

### CLOSE OF FOOTBALL SEASON SEES THREE BIG UPSETS IN COLLEGES

New York, Nov. 26.—(By The A. P.)—Three startling reversals in form stood out today in analysis of Saturday's gridiron events, the climax of a season conspicuous for upsets in the college ranks. Harvard, coming back brilliantly after reverses at the hands of Brown and Princeton, out-generated its traditional rival, Yale, to win 19 to 7, after Elms had been established generally as a favorite.

Less prominent but equally sensational were the victories of Detroit University over Washington and Jefferson, 20 to 9, and Dartmouth over Brown, 7 to 6. W. and J. regarded as one of the strongest eleven in the east, out-played Detroit in nearly every department, only to lose through the alert westerners profited by intercepted forward passes and fumbles. Dartmouth, fighting its way to a comeback from Vermont, Cornell and Harvard, also was aided by a fumble after battling to a standstill the conquerors of the Crimson.

The other outstanding games in the east came close to increasing the list of upsets. Army, the favorite, struggled desperately in the last quarter to snatch victory from the Navy, 17 to 14, on Franklin Field, Philadelphia, while Lafayette, beaten but once since the fall of 1920, met unexpected opposition from its traditional rival, Lehigh, and won by a slim margin of a field goal, kicked by "Bots" Brunner in the last few minutes of play.

Harvard, as had been expected, was scratched by Yale almost two to one. The Elms also uncovered the cleverest aerial attack of its history but when within scoring reach of the Crimson goal, the Bulldog's punch failed. Once in the first period, Harvard checked Yale's rush within five yards of its goal.

On the other hand, Harvard displaying Princeton's characteristics, seized its opportunities. Halfback Owen rising to heights in the first period by scooping up a Yale punt and racking 47 yards to Elms' 2 yard line, from where a few minutes later, he drove over a touchdown. Field goals by O'Hearn, for Yale in the second quarter, and Pfaffman for Harvard in the final period, completed the scoring.

Army's victory over Navy came after a slashing sea-saw encounter in which George Smythe, cadet quarterback, furnished the outstanding achievement with a 50-yard run in the final quarter that saved the way for the winning touchdown. Navy, which out-rushed the Army more than 2 to 1, took the lead in the second quarter but the Cadets spurred to the front in the third quarter and came back again in the final period to win after the Navy had again forged ahead.

Bucknell, scoring all its points in the first quarter was victorious over Rutgers, 25 to 15; Georgetown and Boston College battled to a scoreless tie, while Notre Dame triumphed over Carnegie Tech, 19 to 6, in a hard fought inter-sectional clash.

For most of the eastern teams yesterday's game ended the season, although several big games remain to be played on Thanksgiving day, including Cornell-Penn. at Philadelphia; Pittsburgh-Penn State at Pittsburgh, and West Virginia-W. and J. at Morgantown, W. Va.

### DEFEATED NAVY TEAM RETURNS TO ANNAPOLIS

Philadelphia, Nov. 26.—The Annapolis football team, defeated in the annual classic with West Point, boarded a special train this afternoon and started for the naval academy.

### To Take American Baseball Stars To Japan

Herbert Hunter who plans to take some of the heroes of the diamond on a trip to Japan. Two universities have issued invitations to have the diamond stars visit the flowery kingdom, and Mr. Hunter is just the man to head the group. He was for two years, ball coach in Japan. The trip is looked upon as a stroke of diplomacy, making for better feeling between the two countries through sports, and President Harding has given his unqualified approval to the project. There will be about a dozen players.

omy. With it went most of what was left of the football color which has brightened the streets of Philadelphia for the last few days.

The Army squad departed for West Point Saturday night, as had the non-playing cadets. The battalion of midshipmen who watched the game followed their team home this afternoon.

Worn and weary from enforced participation in proceedings which he understood not at all, one of the gladiators to board the navy return special, was Bill Capricornus, the Navy scout. Bill had a special compartment in the baggage section. While the Army was victorious, it had not got Bill, though it did obtain Bill's navy blue blanket, neatly embroidered with three gold stars, commemorating previous consecutive victories for the team which he mascot. Bill was cold and proclaimed it.

