HALE BROS. & CO.

WE ARE GOING

SPEND TWO WEEKS

In Preparations of a Sale, NOT GREAT OR GRAND,

But such a stupendous sale that it will reach far and near, and be echoed from ear to ear until the whole surrounding country will be uprising and marching on to clothe themselves in the

CHOICEST STOCKS IN SACRAMENTO,

-AT THE-

Ridiculously Low Prices we Propose to Sell Them.

YOU ALL KNOW OUR REASONS FOR THE

TWO CLEARANCE SALES

WE HAVE EACH YEAR!

We have defined our position to you before, clearly and distinctly: At the end of each season we close out our goods, that we may be able to show you the more seasonable goods later on. This is a time-honored principle practiced by the foremost business men of our day, such as Clafin, Jeffrey, Teffts, Buckley, Botts and others of New York.

We say this much to the people for ourselves, and we are fully aware that spurious imitation sales will at once commence in perhaps a half dozen other houses, for the simple reason that they attempt to compete. Very well, gentlemen, go ahead. We know that no feeble efforts can interfere with the immense boom we have in preparation.

Our Sale COMMENCES MONDAY, JANUARY 8, 1883!

Country Orders receive careful attention, and filled promptly.

March on, March on to Victory!

Utmost date of November 21, 1882, Mr. Albert W. Handy, of Pratt & Whitney Company, Hartford, Conn., writes:

"Having been a great sufferer from a severe attack of Kidney Disease, and endured for a long time the intense pain, many aches, and extreme weakness that always attend this dread disease, including the terrible backache, after trying doctors' prescriptions and many other so-called cures, without gaining any benefit, I was finally persuaded to take Hunt's Remedy, and after using it a very short time I find myself entirely relieved from the backache and other pains, and, better than all the other improvements in my general health, my Kidney Disease is cured. It affords me great pleasure to recommend Hunt's Remedy to all who may be suffering as I have been, and it is a safe and reliable medicine for Kidney Disease."

Forest Indorsement. C. T. MERRIS, of Providence, R. I., says: "Believing, as I do, that an honest inquirer of all you claim for the virtues of Hunt's Remedy I wish please attest to the fact that its action in restoring a healthy condition to diseased Kidneys and Liver is, in my case, little less than miraculous."

"So say we all of us, One, two, three, four of us."

And so on up to thousands, that Hunt's Remedy is incomparably the best Kidney and Liver medicine known.

STRENGTH

to vigorously push a business, strength to study a profession, strength to regulate a household, strength to do a day's labor without physical pain. All this represents what is wanted, in the often heard expression, "Oh! I wish I had the strength!" If you are broken down, have not energy, or feel as if life was hardly worth living, you can be relieved and restored to robust health and strength by taking BROWN'S IRON BITTERS, which is a true tonic, a medicine universally recommended for all wasting diseases.

son N. Fremont St., Baltimore. During the war, I was injured in the stomach by a piece of a shell, and have suffered from it ever since. About four years ago I brought on paralysis, which kept me in bed six months, and the best doctors of the city said I could not live. I suffered fearfully from indigestion, and for over two years could not eat solid food and for a large portion of the time was unable to retain even liquid nourishment. I tried Brown's Iron Bitters and now after taking two bottles I am able to get up and go around and am rapidly improving. G. DECKER.

BROWN'S IRON BITTERS is a complete and sure remedy for Indigestion, Dyspepsia, Malaria, Weakness and all diseases requiring a true, reliable, non-alcoholic tonic. It enriches the blood, gives new life to the muscles and tone to the nerves.
