

CALIFORNIA HAS HIGH SCORING TEAM OF THE COUNTRY FOR 1922 SEASON

New York, Dec. 2.—By the A. P.—The 1922 gridiron season, which comes to an end this week with the few college contests scheduled Thanksgiving day and Saturday, will go down in the annals of the game not only as remarkable for its spectacular upsets in form, but also outstanding in unusual scoring achievement and incident.

Review of the scoring records incidentally last Saturday's games disclosed that eighty-three colleges, representative of play in all parts of the country, scored exactly 11,000 points of 593 contests, an average of approximately 183 points per team and 19 points per game.

California's eleven stands out as the highest-powered scoring machine in the group. The Bears ran up 98 points, with only 34 tallied against them.

Auburn, in the south, showed the highest total, 277; Cornell's big red team set the pace in the east, with 239; while Centre, with 254; and Notre Dame, with 252, were leaders in the middle west.

Michigan and Notre Dame permitted the fewest points against any team on the list, 12; the Wolverines allowing two touchdowns, while the Hoosiers held opponents to one touchdown and two field goals.

Proof of the important part played by the new type of point attack was shown by the fact that nine games were decided by a single point. Penn furnished two outstanding examples by losing one week to Pittsburgh, 7 to 6, and winning the following week, 10 to 9.

Harvard, losing to Princeton by a score of 10 to 3, and defeating Yale by a similar score, emphasized a curious fondness for this tally. The Crimson has been beaten by the Tigers by 10-3 for two straight years and in turn vanquished the Blue by the same score in three of the last four games.

Standing out brilliantly in the list of individual performances was that of Covington, crack Centre college quarterback, who created a new drop kicking record by booting six between the bars against Louisville on October 23.

Individual scoring records in the east, including last Saturday's games, showed "Bois" Brunner, veteran Lafayette halfback, kicking 12 points, more than his nearest rivals, Wilson of Penn State and Robertson of Carnegie Tech.

Hanson, Cornell tackle, proved the most adept at kicking extra points with 30 successful tries, while McBride of Syracuse and Roderick of Colgate, his, led the field goal scorers with three each.

CRUIQUET IS FAVORITE IN TONIGHT'S BOUT Paris, Dec. 1.—(By the A. P.)—Eugene Cruiquet is the strong favorite in the betting on his bout tomorrow with Billy Matthews to settle the European featherweight championship. The money which crossed the Channel from England today was expected to be the largest ever bet on a fight. Matthews was eagerly snapped up at odds of 4 to 1, while several bets were recorded at even money that the Englishman would not stay ten rounds. Matthews and his manager have wagered their entire end of the purse, and should Matthews be defeated they will get nothing out of the fight.

TIGERS HAVE DISBANDED AFTER SUCCESSFUL SEASON The Tigers have heard rumors about the city that there are other teams that would like to play them for the Junior championship of the city. If this is so we would be only too glad to book them for next season for we closed our season Thanksgiving. We understand that the league organizers recently thinking that they would get the gravity of the championship but they are sadly mistaken.
