The public know that we have ten thousand articles not mentioned in our programme, but we vouch that the whole of our stock will be in proportion to the above list.

WEINSTOCK & LUBIN

MECHANICS' STORE!

LADIES' CHEMISE, TUCKED AND EMBROIDERED, WELL MADE IN EVERY RESPECT, \$1.

In dressing our Dry Goods Window last, we displayed a piece of our 50 cent BLACK SATIN; the result is that there is but little of it left. If you are interested in this article, call soon.

In our last announcement, we mentioned a LADIES' LINEN DUSTER for \$1. We have also quite a nice Duster made of Poplin-price the same.

Quite a good supply of TURKEY RED DOILIES, at 37 1/2 cents a dozen. We have some WHITE LINEN left yet, at 50 cents a dozen.

MEN'S WHITE KNIT UNDERSHIRTS-just heavy enough for present temperature, 40 cents each.

OUR GLOVE DEPARTMENT is showing quite a good LISLE THREAD GLOVE for Ladies, in Two Buttons, at 10 cents a pair.

KILT SUITS FOR CHILDREN are becoming more and more popular. We show quite a variety for \$2.25. We have a tasteful KILT, in one piece, made of Imitation Mole-skin, in colors that do not soil easily.

WIRE HAIR BRUSHES.-If you have never used them, try one; they have merit. Our last purchase permits us to sell a good one for 35 cents. NOTION COUNTER.

We keep OSTRICH FEATHER DUSTERS. The industrious Housewife will be pleased to learn that she can get a fair article for 25 cents. NOTION COUNTER.

THE "BERNHARDT" COLLAR, for Ladies; quite stylish. It is made of Victoria Lawn, trimmed all round with Lace, and is much in demand. We keep a fair article for 20 cents; better ones at higher prices, some with Cuffs to match.

THE SHOE that is rapidly taking the place of the Copper-toe, so much worn by children, is the SOLAR-TIP. The Copper-toes have proven objectionable, the copper often corroding, which is likely to reduce it to a green-blue color. The SOLAR-TIP, being made of Solid Sole Leather, wears equally well, presents a neater appearance, and costs no more.

We are selling a real good quality, sizes 4 to 7, in BUTTON SHOES, at \$1.15. So good a quality has not yet been sold at so low a price.

We have but a few left of those LADIES' WHITE SACQUES, for 50 cents each. LADIES' SUIT DEPARTMENT.

CAMEL'S HAIR, 20 cents a yard; it is all wool, and in the prevailing Light Shades.

MEN'S BROAD-BRIMMED INDIA PANAMA HAT, good for Fishing Excursions or Harvesting, 15 cents.

It is not All-wool, but has just about enough Cotton in it to make it strong and serviceable. BOYS' SUITS, ages 10 to 15, Dark Gray Striped-the price is \$6. It will stand the test of hard knocks and rough usage.

AN ALL-LINEN CRASH, for Kitchen and Roller Towels, 19 inches wide, 10 cents a yard.

MEN'S FANCY HALF HOSE, 25 cents per pair, in numerous combinations of colors. Just suited to wear with Low-cut Shoes. We consider them good value.

We are offering for \$1 a GOOD AMERICAN KID SLIPPER FOR LADIES. It is trimmed with a Neat Bow and Buckle, lined with Blue. We consider a very good article for the price.

SILVER-GREY IMITATION MACKINAW STRAW HATS FOR YOUTHS, 90 cents. Earlier in the season they sold for more money.

MEN'S SUMMER SUITS, in light-grey mixture, high button; fashionably cut Sack Coat. Not All-wool, but very neat and genteel for street wear. Price, \$7.

We are the only Sacramento Agents for the DOMESTIC PAPER PATTERNS. We aim to carry a very large assortment. If we happen to be out of any desired Pattern, we send for it at once.

Our customers in the country, by ordering early, can receive any of the above items promptly.

OREGON AND WASHINGTON TERRITORY.

Singular Suicide of a Man at Tucson, Arizona.

Disastrous Field Fire-Exciting Experience.

STOCKTON, June 17th.-At 1 o'clock yesterday afternoon as a header on the farm of William Snow, three miles from Milton, was working a wheel struck a flint rock, and a moment the grain flashed into a blaze. The driver of the header undertook to cut around the fire, but it spread so rapidly as to catch him as he fled. He had his hair and whiskers burnt off, but escaped. The header and header wagon were consumed and the team burnt so badly that three of them died, the flesh falling from them. Fifty acres of wheat were consumed on Snow's ranch; also a small house used by the harvesters. On Wilcox's ranch, adjoining three acres of wheat were burned. All the wheat consumed would average thirty bushels to the acre. The fire spread so rapidly as to catch a saddle horse and its blanket on fire, and the animal ran full speed to Snow's barn, which was full of hay, but was driven out before any damage was done.

Synagogue Damaged by Fire-Fireman Injured-Finger Amputated-Thrown From a Buggy.

