Rescued from the Jaws of Death.

Verdict of Thousands.

Mrs. R. W. TAYLOR, of Milton, Penn., writes, November 16, 1882:—

"I enclose please find postal order for five dollars and twenty-five cents, for half a dozen bottles of Hunt's Remedy. I keep a grocery here, and sell more of your medicine than any drug store, as I recommend it to all afflicted with Kidney Disease or Dropsy. I tell them that, if they have life enough to swallow it, it will save them from the dead for a fact; for it did raise me from that stumbling block, and, although this was over three years ago, I have had no kidney trouble since. Like the woman in Scripture, I had recourse to many physicians, and gave nothing better, but ever worse. But thanks to Hunt's Remedy, I am raised as one from the dead."

The Most Skeptical Convinced.

Thousands feel a thrill of joy whenever they gaze upon the magic words, "Hunt's Remedy," for it is the best Kidney and Liver medicine ever known, and it secures to memory the blessing it has proved to them. It is a positive remedy for all Diseases of the Kidneys, Bladder and Urinary Organs. The proprietors' names should be written in letters of gold, for few men have done so much for their suffering fellow-beings. One trial will convince the most skeptical, enabling them to proclaim to all their friends the many virtues of this great medicine. The demand increases as it becomes known, and where it is best known its sales are the largest. As Mrs. Browning says, "Great is he who uses his greatness for all." This is what the proprietors of Hunt's Remedy do. Their great medicine is for all.—Or. no 12W7E5w1W

San Francisco, January 21.—Much excitement was occasioned this morning on opening Department Five of the Superior Court, when Judge Hunt stated that he had been notified by counsel for defendant in the case of Lewis vs. McCarthy, involving possession of certain horses, that an attempt had been made in the latter case to tamper with the jury, and that the jury had been tampered with.

The San Francisco City Market.

SAN FRANCISCO, January 21.—Money paid today was \$2,000,000, not getting back into circulation through the various municipal departments. The demand on the market is quiet. The market is quiet, but for few men have done so much for their suffering fellow-beings. One trial will convince the most skeptical, enabling them to proclaim to all their friends the many virtues of this great medicine. The demand increases as it becomes known, and where it is best known its sales are the largest. As Mrs. Browning says, "Great is he who uses his greatness for all." A severe Fall—Body Identified—Supreme Court.

SAN FRANCISCO, January 21.—Robert Davis met with a heavy fall this evening near the corner of Washington and Montgomery streets, and badly fractured his leg.

The body of the sailor which was found Monday morning in the bay has been identified as that of John R. Kelly, a native of Russia, 33 years old. He was one of the crew of the schooner Rebecca.

Applicants for admission to the bar will be examined by the Judges of the Supreme Court next Monday, following which the calendar of appeals in criminal cases will be taken up.

Crookedness in the Office of the County Clerk at Oakland.

SAN FRANCISCO, January 21.—About noon today the discovery was made in the office of County Clerk Ryder, of Oakland, that a large number of bogus warrants had been issued on the general fund of Alameda county.

It is a well authenticated fact that many medicines, especially 'bitters,' are nothing but cheap whiskey vilely concocted for use in local option countries. Such is not the case with Brown's Iron Bitters.
