Embarrassing Hairs Can Be Quickly Removed

(Beauty Culture) Hairs can be easily banished from the under-arm, neck and face by this quick, painless method. Mix into a stiff paste some powdered gelatine and water, spread on hairy surface and in 2 or 3 minutes rub off, wash clean and it will be free from hair or blemish. Excepting in very stubborn growths, one application is sufficient. To avoid disappointment, buy the gelatine in an original package and mix fresh.

On the Evening TUDOR TEA

Pure and Fragrant

WHEN YOU WANT TO GET YOUR BEST TEA before the public, there is no better method than through the advertising columns of The Bulletin.

The Price to You is no Higher - but special Borden precautions doubly insure its safety. GENERAL sanitary regulations in producing Evaporated Milk are established by law. In addition to the observance of these we establish our own specific and rigid inspection to make our milk absolutely pure and of fine quality. No single batch of Borden's Evaporated Milk is allowed to leave the condensary until it has passed a final laboratory test. Though this elaborate inspection may make it cost more to the grocer he sells Borden's at the price of other standard brands. For he relies on it to please his most particular customers. Borden's Evaporated Milk is pure country milk with the cream left in. It is fine for both coffee and cooking.

WINSOL A GUARANTEE OF QUALITY Over One Hundred Years Ago an old New England doctor, little dreaming that he was creating a safeguard for the health of generations to come, from his knowledge of vegetable drugs compounded a wonderful tonic, which he successfully used for years in treating patients who had become anaemic and "all run down." Since 1845—when his prescription was offered to the public in SENALT the Sensitive Tonic—it has relieved thousands of people from the ills caused by chronic constipation. There are no opiates, narcotics, or other harmful drugs in SENALT. It is made today just as it was over 100 years ago—from the best vegetable alternatives, which cleanse and purify the blood, keep liver and bowels active, and prevent poisons from accumulating in the system. One grateful user—Mrs. Jacob Young of Scranton, Pa., — has this to say for Senalt: "I have suffered from constipation for fifteen years and for a long time have been subject to headaches that would last for three or four days. The pain almost drove me crazy. I have taken cathartics night after night, and suffered about as much from the medicine as I did from the constipation. At the time I bought my first bottle of Senalt I was really in a desperate condition. Of all the troubles it seemed to me that nervousness was worst, for of course that was the result of constipation and all that the constipation led up to. Before I had taken the first bottle of Senalt I felt one hundred per cent better—better than I had for years. I am now on my third bottle and feel that by the time I am through with it I shall be really well." You can get SENALT, or the other famous Winsol products, at any drug store. For Winsol preparations are one line of trade-marked proprietary remedies sold by both Winsol Agents and non-agent druggists. No need to accept substitutes. Any druggist can get Winsol remedies for you through his jobber. NEUROPATHIC DROPS, the great emergency medicine, and CERIZANE BALSAM, for coughs, are two Winsol remedies that should be kept in every home. Ask your druggist about them. B. O. & G. C. WILSON, Inc., BOSTON, MASS. B. O. & G. C. Wilson, Inc., established in 1845, is conducted on a unique profit-sharing plan which benefits everybody concerned—the Winsol Agent, all non-agent druggists, every Winsol employee and the general public. The Winsol Plan—the last word in co-operation—is responsible for the rapid growth of the Winsol business to a position as one of the largest and most successful drug specialty houses in the country today.