SAN JOSE, June 17th.-The Jewish Synagogue was partially destroyed by fire at 7 o'clock this evening. Loss, \$750; insured for \$5,500. It is supposed that the fire was caused by a lighted cigar thrown by boys smoking under the altar. John A. Stocklin, a carpenter, and member of Hook and Ladder Company No. 1, attempted to jump on the truck in front of Spry's store, to go to the fire, but fell underneath. The hind wheel passed over his body, breaking two ribs.

Henry Johnson, in the employ of the Madera Flume Company, had his right forefinger amputated this evening. The finger was injured yesterday afternoon while working in a flume in Fresno county by being jammed in a mass of floating lumber.

James Kennedy, father of J. G. Kennedy, Principal of the High School, was thrown from his buggy this morning and received an ugly scalp wound.

Detectives are still working on the Kelly case. The amount of the delinquent and internal revenue accounts will reach \$1,000. It is now known that Kelly left for Oakland on Monday morning. The authorities at Washington have telegraphed for his arrest.

Sawmill Burned.

GRASS VALLEY, June 17th.-The sawmill belonging to J. W. Degolia, near here, was totally destroyed by fire last night. The total loss, including lumber and logs, is \$5,000.

A Blaze at Woodland-Narrow Escape of Two Invalid Ladies.

WOODLAND, June 17th.-A fire this morning destroyed the building occupied by Mrs. Curtis and her daughter, both invalids, who narrowly escaped with their lives, saving nothing. The furniture stored in the house was lost. The loss is about \$3,000; insured in the Phoenix and Home for \$1,350. The origin of the fire is unknown.

Fire Near Chico.

CHICO, June 17th.-At half-past 3 o'clock this morning a fire occurred at the Sibley place, near Chico, now owned by McCormack Brothers, destroying the dwelling and contents. The loss is about \$3,000; insured in the Phoenix and Home for \$1,350. The origin of the fire is unknown.

Fire at Napa.

NAPA, June 17th.-The Washington Hotel and contents were destroyed by fire last night. Loss on furniture, \$1,500; insured for \$1,000 in the Western Fire and Marine Company. The building was well insured in the Western Fire Insurance Company for \$1,000; Commercial, \$2,000; Firemen, \$2,000; Oakland Home, \$1,000. The cause of the fire is unknown.

Teamster Robbed.

AUBURN, June 17th.-Will Hoffman, a teamster for the Sugar Pine mill, coming to Auburn with lumber, was robbed to-day by one man on top of North Park hill on the Forest Hill road. The robber got about \$125.

Butcher Shop Burglarized.

ROCKLETT, June 17th.-Some time during last night burglars effected an entrance to the butcher shop of W. F. Schmetz, in this place, cut open the safe with an ax and made off with about \$100 in coin, a gold ring and half a dozen silver spoons. They then decamped, leaving their implements behind. Suspicion points to three young men who had been hanging about the place for several days, as they were strangers here and all are missing to-day. This is the third attempt to rob the same safe within a few months; the other two having been unsuccessful.

Murder at Bakersfield.

BAKERSFIELD, June 17th.-About 10 o'clock A. M. to-day H. W. Blidworth shot and killed Mexican Paro, a Mexican restaurant keeper. Blidworth surrendered to the Sheriff. The coroner's jury held Blidworth to answer for murder.

Injunction Stayed-Overjoyed Hydraulic Miners.

NEYADA, June 17th.-Great enthusiasm and good feeling prevails here over the receipt of the news that the Supreme Court had stayed the injunction in the case of the City of Marysville vs. the North Bloomfield Mining Company. This evening a salute was fired and a band of music played upon the streets. The hydraulic mines will be started up at once.

Pedestrianism at Marysville.

MARYSVILLE, June 17th.-In the 27-hour pedestrian contest, which began at 8 o'clock this evening, Wilson, Guerrero and Frear left the track at 9:45 for an hour and a half for a local race for the local championship of Yuba county, in which there were ten contestants. The score stood: Guerrero, 8 miles, 20 laps; Wilson, 8 miles, 19 laps; Frear, 8 miles, 8 laps. In the running contest of two hours-one hour each evening-between Amy Howard of San Francisco and Mike Depanger of this city, for a purse of \$25, the score stands: Amy Howard, 7 miles and 7 laps; Depanger, 7 miles and 3 laps. The track was surveyed by County Surveyor Johnson previous to the race, and measures 30 laps to the mile.

Advice from Portland.

PORTLAND, June 17th.-Lieutenant Fred Schwatka, of Arctic exploring fame, who was expected to visit this department this summer, has rejoined his company, the Third Cavalry, at Fort A. D. Russell, Wyoming. Lieutenant Schwatka writes that owing to his extreme poor health he will have to defer a visit to his old home in Salem for the present.

Some activity prevails in the local wheat market, and quotations have risen from \$1.32 per cental to \$1.35 1/2 per cental, the latter being the extreme figure and paid only on one or two instances for an extra fine lot. All the canneries on the Columbia river are

behind on the season's work. There has been a great variation in the catch during the past week. The daily average of the boats has been ten to twenty-five. The average for the week has been about seventeen. As we have had no flood of consequence this year, no extra run is expected in July.

