THE DAILY RECORD-UNION.

SATURDAY..........AUGUST 21, 1880.

OUT OF THE WINDOW.

Out of the window she leaned and laughed,
 A girl's laugh, idle and foolish and sweet—
Foolish and idle, it drooped like a call
 Into the crowded, noisy street.

Up he glanced at the glancing face.
 Who had caught the laugh as it fluttered and fell,
And eye to eye for a moment there
 They held each other as if by spell.

All in a moment passing there—
 And into her idle empty day,
All in that moment something new
 Suddenly seemed to find its way.

And through and through the clamorous hour
 That made his clamorous, busy day,
A girl's laugh, idle and foolish and sweet,
 Into every bargain found its way.

And through and through the crowds of the streets,
 At every window in passing by,
He looked a moment, and seemed to see
 A pair of eyes like the morning sky.

SAN FRANCISCO MARKET REVIEW.

[REPORTED FOR THE SACRAMENTO RECORD-UNION.]

SAN FRANCISCO, August 19, 1880.

The business situation is not materially changed. There has been much speculation relative to the expected arrival of the Chinese trading steamer, but generally commercial men see nothing in the new movement of China to affect the business relations of the port and coast except to the enlargement of the trade area and an increase of the volume of trade. Grain comes in freely, but goes mostly to warehouses. Shippers hold off and farmers are reticent, though evidently regretting refusal of offers at $1 50@1 55 for entire wheat crops, and are shipping on their own account abroad. The *Herald* has these remarks to-day: "At this writing good fair shipping wheat can be bought in the open market at $1 40@1 45, while millers pay $1 50@1 55 per cental for the cream of the offerings. It is said that the crops are turning out better and better, the yield being surprisingly large. The present difficulty experienced by the farmer is the scarcity of steam thrashers, and that instead of thrashing and sacking the grain as heretofore immediately on cutting many are now compelled to stack it in sheaves until some time in the near future; hence it is that the present demand for bags is so small. Heretofore wheat in sacks was piled and corded up for miles along the river banks and at the railroad depots, etc., awaiting transportation to tide-water, but now quite the reverse is the case." Barley is free, prices low; distillers buy at 80@85c per cental. Rye brings a good price. Hops (new crop) are in demand. Oats find ready sale. Exports have kept up to average. But few grain charters have been written. English orders for wheat are limited to 43s. Wheat at $1 40 at 57s 6d@60s for freight leaves no profit to the exporter. Says the *Market Review*: "There is a growing belief upon 'Change that wheat must decline yet more with us before any export business of magnitude can be done. The tonnage supply en route or in sight to arrive this year only foots up 200,000 registered tons, which is less than at like period for the past two years, and with our immense surplus crop, Oregon included, we will have at least 1,000,000 tons of breadstuff to export during the current harvest year." The engagements for this week have been Br. ship Cashmere, 1245, wheat and merchandise to Liverpool, £2 19s; ship Carrie Clark, 1326, wheat and merchandise to Liverpool, £2 16s 6d; ship Paramita, 1573, wheat and merchandise to Liverpool, £2 16s 6d, and others with merchandise, but the above show the current rates. Money is plentiful and looks in vain for investment; much is locked up in 4 per cents because no local openings offer.

The following are the latest telegraphic quotations: NEW YORK, August 18th.—Wheat, $1 05@1 09; Hides, 22½@23c; Wool, spring, fine, 33@40c, burry, 20@28c, pulled, 40@50c, fall clip, 28@36c, burry fall clip, 16@19c.

LIVERPOOL, August 18th.—California Wheat, 9s 9d @10s 2d; Red American Spring, 8s 5d@9s 2d; California cargoes off coast, 44s 6d; California cargoes just shipped, 43s; California cargoes nearly due, 44s 6d.

GENERAL MERCHANDISE.

BAGS AND BAGGING—The market for Wheat Bags is said to be fairly active. The combinationists are holding local made at 11c and Calcutta-made at 11½c. It is understood that outside lots can be had at a slight concession. On the 16th a lot of 55,000 was put in the auction room, and 5,000 sold at 10½c. To-day 100,000 will be offered. The local factory Oakland is still closed on account of small-pox, and there are fears that it may not be opened in time to contribute to this season's demand. Wool Bags are quoted at 47½@52½c; Potato Gunnies, 23½@14c; Hop Cloth, 13½@14½c. At the auction sale to-day only 10 bales sold at $9 90 ꝑ hundred; remainder withdrawn.

