## HALE & CO., CRITERION STORE.

"Surely you don't suppose that little place up on K street can do better for you than we can!"

Such was the remark made a few days ago by a Merchant in Sacramento to one of his patrons, the result being that the lady so addressed decided to visit the store of HALE BROS. & CO., and be convinced to her own satisfaction, either for or against us.

THE LADY REPEATED THE REMARK TO US, and seemed surprised because we did not start in to preach her a sermon, such as is customary in some Sacramento Business Houses, to prove that we can sell lower than others.

We simply said in reply, that WE WOULD NOT JOIN IN THE ABSURD CHORUS that is kept up by the Stores in town—each House claiming that they have the Lowest Prices on record; but, instead of doing so, we would ask her to

## Examine Our Goods,

Compare Our Prices,

And if she found we could not carry out what we advertised, then certainly we could not expect her trade.

WE DON'T BELIEVE IN TALKING OUR FRIENDS TO DEATH, And instead of preaching them sermons when they visit us, we shall endeavor to meet their wishes in a business-like manner, postponing our special explanations of the "Why and the Wherefore" to be placed before the public in the double column reserved for us daily in this paper.

Therefore, if any lady desires to test us and examine our prices, we shall be glad to pay her every attention, allowing her to quietly form her own judgment on the results of the visit.

No visitor is asked to buy or urged in any way, and OUR SALESMEN ARE NOT JUDGED BY THE AMOUNT OF GOODS THEY SELL. Our aim is to make known our prices and methods, for we are sure that

## PRICES WILL TELL,

Straightforward Dealing will Succeed!

We fear no competition; we are here to meet it, and we will now volunteer a few suggestions that the unwise Merchant may reflect upon, in reply to his remark which heads this column:

DOES HE KNOW that though we don't keep a heavy stock, we do keep a well-assorted one, and it is rarely any lady need leave us unsatisfied, which is more than can be said by others who claim more than we?

DOES HE KNOW that though our Store now is only 20x100 feet—that it is only the thin end of a big wedge; and we shall yet grow larger?

DOES HE KNOW that if our own Stores—now in active and healthy operation in FIVE COUNTIES in California—were placed together, they would be larger than the largest Wholesale or Retail House in Sacramento?

DOES HE KNOW that we aim only to make a fair rate of interest on the Capital invested, and that our Capital is as large as we can readily use?

DOES HE KNOW that to supply all our Houses we have to buy heavily, and that we buy them for CASH ONLY, which he cannot do?

DOES HE KNOW that most of our goods are from the Eastern Market direct, while his are mostly from San Francisco, where he pays an extra profit to the Wholesale buyers beyond what we do?

DOES HE KNOW that we did not enter Sacramento to be underbid, but to undersell?

DOES HE KNOW that we are Eastern men, with Eastern push, vigor, and some mixture of prudence? And, finally—

DOES HE KNOW that in spite of his envy our business is steadily increasing, and the public are proving us worthy of confidence? And they will have reason to have faith in us while we continue to be
