"EXCELSIOR"

One who is contented with what he has done, will never become famous for what he will do. He has lain down to die.

THE GRASS IS ALREADY GROWING OVER HIM!

We hope we are of those who never rest content with what they have done, but always strive to outdo all past efforts.

For this some may call us over-ambitious. 'Tis true, we have a great ambition.

It is, and ever has been our earnest desire to conduct and establish our business on principles so just, so exact, so fair, and so perfect as to prove a benefit to the community and a credit to ourselves.

We have good reasons to believe that the public are so far well satisfied with our efforts. The most powerful proof thereof is that they have helped us make the

MECHANICS' STORE

MOST FAMOUS ESTABLISHMENT

On this side of the continent. We can but say that, as in the past, we shall try to merit the continued liberal support and goodwill of the public by working constantly for their interest.

Not content with the many improvements already made this season, we recently tore down, rebuilt and added a spacious room to our Clothing and Men's Furnishing Goods Department, thereby giving to Sacramento one of the finest, largest, best appointed and most convenient Clothing Salesrooms on the coast.

This additional space has allowed us to increase the size and improve the quality of our stock. No establishment can now offer any Clothing lower in price, finer in quality, or more fashionable in style than we.

WE HEREWITH MAKE MENTION OF A FEW OF THE VERY MANY CHOICE GOODS NOW ON OUR COUNTERS:

Table listing various goods and their prices: \$6 00, \$20 00, \$9 00, \$22 50, \$10 50, \$25 00, \$12 00, \$30 00, \$15 00, \$32 50, \$17 25, \$40 00.

An Interesting Variety of All the Novelties in White and Fancy Pique and Duck Vests, from \$1 to \$3 50 each.

We have now every facility for pressing and altering all Clothing bought in our house, FREE OF CHARGE.

PEOPLE LIVING OUTSIDE OF SACRAMENTO SHOULD REMEMBER THAT IN ADDITION TO CLOTHING, WE CARRY A VERY COMPLETE LINE OF

DRY GOODS, FANCY GOODS, FURNISHING GOODS, MILLINERY, HATS, CAPS, BOOTS AND SHOES, TRUNKS, ETC., ETC.

Organization of the California Delegation.

GRANT AND BLAINE MEETINGS.

Speculations as to the Result of the Convention.

EDMONDS NOT A CANDIDATE.

Pixley of Calaveras Complimented by the Blaine Managers.

THE CANDIDACY OF WASHBURN.

Evident Weakening of the Grant Boom - Blaine Stock Rising.

THE CALIFORNIA DELEGATION.

CHICAGO, May 31st.-The California delegation met at a caucus at the Sherman House this afternoon, Mr. Benson of Alameda, an alternate, taking the place of Alexander Sharon. Frank M. Pixley was elected Chairman. Judge Payne of Santa Clara was then chosen to represent California in the Committee on Resolutions in the National Convention.

At the Grand Pacific Hotel 400 were newly registered, among them Colonel R. G. Ingersoll, who will speak to-night at the anti-Grant meeting, provided the weather clears, which now seems improbable. It is believed four-fifths of the delegates are now on the ground, and a considerable number of the alternates. The New Jersey delegation and most of the Illinois delegates arrived this morning.

Nothing definite has transpired as to the action of the National Committee to be taken this evening, but the streets are full of rumors, which mention a compromise, the abolition of the unit rule, the deposition of Grant, and many other expedients for settling the question of the unit rule.

ESTIMATES OF VOTES IN THE CONVENTION. CHICAGO, May 31st.-Following are the estimates of the more ardent friends of the several Presidential candidates of the votes in the National Convention: Blaine men estimate for Blaine 324 votes, for Grant 276, for Sherman 101, for Edmunds 32, for Washburn 11, for Blaine 109, for Sherman 103, for Edmunds 25, for Washburn 13. The Sherman estimate gives him 227 votes.

It still seems to be regarded probable that Grant will be nominated unless the unit rule is smashed.

