MECHANICS' STORE

THE LEGISLATURE.

SATURDAY'S NEWS.

Upon the Threshold of Time Steps 1881,

NEW YEAR.

Each one naturally reflects upon the course that probably lies before him in the unknown sea of the future.

In Considering Our Position,

WE HAVE TO--

RETURN OUR THANKS

To those who have so steadily aided us in our progress in Sacramento by INVESTIGATING THE TRUTH OF OUR CLAIMS, and as a reasonable result, PURCHASING REGULARLY AT OUR HOUSE.

We look back with satisfaction upon the success of our career in this city, and would remind the public that our House is to-day THE MOST TALKED OF IN SACRAMENTO, AND DOING A MOST PROSPEROUS TRADE, yet we started here in a small way

ONLY EIGHT MONTHS AGO.

This fact must of itself prove that we have accomplished something more than ordinary in business enterprises, and that we have not been idle or unfaithful in our efforts to place serviceable goods before the public at reasonable prices, and lower than before our arrival here.

THOSE DOUBTFUL OF OUR MERITS

Looked wise, and when our presence began to make itself felt, declared that the novelty of a new store and our method of action attracted curious people, for "NOVELTY IS THE THING THAT TAKES." Our business has ceased to be a "Novelty" in that sense of the word, for we have purchased a large property and settled down in Sacramento to remain in it, but STILL OUR BUSINESS STEADILY PROGRESSES, and now the mistaken prophets are coming around to FIND OUT WHY THEY WERE WRONG and enroll themselves as purchasers at our House, investigation proving that

Our Claims are not Humbug, BUT ARE REAL AND TRUE.

Looking forward to what may come, we are more than ever determined

To Make of the Future a Success

And we will leave no stone unturned to ACCOMPLISH OUR PURPOSES more fully as the days go by, that purpose being to give the public the

BEST VALUE FOR THEIR MONEY

THAT THEY HAVE EVER RECEIVED.

Our course of action will daily prove this, and we point to what we have already accomplished in one line of goods alone as a proof that WE ASK ONLY TO BE JUDGED BY OUR ACTIONS, for there is no need to rely upon our promises, as they merely foreshadow in truth what we will accomplish in reality.

In order that we may still further yield to the public every advantage that we are able to offer in our lines of goods, we have decided to

ADOP A MEASURE

Which will enable us to reduce the prices on sundry items, and give change DOWN TO THE LAST CENT for all goods bought of us.

All the advantages are in favor of the merchant and against the customer under a system in which five-cent pieces are the smallest coins in circulation.

There is no reason, however, why Sacramento should be behind the age and behind the cities of the East in the facilities for doing a retail business, and as we believe the general opinion of the community is in favor of "SAVING THE PENNIES AND THE DOLLARS WILL TAKE CARE OF THEMSELVES," we have decided that in future OUR customers, at least, will get such benefits as result from a simpler and smaller medium of exchange than at present, and

FROM JANUARY 1, '81,

We shall use in change and take in payment the

ONE-CENT COINS OF THE UNITED STATES,

Fixing our prices where possible so that our friends may save thereby in making their purchases.

Dry Goods and Fancy Goods, CORNER NINTH AND K STS., SACRAMENTO

Weinstock & Lubin, ONE PRICE! Image of a man carrying a large bundle on his back.

DEALERS should pay attention to the fact that we offer special facilities to purchasers.

OUR WHOLESALE DEPARTMENT

Is conducted on the same principles as the retail. We have but

Table with columns of numbers and letters (O, N, R, E) representing prices or inventory.

And Each Sample is Marked with the Selling Price in PLAIN FIGURES!

Orders are generally filled on the same day as received.

There are two other reasons why dealers will find it to their advantage to send their orders to us. FIRST, we carry the following lines:

Dry Goods, Fancy Goods, Notions, Men's Clothing, Boys' Clothing, Furnishing Goods, Trunks & Valises, Hats, Millinery, Boots and Shoes.

We Break Packages,

Sell in Quantities to Suit the Purchasers.

Hence, those desiring a large variety for a limited amount of money, can do no better elsewhere, and in many instances may not be able to do as well.

Weinstock & Lubin, PROPRIETORS, MECHANICS' STORE!