The wool market has been active during the past week, and sales have been liberal. Though equal to last week, a larger part of the business of the week has been in medium grades of eastern Oregon wool at 21@22 1/2c, while the better grades have sold at 23@24c, though offerings are very light of this class of wool. Eastern Oregon, 180@24c; valley, 20@27 1/2c.

(SECOND DISPATCH.)

PORTLAND, June 17th.-The Grand Jury of the State Circuit Court adjourned this evening. During its labors 38 indictments were returned and 13 bills were ignored.

A man named Thomas Jackson has been arrested here on suspicion of being the villain who outraged the little six-year-old daughter of M. Andrews a few days ago. The Grand Jury returned a true bill against Jackson. There is some doubt about Jackson being the right person, but the matter will be thoroughly investigated.

Mrs. L. Ekins, wife of Hon. Luther Ekins, an old pioneer of Linn county, died at her home in Lebanon yesterday, at the age of 75 years.

Abel Nelson, the young man who was run over near Independence, Polk county, a few days ago, by a grain roller, died from the effects yesterday.

W. W. Francis, the man who suddenly and mysteriously disappeared from his home in Halsey, Linn county, some days ago, has returned. For a time it was supposed that Francis had been murdered, but it soon became evident that he had skipped the country. Francis tells a very thin story about the whole mystery. He says he met a man and woman on the highway, and that the man shot at him with a pistol; he was thrown from his horse, and remembers nothing until he found himself alone in the mountains. He was badly wounded, but he lives for some days on berries and herbs, and finally wandered back to the settlements. He claimed that he had been robbed of all his money. Some think Francis is insane, and others think he is feigning.

A four-year-old daughter of Martin Thompson was drowned yesterday in White Salmon river. Kilkittat county, W. T. The child was playing on the bank of the stream, and fell into the water. An unavailing search was made for the body.

The notorious Turner robbers were on trial yesterday at Salem. Bradshaw entered a plea of guilty on one of the three indictments against him, and not guilty on the other two. He was tried on the latter two and convicted on both, and then pleaded guilty on all three indictments. Both prisoners were sentenced to five years on the first indictment, and it is thought they will get five more each on the other two, though it is possible that Clemens, in consequence of his illness, which saved the Court some trouble, may get off with some years less and Bradshaw get a few years more. The latter thinks he will get twenty years still. The weather is cool and awful.

Killed by Sheep Shears-Fatal Saloon Row-Leg Broken.

THE DALLAS, June 17th.-Frank Driver, a young man 20 years of age, was killed last Tuesday, at Antelope, in this county, by being a pair of sheep shears in the hands of a comrade kicked by a sheep into his left side. Both men were close together at the time shearing sheep. Driver received in the leg for the past two years, and is known to some of our citizens. He is a nephew of Rev. I. D. Driver.

A man by the name of Pat Burns was shot at the saloon at tunnel No. 1 early this morning by William Pierce. Both men were intoxicated at the time, and Burns ran the men out of the saloon, cutting one in the name of Quinn in the neck. Pierce came in again and was attacked by Burns with a knife, when the former disarmed him and ran a hot-gun into Burns' left side. Pierce walked into town to-day and delivered himself into the custody of Sheriff Storey to await examination, when he will be tried tomorrow, when the particulars will be given.

Burns is a young man about 30, and Pierce 28. Both were at work in the tunnel. A little son of Mr. Gibbs, aged 10 years, residing at the Garrison, was thrown from a horse to-day and had his leg broken.

The Faige Trial.

PENDLETON, June 17th.-Evidence for the defendant in the case of the State vs. Faige was closed at 3 P. M. and testimony in rebuttal is now being introduced. The probabilities favor an acquittal or a disagreement of the jury.

WASHINGTON TERRITORY.

Death from Exposure-Dwelling Burned.

PORT TOWNSEND, June 16th.-A man named Coleman, while endeavoring to swim to his drifting boat on last Tuesday at Port Angeles, was overcome by exposure, and perished from exposure. He leaves a little orphan girl in this city. It is thought his mother resides somewhere in England.

A fire occurred last evening in the dwelling known as the McCurdy House, in Katzville, inhabited by Mr. Crouten and family. The fire originated in a defective stove. The family only had time to save part of their property before the entire house was in flames. The building was fully insured.

Recovery of a Kidnaped Child.

SEATTLE, June 17th.-Some two years ago the wife of John Coningham, of San Francisco, obtained a divorce from her husband, on the ground of ill treatment, the Court giving to her the custody of their child, a girl about 6 years of age. Several months after the divorce was obtained the child, while out at play, suddenly disappeared. It was subsequently ascertained that the father had clandestinely taken the child to San Francisco, which led the mother to believe that he had kidnaped the child. Every effort was made to discover his whereabouts, but without avail. Several months ago the husband, a friend at Portland, Or., who had just returned from eastern Washington Territory, wrote to the mother at San Francisco that the child and father were living in this place under the name of John Coleman and daughter, it being understood that the child's mother was dead. Upon this information Edward Schimmelfennig, brother of Mrs. Coningham, left immediately for Dayton. Upon arriving there he found that Coningham, alias Coleman, had left with the child for Puget Sound, whereupon Schimmelfennig