While no official decision was announced, both the Army and Navy were declared to be in favor of returning to Franklin field for next year's contest. The Navy favors this despite the "Franklin field jinx" for the only two games the team lost this season were played there, first to the University of Pennsylvania and again on Saturday.

### YALE NEWS COMMENTS

**ON YALE'S DEFEAT**  
New Haven, Nov. 26.—The Yale News, in discussing the defeat Saturday, will say tomorrow in part: "To Harvard, on her team, Yale extends fully merited compliments and congratulations."

In commenting on the attitude of graduates and under-graduates toward the defeat, the News continues: "Criticism which emanates from the resultant highly strung sources is to all interests and purposes destructive. This type of criticism is distinctly injurious and can have no place in today's problems. It is the psychology resulting from such criticism, and from the spirit which gives rise to it, which is in part responsible for Yale's continued defeats. What is needed now and throughout the next year from every Yale man is confident, unqualified, and constructive support of the football powers that be."

### JAIL HILLS AND WESTERLY PLAY TO A 6 TO 6 TIE

The Jail Hill eleven and the Italian-American eleven of Westerly battled to a 6 to 6 tie at Westerly on Sunday afternoon. The local boys fought a hard game but were stopped by the heavier Westerly line. Westerly played a hard game but breaks in the play held the score down. Williams played a good defensive game and Norwich's only score came through his great interference while Valentine after intercepting a forward pass ran for a touchdown.

### TWO UPSETS IN SOUTHERN FOOTBALL

Atlanta, Ga., Nov. 26.—(By The A. P.)—Individual brilliancy marked Saturday's football games and the day's play marked Georgia's first defeat by Alabama since 1919 and saw an unusual situation develop in South Carolina where Furman downed Clemson, 20 to 8. It was not only the first time this season a South Carolina eleven had crossed Clemson's goal line but it came after Clemson had defeated South Carolina and the latter had bested Furman.

### HARVARD STUDENTS PAY TRIBUTE TO THEIR HEROES

Cambridge, Mass., Nov. 26.—The objective game of the Crimson football season won, Harvard under-graduates today gathered in scattered groups about the college and acclaimed the gridiron heroes who yesterday triumphed over the Bulldog in the Yale bowl. Two of the battle-scarred warriors were back in Cambridge nursing wounds. Percy Jenkins, left end, star, was undergoing treatment for torn ligaments in his knee while Henry Dunker was limping from a similar injury.

Tomorrow the football season will be but a memory to George Owen, individual hero of yesterday's contest, and Lew Gordon, star right end, when each, as captains of the hockey and basketball teams respectively, all address candidates for positions on those teams.

Harvard's departure yesterday from her custom of not numbering players will not be permanent. Frederick W. Moore, graduate treasurer of the Harvard Athletic Association, declared today, in other quarters, however, it was said, that probably players would be numbered in the more important games in the future.

### WESTERLY EVENS UP SERIES FOR BULLETIN CUP

The Westerly Soccer team won the second game of the Bulletin Cup competition from Tatville on the Providence street grounds on Saturday afternoon by a score of 5 to 0. The game was played in a bitter wind and the crowd was small. The Tatville team was handicapped by the loss of four men on the right wing and substitutes were rushed in at the last minute. The Westerly team put up a pretty game with some very clever passing and team work. The defense of the Tatville team was weak and the play during the greater part of the time was in the Tatville territory. Tatville threatened only twice during the game and then their shots went wide of the posts.

This evens up the series, Tatville having won the first game by default.

## ATHLETIC COMMITTEE DECLINES TO COMMENT ON TAD JONES' WORK

New Haven, Nov. 26.—Yale was recovering today from the shock of Saturday's smashing defeat and was busy reinforcing its courage for next season with the slogan, "Wait until next year". Probably the most common question on the lips of graduates and under-graduates, Tad Jones, will be with the team again?

