THE MECHANICS STORE.

WE REPRINT THE FOLLOWING

REVIEW OF OUR ESTABLISHMENT

Its Different Departments, From the Annual Business Review of the "SACRAMENTO RECORD-UNION," published in their issue of January 1, 1880.

HOW THE PEOPLE OF THE CITY AND COUNTRY ARE ADVANTAGED.

A few Practical Considerations worthy careful perusal and thought.

Its history is phenomenal, but not more so than its methods of business.

Its growth has no parallel in the commercial annals of the State.

But this growth has been the legitimate result of the strict application of business principles all men should understand and practice.

More than this, "ONE PRICE" is the uniform rule with rich and poor, high and low, friend or foe—a rule as unalterable as the laws of the Medes and Persians.

The firm is a direct importer, and recently has perfected its system that with greater truth than ever it may be said it has almost entirely done away with middlemen, and brought manufacturer and buyer face to face at the counter in Sacramento.

Whoever buys at the Mechanics' Store does so on a level with all other buyers and under the assurance that neither favor, affection, patronage or friendship gives one an advantage over the other, and under the guarantee that at this establishment all men are treated alike as purchasers.

A child can comprehend the justice, independence and fairness of this system.

But in matter of judgment favor is shown, not to one, or a class, but to all. How?

By placing all buyers upon an exact level, as all goods are plainly marked and undeviatingly rated, the poorly-informed or ill-judging customer stands exactly in the same relation to the goods as the well-informed and judicious buyer.

It is a manufacturing firm, and makes up Men's and Boys' Underwear, in all lines; Boys' Suits; Ladies', Children's and Misses' Cloaks; Clothing for the Shop, the Laborer, etc., working up cotton, linen, woolen and mixed cloths in large quantities.

Its Factory Machines are operated with an engine, and is upon one of the lower floors of the house. In this Department are first-class sewing machines, and constant employment, with a Forewoman, Cutter, two Special Workers and two Boys.

The MECHANICS STORE embraces twelve distinct Departments, which are noticed separately in this review in the proper sections: First, Dry Goods; 2, Fancy Goods; 3, Men's Furnishing Goods; 4, Men's Cloaks; 5, Boys' Clothing; 6, Yarns; 7, Hats and Caps; 8, Millinery; 9, Boots and Shoes; 10, Wholesale Department; 11, Country Order Department; 12, Ladies' Furnishing Goods.

The WHOLESALE DEPARTMENT is distinct from all others of the store, embraces all lines kept in any of the Departments, and is conducted upon the principles heretofore set out. The package rates are the same to all wholesale buyers, and respond only to CASH. The capacity of the Department is equal to any demand the trade of the coast may make. Orders are filled with the greatest dispatch, and as faithfully when sent in as if they were presented in person.

The COUNTRY ORDER DEPARTMENT is a phenomenal one. It represents a vast business. Between one and two hundred orders are filled daily, and the goods dispatched mainly by mail. The selectors act for the customer, using the same judgment as if buying for themselves, and being responsible for the slightest deviation from the exercise of the fairest and best judgment in behalf of the intending buyer.

At this establishment the Department of DRY GOODS occupies a spacious, admirably-arranged and popularly-located store-room at the corner of Fourth and K streets, which is stocked from floor to ceiling, and along the balcony running along one wall, with every variety of goods, including Gents', Dress Goods, White Goods, Water-proof Linens, Felt Skirts, Shawls, Curtains, Domestic, Shirtings, Muslins, Silk, Cotton, Woolen and Mixed Goods of all grades, Blankets, Linens, Cloaks, Home Linen, Ribbons, Toilet Supplies, Thread, Buttons, Dress Trimmings, etc. The Country Order Department supplies any Goods of this Department in any quantity. The most distant purchaser is afforded equal advantages with the one at the counter.

The Second Department is the FANCY GOODS DEPARTMENT, comprising History, Gloves and Ladies' Handkerchiefs, Corsets, Laces, Ribbons, Notions, Embroideries, Articles of Personal Adornment, Jewelry, Combs, Pins, Jewels, Collars, Cuffs, etc. Orders are filled from abroad for single articles or by the package.

At this establishment the Department of MEN'S FURNISHING GOODS is distinguished by its variety and quality. It includes a full line of Men's, Youth's, Boys' and Children's Clothing, and every possible garment worn by men, and kept even with the best styles. Any of these goods are forwarded to any section in large or small quantities, by the single article. The assortment being treated in exactly the same spirit, fairness and equality as the other departments.

"YANKEE NOTIONS" is a very comprehensive term. In order, however, to comprehend what Yankee Notions means, a visit should be made to that Department of the MECHANICS STORE. The Department includes all kinds of Yankee Notions known to this trade, such as Soap, Stationery, Pocket Books, Novel Personal Utensils, Brushes, Combs, Pocket Cases; a full line of Pocket and other Cutlery, Perfumery, Toilet articles, and a variety of like goods far too numerous to be classified now. These and all other goods of the store are forwarded per order to any section in any large or small quantities.

The Seventh Department of the MECHANICS STORE is the branch of the establishment devoted to the Hat Trade. It embraces full lines of Men's, Youth's, Boys' and Children's Hats and Caps, including all the newest styles as soon as put upon the market, and in endless variety. Any article or package of articles forwarded in response to order, is so faithfully, serviceable and novel article in this line which the department cannot beside the salesman.

To Ladies of Sacramento, and to all those of the interior of California and adjacent sections, the Eighth Department of the Mechanics' Store addresses itself. The Department is stocked with the latest styles of all kinds of ready-made goods, and work is done in the best styles. The lines in Hats, Bonnets, Velvets, Ribbons, Feathers and Artificial Flowers are complete, and one or many orders are filled with equal dispatch.

Of the Twelve Departments of the establishment, one is devoted exclusively to Boots and Shoes. It includes very full lines of Men's, Youth's and Boys' Boots and Shoes, Infants', Misses' and Ladies' Shoes, Slippers, Ties, etc., and full lines of Rubber Foot Wear. There is no fashionable, serviceable and novel article in this line which the department cannot supply. Country orders receive as much attention as if the buyer were present.

The above review speaks for itself, and needs no comment on our part. We will content ourselves by simply saying that although in the past we have worked hard for the benefit of patrons and the public, yet for the future we intend to work still harder, and give to all the full benefit of our efforts. To those living in the interior we cheerfully send a Price List and samples free on application.

ADDRESS ALL LETTERS: Weinstock & Lubin, Nos. 400, 402, 404, 406 and 408 K St., Sacramento, Cal.