BROOMS—The price list of the Vallejo Broom Factory is as follows: Common, $2@3 50; other long-handled kinds, $3@5 50 ꝑ dozen.

CANDLES—Following are quotations for Eastern brands in round lots: Grant's Stearic Acid, 14-oz, 14c; Gross & Co.'s Adamantine, 14 oz, 13@14c; Harkness' Patent Wax, 19c; Mitchell's Adamantine, 17c for 14 oz and 18c for 16 oz; Proctor & Gamble's Stearic Acid, 14 oz, 17c; Rope's, 10@14c for the two styles; Schaefer's Stearic Acid, 14 oz, 15c, and 12 oz Star, 10c; U. S. Candle Company's 11 oz, 10c; Werk's Stearic Acid, 17½@18c for 16 oz and 16c for 14 oz; W. H. Woods & Co.'s Shield, 14@14½c, and Solar Wax, 16@16½c, both full weight; Woods & Conihan's 12 oz, 10@10½c; Paraffine, 22@25c; Sperm, 25@30c.

CASE GOODS—Following are approximate quotations: Eastern Oysters, $1 50@2 50 ꝑ dozen 1-lb cans; Clams, $2 50@2 75; Lobsters, $3@3 25; Turkey and Chicken, $3 50@4; Eastern Green Corn, $2@2 25; Eastern Green Peas, $2@2 25.

FISH—500 cs Oregon Canned Salmon, future delivery, $1 12½. The market for Canned Salmon is quite irregular. It is pretty well conceded that instead of a shortage of 56,000 cases on the Columbia river, as compared with last year, there has been an excess of 100,000 cases. This fact naturally tends to make buyers cautious. There was another cargo of Pacific Codfish arrived from the Choumagin Islands, quoted in lots to the trade at 4½c in 5-lb bdls, 5c for selected in 100-lb cases, and 6c for boneless; Eastern Codfish, 7@7½c ꝑ lb; Smoked Herring, 65@70c for Eastern and 45@50c for Puget Sound; Dutch Herring, $1 75@1 90 ꝑ keg; Mackerel, $1 65@1 80 for No. 1 in 15-lb kits, and $3 25 for Mess in 15-lb kits.

SPINNEY will guarantee to forfeit $500 for every case of Seminal Weakness or Private Disease of any kind or character which he undertakes and fails to cure.

MIDDLE-AGED MEN.

There are many at the age of thirty to sixty who are troubled with too frequent evacuation of the bladder, often accompanied by a slight smarting or burning sensation, and a weakening of the system in a manner the patient cannot account for. On examining the urinary deposits a ropy sediment will often be found, and sometimes small particles of albumen will appear, or the color will be of a thin milkish hue, again changing to a dark and torpid appearance. There are many men who die of this difficulty, ignorant of the cause, which is the second stage of seminal weakness. Dr. S. will guarantee a perfect cure in all such cases, and a healthy restoration of the genito-urinary organs.

THE OREGON
CELEBRATED

Diuretic
KIDNEY TEA.

Kind nature's own remedy—her "last, best gift to man." A plant which grows in mountain fastnesses, seldom trodden by human foot.

There are thousands afflicted with diseases of the Kidneys or Urinary Organs who suffer in silence rather than to make known their troubles. Others seek relief by the use of various patent medicines, which, if they do not aggravate the disease at least do not lessen it. Even those who secure the advice of physicians often fail to get relief, owing to the very complicated and delicate nature of the organs affected. The OREGON KIDNEY TEA is a strictly vegetable production, and will not injure the smallest child, nor the most delicate woman, but will cure Pain in the Back and Kidneys, non-retention of Urine, Diabetes, Inflammation of the Bladder or Kidneys, Brick Dust Deposit in Urine, Leucorrhoea, Painful or Suppressed Menstruation, and all complaints arising from a diseased or debilitated state of the kidneys or urinary organs of either sex.