J. T. Blossom, graduate manager of athletics, in part answered that question tonight. "There has been a certain amount of talk among graduates about Jones' work," he said, "but the matter has not been discussed in the least by the board of athletic control. Mr. Jones has a contract that calls for two more years of service. We feel that progress has been made under his leadership and we have considerable confidence in him. The board will probably have its dinner early next week, when next season's captain will be elected. No date has been set, but it is expected that the dinner will be held either December 4 or 5.

No injuries of any moment were reported among the players. The team will probably have its dinner early next week, when next season's captain will be elected. No date has been set, but it is expected that the dinner will be held either December 4 or 5.

### IOWA AND MICHIGAN TIED IN WESTERN CONFERENCE

Chicago, Nov. 26.—(By The A. P.)—Iowa and Michigan were left the only two teams in the western conference by the closing games of the season yesterday in which Chicago, the only other contender, was held to a scoreless tie by Wisconsin.

Iowa ended her season with a 37 to 3 victory over Northwestern while Michigan was defeating Minnesota, 15 to 7. In the other games of the day, Indiana and Purdue tied for last place by playing each other to a seven to seven tie, and Ohio defeated Illinois 6 to 3.

The question as to whether Chicago will be allowed to share the title with Iowa and Michigan is one that probably will not be decided until conference authorities meet. Some observers argue that since Chicago did not lose a game, the Maroons still have a 1,000 per cent. average in spite of yesterday's game while others contend that by being held scoreless by Wisconsin, a twice defeated team, Chicago failed to show the strength displayed by Michigan and thereby was eliminated.

### NEW ENGLAND ATHLETIC CONFERENCE ORGANIZED

Boston, Nov. 26.—A New England state college conference, patterned after the Western conference, and designed to formulate uniform eligibility rules in intercollegiate athletics, was organized at a meeting of representatives of New England state colleges and universities here today.

An eligibility code, barring participation of freshmen on competing teams, and establishing a one year residence rule designed to prevent the appearance of teams of athletes transferred from other colleges, was adopted.

The meeting today was the result of an invitation issued recently by the New Hampshire State college and representatives were present from the sponsoring college, University of Maine, University of Vermont, State college of Rhode Island, Connecticut Agricultural College, and Massachusetts Agricultural college. The conference will have jurisdiction over all intercollegiate sports among member colleges, it was asserted.

## The Hupmobile Is "Coming" — Get What That Means, Mr. Dealer

Ten years ago, any dealer could handle any one of possibly 50 cars.—and, on a hit and miss basis, make money.

Today, those 50 have narrowed down to 14.

The dealer today must have one of those 14 cars—and a real sales method—if he is going to survive.

Of these 14, the Hupmobile is in the very forefront.

It is in the forefront—but it has not begun to exhaust its sales possibilities.

**Increase in Hupmobile Production**

The Hupmobile is "coming". It is making more money for the individual dealer today. It will make more next year. It will make still more in 1924. The factory is planning greatly increased production for both years.

We don't know—and we believe that you don't know—where such an opportunity is available today outside of the Hupmobile organization.

People in your territory now know what a wonderful car the Hupmobile is. Owners are spreading the facts; everyone—especially mechanics—are saying—"The Hupmobile is a mighty good car to own". And, naturally, this sells more Hupmobiles.

**Hupmobile Easier to Sell**

This all gets back to the fact that the dealer today can sell Hupmobiles with greater ease, and he can sell more of them, than ever before.

And, we know, he can make more net profit on the Hupmobile; profit that compares most favorably with what can be made in any other line of business.

The Hupmobile franchise is eagerly sought for today by dealers everywhere.

We want men who understand that selling automobiles does not mean a large investment in pretentious salesrooms, but that it means sound business practice, keeping salesmen on the job, and good bank credit.

If you are such a dealer, you can, unquestionably, make good money in selling Hupmobiles. Hupmobile dealers have demonstrated this to be a fact; let us tell you the full story.

Write to us today. We believe that you will have cause to congratulate yourself, time after time in the future, on having done so.
