GASLIGHT EXHIBITION

THIRD.—This opening exhibition will be for the sole purpose of giving the public full and ample opportunity to examine the largest and most completely assorted, brilliant and substantial stock of goods ever brought to this market.

FOURTH.—Aware of the fact that great numbers of people have long desired to visit and inspect our establishment, and every department thereof, without paying strictly a purchasing visit, the opening of

MONDAY NEXT

Has been arranged with a view to their especial accommodation and that of the entire public.

FIFTH.—To this end all the industries of the Mechanics' Store will be in active operation on that occasion, but NO GOODS WILL BE SOLD.

SIXTH.—The counters will all be pushed back, ample passageways made, a systematic plan of entrance, egress and tour through the numerous storerooms on the three floors adopted, and the entire clerical force of the house will be on duty to act as escorts and guides to the people. The occasion of this great exhibition is the receipt and shelving of our great stock of Spring Goods, from the purchase of which our MR. LUBIN has just returned from the great business marts of the East.

SPECIAL TO LADIES!

We cannot now enter upon a recapitulation of all our Departments, and the especial features in each which will be prominent in each, but to the ladies we may say that the opening will signalize the largest and rarest Millinery Display ever made in interior California, and will include the largest display of SILKS, ORNAMENTS, FEATHERS, FLOWERS, HATS, BONNETS, and all the Millinery Goods of a first-class establishment. To this Grand Display, the Third Floor of the establishment will be given up, and during the closed hours on Monday the stairways will be widened, and special facilities provided for advantageous visiting of this Department.

We will depart from the original intention not to specify departments at this time, in so far as will enable us to say that on the occasion thus announced there will be seen in the exhibition the great "New Thing in Fashion," "The Cashmere Effect," Cashmere Effect in dress goods, Cashmere Effect in buttons, Cashmere Effect in neckties, Cashmere Effect in fans, Cashmere Effect in parasols.

Also, goods of direct importation from all parts of the world: Linen from Ireland; Laces from France and Italy; Silks, all Foreign and American rare goods; Satin Brocades; Tafta Glace; Paris Faconnie; Trocadero Cashmere; Haute Nouveaute; Satin Pelain; Faconnie Egyptian; Persian Cloth; Millinery from France and other European Bazaars; Boots and Shoes from Philadelphia, Boston, Lynn, Newark, Utica and Haverhill; Cutlery, England and America; Dry Goods, American and European; Embroideries from Switzerland; Cloths, America, France and Scotland; Clothing from best factories of the East; Jewelry from Paris, Vienna and America; Hats from the most approved makers; Hosiery from England; Leghorns from Italy; Dress Goods of all latest designs and quality from American and European ruling markets of taste and design.
