Words of Warning and Comfort.

If you are suffering from poor health or languishing on a bed of sickness, take cheer if you are simply ill, or if you feel weak and debilitated, without clearly knowing why.

If you are a minister and have overtaxed yourself with your pastoral duties, or a mother, worn out with care and work, or a man of business or labor, weakened by the strain of your everyday duties, or a man of letters, tolling over your midnight work, Hop Bitters will strengthen you.

If you are suffering from over-eating or drinking, or any indigestion or constipation, or are young and growing too fast, as is often the case.

Or, if you are in the workshop on the farm, at the desk, anywhere, and feel that your system needs cleansing, toning or strengthening, without delay, take Hop Bitters.

If you are suffering from rheumatism, neuralgia, or any other form of nervous debility, Hop Bitters will give you new life, health and vigor.
