Coroner Hill has caused the arrest of her husband.

Thursday night Coroner Hill obtained from Mrs. Welcher information that is regarded as her ante-mortem statement and following the obtaining of this Welcher who is a mill operative, was taken into custody and during Friday was being held without bail. A hearing will be given him in the town court this (Saturday) morning. Mr. Hill said Friday afternoon and the amount of his bail will be fixed. If he is not able to furnish it he will be transferred to Brooklyn jail. In case of Mrs. Welcher's death, the charge pending against him will be changed to a far more serious one—murder in the first degree, for it was pointed out Friday by Coroner Hill, that any death caused by the use of a poison constitutes murder in the first degree, if the poison can be shown to have been administered with criminal intent.

It appears from Mrs. Welcher's statements to Coroner Hill that the use of bi-chloride of mercury tablets unwittingly and wrongly used by her at her husband's suggestion are responsible for her being at death's door. The Welchers have one child.

Something new, cherry bloom ice cream, with real frozen pudding. Take one home. L. J. Morin estate, Pharmacy—adv.

Work on the new footbridge to be built across the Anaswaga river from a point near the state armory to a point nearly opposite on the Riverview side will be started within a week or ten days. First Selectman John A. Gilbert said Friday afternoon that low water in the river is

being awaited before the work is undertaken. The river will also have to be drawn down to allow of repairs to the cribs that hold the foundations of the present structure.

The town some time since made an appropriation not to exceed \$2,500 for the rebuilding of this footbridge which is in dangerous condition. Riverview residents are anxiously awaiting the rebuilding work.

Seleoeman Gilbert also said Friday, that work on the public comfort stations authorized built by the last annual town meeting will be undertaken soon. The selectmen have found difficulty in determining just how and where at the town hall property to build these stations and have them as they should be. One plan is to build a little addition at the south-easterly side, near the eastern end of the town hall building. This would partly close the south drive around the building, but this drive is little used and this, after all, might not be a great inconvenience as measured against the public benefit to be derived through the comfort stations.

This week's meeting of the Roundabout club—a gentlemen's night meeting—was held at the home of Mr. and Mrs. D. Fred Kowortky, of Spring street. Six tables were in use during the period devoted to whist, first honors going to Mrs. Orray E. Potter and L. S. Ingalls. Congratulations were sent to Harry W. Clarke and Carl W. Jennings.

At intermission the guests were entertained with piano selections by Mrs. L. S. Ingalls. Chorus singing of popular songs was another diversion of the evening.

A lunch of chicken and potato salads, bread and butter sandwiches, olives, cake, fancy cookies, candy and punch was served by the committee in charge—Mrs. George Davison, Mrs. John A. Gilbert, Mrs. Charles W. Hale and Mrs. L. E. Kennedy.

Activities of the state police and local officers throughout the town of Killingbury during the past two weeks has put at least a temporary check to moonshine manufacturing and selling and has thrown a scare into the Jakey trade.

The officers are not assuming, however, any that the evil they are whanging away at has been permanently cleared up. They know they have not seized all—or near all the stills—and they know that Jamaica ginger is still obtainable, but other days are coming, as may other rats and the way is going to be continued.

PUTNAM

Oscar H. Logan, 68, a resident of Woodstock, was injured Friday morning when the automobile he was driving while en route to this city got out of control and plunged through a fence near what is known as the Thompson estate on the route into this city.

According to the report received by the police, Mr. Logan was coming along behind another car driven by Clyde Miller, also of Woodstock. As Mr. Logan overtook Miller the Logan car seemed to swerve and went through a wire fence bordering the road. The car toppled over, but was not seriously damaged. Mr. Logan went to his home and later was treated by Dr. Ernest R. Pike of East Woodstock. It is understood that Mr. Logan attaches no blame for the accident to Mr. Miller.

There is much local interest in the fact that Eric Welcher is in custody at Danielson and in serious difficulties on account of the illness of his wife, Mrs. Ora Welcher, who was at the point of death Friday afternoon at her home in Danielson where she has been removed after being a patient at the Day Kimball hospital in this city for the past two weeks. Mrs. Welcher is suffering from poisoning said to have been caused by the use of bi-chloride of mercury in tablet form. Her condition during her stay at the hospital has been extremely serious.

At her home in Danielson Friday afternoon, as told in the Danielson news this morning, Mrs. Welcher's death was hourly expected. She is 24 years of age.

A society wedding that is attracting attention of York and New England press will take place this (Saturday) afternoon at Sunset Hill, the summer residence of Mr. and Mrs. Hamilton Holt at Woodstock when their daughter, Miss Beatrice Holt, will become the bride of Brandreth Symonds, Jr., of New York.

The marriage is to take place at 3 p. m. (standard time) at the Episcopal church, at Woodstock Hill. Miss Holt will be given in marriage by her father, Hamilton Holt, former editor of The Independent, and one of the best known publicists in America. Her maid of honor will be her sister, Miss Leila Holt, a junior at Smith College. The other attendants will be Miss Frances Elliott of Thompson, Miss Marjorie Daguerre of New York, Miss Margaret Reed of Manchester, N. H., and Mrs. Emory Leonard of Boston.

