HALE BROS. & CO.

WE DO NOT WISH TO USE THIS SPACE

AT THE PRESENT TIME

For An Ordinary Advertisement;

But we occupy it differently, because we deem it the best means of saying to the public, in the most emphatic manner, what we have to state upon a peculiarly delicate subject.

A CARD!

We regret to learn that through some cause for which we cannot account, and from some source that we are unable to trace, but which would seem to find its origin in a malicious and unfriendly feeling against us in some quarter,

A REPORT HAS GAINED GROUND,

Not touching us in our capacity as business men, and which, from a strictly business point of view, we might allow to pass without referring to it, BUT WHICH WE DESIRE TO STAMP OUT before it gains any considerable currency among the thinking portion of the community.

WITHOUT MINCING MATTERS,

We may state that the report in question is to the effect that our attitude towards the Jewish people is one of hostility, and that we are here

To Run Out the Jewish Merchants!

We desire to say, flatly and distinctly, that such is by no means the case. We are not pleased that any should have mistaken our business here to be founded upon narrow, intolerant, and un-American springs of action. We entertain no such ambition, and cherish no hopes for any such results to arise from our progress in Sacramento.

Differences in religious creeds, race prejudices, and purely political beliefs are matters that no business men of liberal views will allow to enter into their considerations of business procedure, and, in this advanced age, we don't propose to allow a report to gain credence that we have gone one hundred years behind the times, and now cherish prejudices unworthy of our forefathers.

WE DO NOT SOLICIT THE SPECIAL FAVOR OF ANY CLASS OR ANY CREED. We have respect for all sincere beliefs, and for all honorable men. In social converse and business intercourse, we have mingled freely beyond the bounds of what beliefs we may be devoted to. If we are capable of carrying on a successful business, our views must of necessity be broad enough to reject ideas that are weak, intolerant and sectional. None are more avowedly hostile to bigotry or nonsensical exclusiveness than we are.

All this we say, not for effect, or as a hint at explanation or apology, but that the subject has been several times lately brought before us, and we dislike the NARROWNESS OF SOUL AND EDUCATION that the expressions imply.

OUR PRESENCE IN SACRAMENTO IS FROM PURELY MERCANTILE CAUSES. We had some money to invest, and seeking a field for business activity we decided that this was a center in which we could, with our unusual facilities, establish ultimately a permanent and healthy business, yielding a reasonable interest on the capital invested, and at the same time giving the public the best value for the money that they had ever received.

We have Purchased a Property Here,

And henceforth our interests are identical with those of Sacramento. With our fellow-citizens we therefore desire to have no quarrel from any cause. We aim to build up a business upon sound principles, minding our own affairs exclusively, and hoping that by the shrewd and able manner in which we may conduct our business, we will command the support and trade of all classes of the community. We have no quarrel against those in rivalry with us. Nothing but earnest endeavor will result in success, and all are entitled to a place in the race.

These are our views, and we wish them understood, in view of some reports to the contrary. VERY RESPECTFULLY,

Hale Bros.