Among the speakers at the anti-Grant mass meeting this evening will be Colonel Robert G. Ingersoll, Hon. Eugene Hale and Governor Daniel F. Davis of Maine, and Hon. Lewis Parker, who has the reputation of being the sharpest and wittiest public speaker in the State of Maine. If the weather is rainy it will be held in Faneuil Hall.

BLAINE AND HIS LIEUTENANTS. The Blaine managers are in close and constant communication with their great chief. The telegraphic instrument in the rooms occupied by Chandler, Hale and Frye is in constant use, sending and receiving dispatches from the Senator, who sits in his study at Washington, and the other instruments of everything that is going on. His friends continue enthusiastic, and his showed managers are leaving no stone unturned to increase his chances, and if possible bring his nomination. They claim that his forces are stronger, numerically and every other way, than they have ever been, and that the prospect of his nomination is brighter and brighter. They assert that the delegations sent here with him as their preference will stand as firm as a rock and a solid and immovable phalanx in the Convention. It is not surprising already beaten, and they now have more than four from Sherman or Edmunds or Washburne than from the conquest of Lee. This may be brag, but there is no doubt many Blaine men sincerely believe it. His managers state that all they ask is fair play and no favors in the Convention.

EDMONDS NOT A CANDIDATE. CHICAGO, May 31st.-A letter has been received by Judge Hoar from Senator Edmunds, declining absolutely to all the use of his name as candidate for President. The friends of General Grant believe this will help them, while the Vermont delegates, although refusing to vote with their second choice, will say they will not vote for Grant. A Massachusetts delegate said today that Edmunds' withdrawal would add twenty votes to Sherman's score.

THE SOCIETY OF DELEGATES. Have been an object of great solicitude and devoted attention for forty-eight hours past. It is claimed by the Grant men that they have gained in that quarter—a claim which the friends of other candidates refuse to allow. The principal candidates have very active and very confident friends, and so far as can be learned there is no giving way in any quarter as yet.

A large delegation from Philadelphia with white hats arrived to-day, and were received with a band and other demonstrations of welcome. Cincinnati furnished another large delegation, which was received in like manner.

GRANT AND ANTI-GRANT. The evening proved to be a fine one, and at an early hour a large crowd of people poured from the trains and streets, and came from the extreme parts of the city in masses to attend the two meetings on the lake shore. The meeting of Grant's supporters was held in Dearborn Park, and the anti-Grant meeting just across the street, in the base ball grounds. The speakers announced for the Grant meeting were Senators Conkling, Logan, Carpenter, S. L. Woodford of New York, Leonard Sweet, Emory A. Storrs, Robert T. Lincoln and S. A. Douglas. As for the anti-Grant meeting the speakers were Colonel R. Ingersoll, Daves of Maine, Fred. Haswacker of Connecticut, Wayne McVeigh, Louis Parker, Gibson of Ohio and others.

WASHBURN'S CANDIDACY. CHICAGO, May 31st.-The Evening Journal, a Washburne paper, says: A free conversation with the more intelligent of the "stewart" delegates now in the city from various States encourages us to believe that the nomination of Washburne, the man who can be and would be elected, will probably be the coming man. The Connecticut, California, Vermont, Wisconsin and Iowa delegations assure us that Washburne will receive their united votes as second choice. About half of the Texas delegates, aware of the preference of hosts of Germans in that State, declare that Washburne is their second choice. There are very ardent supporters of Washburne in Massachusetts, New Jersey, New York, Pennsylvania and Indiana delegations. The second choice of Michigan, Vermont and New Hampshire is Washburne, and as soon as they shall have done their duty for Winchell the Minnesota delegation will be for Washburne.

ANOTHER ACCOUNT OF THE CAUCUS OF THE CALIFORNIA DELEGATION. CHICAGO, May 31st.-The California delegation held a caucus at the Sherman House this afternoon, Mr. Benson of Alameda, an alternate, taking the place of Alexander Sharon. Frank M. Pixley was elected Chairman. Judge Payne of Santa Clara was then chosen to represent California in the Committee on Resolutions in the National Convention.