Mr. Symonds' best man will be W. Butler Harris, Jr., of Princeton, N. J., and his ushers will be John E. Holt, a brother of the bride, Joseph H. Smith, William D. Crim and Charles H. Ramsey, all of New York. The ceremony will be performed by Rev. Francis Roseboro of New Haven.

The bride's gown will be of white satin and Duchesse lace, and she will wear a tulle veil caught with orange blossoms. The bridesmaids and the maid of honor will wear gowns of orchid crepe with picture hats to match. Their bouquets will be of orchids and pink sweet peas.

Following the ceremony there will be a reception at Sunset Hill, the home of Mr. and Mrs. Holt, which is a short distance from the church. Many out of town guests will be present for the wedding. Miss Holt has received many beautiful bridal gifts. Following a brief wedding trip, Mr. Symonds and his bride will reside in New York.

Mr. and Mrs. Bertrand N. Andrews are to observe the silver anniversary of their wedding Friday, June 2, at their home at 45 Farrow's street. They are to receive from 2 to 5 and from 7 to 10 p. m. Mr. and Mrs. Andrews are well known in this city. Mr. Andrews for years has been a rural carrier from the Putnam postoffice.

The annual ladies' night social by the Canadian Athletic club brought together a happy party Thursday evening at the club rooms on Providence street. Special features of the entertainment provided were vocal numbers by Miss Lorenza Gallant and by the youthful Amadee Pelletier, formerly of Danielson.

Miss Etta LaFayette of Sterling will represent Windham county Monday next at Hartford in the fourth annual spelling contest for public school pupils of Connecticut. The competition, which will bring together contestants from many parts of the state will be held in the hall of the house of representatives at the capital.

Miss LaFayette, formerly resident in this city, has a splendid record as a speller and won her chance to compete at Hartford against the best spellers in the public schools of this county.

Friday Miss Wilhelmina Frost was graduated from Southfield Point Hall, Stamford, a finishing school for girls. After visiting relatives in Yonkers, Miss Frost will go to Hastings-on-the-Hudson with a classmate for a few days and

The Picture that cost One Million Dollars

Von Stroheim—The perfect villain in equally perfect settings critics hated him. . . . So artful in his villainy that even the renegade Russian Count is Eric Von Stroheim. . . . The swaggerest villain that ever lied his way into a pretty woman's heart. . . . Women watch this heart-breaker in wonder—and with recollections. . . . Women who think they know all the tricks might better watch the Count. . . . He'll teach them things they never dreamed of.

The Drama—Flings wide the doors on a life of luxury, self-indulgence, beauty, wealth, power. . . . You've read about it. . . . Dreamed about it. . . . Hoped some day to see it. . . . Here it is more real than a personal visit could reveal. . . . Monte Carlo, the hidden dramas of passion—intrigue. . . . flaunting beauties, ardent adventures, international snobs, swaggers, swells. . . . silken gowns, flashing jewels, fashionable folly. . . . A million dollars' worth of things you never knew.

The Settings—Heavenly beauty of the world's one Paradise. . . . Palm shaded Garden of Amours. . . . far-famed marble Casino, Cafe de Paris, sun-drenched terraces sheltering visions of lovely, languorous women. . . . Dashing soldiers of fortune. . . . All you've dreamed of, longed for, hoped for. . . . Here is a real trip to Monte Carlo. . . . Take it. . . . Go! Gamble, make love, talk French, be a devil of a fellow. . . \$6000 worth of almost wicked thrills a minute.

then will return to Branford to be a member of a house party before coming to her home here.

Local interest has been aroused among those who have heard Sir Arthur Conan Doyle in the course of his recent lectures in spirit phenomena in this country in a "spirit photograph" which he has used on the screen in his talks and which is attested as a remarkable likeness of little Miss Agnes Cushman, who died in the fall of 1920, and who was a daughter of Dr. Allerton S. Cushman and the late Mrs. Cushman of Pomfret and Washington, D. C., and a granddaughter of Mrs. Courtland Hoppin. Sir Arthur declared this "spirit photograph" to be one of the best specimens that has ever been taken in the course of psychical research.

The circumstances surrounding the taking of the photograph in London last summer, prior to the death of the young girl's mother last autumn, has been most interestingly retold in a scientific article published by Dr. Cushman in the American Journal of Psychological Research and more recently issued by him privately in pamphlet form, and entitled "Evidential Case of Spirit Photography."

Dr. Cushman, who is one of the leading American authorities in chemistry, has now taken his place among the most active investigators of psychical phenomena. This week at his home in Washington, D. C., Miss Eva Besant of Toledo, Ohio, the "materializing" medium who last Saturday night at a seance given for Sir Arthur, caused the spirits of Sir Ernest Shackleton, as well as the son and parents of Sir Arthur and Lady Conan Doyle to appear, is giving under Dr. Cushman's direction, a series of most successful sittings.

In order that every step of the circumstances surrounding the taking of the spirit photograph of his daughter might be made clear, Dr. Cushman has given the story of the taking of the picture in every detail in his published pamphlet.

Judge E. M. Warner, Attorneys C. L. Torrey and Arthur S. Macdonald were at Williamatic Friday attending a session of the superior court.

Before members of the Second Congregational church club Kenneth Sharpe
