

SATURDAY'S NEWS

Four armed companies of socialists are said to exist in Chicago.

The New York Aldermen have been cited to appear before the Grand Jury today.

Charles Smith and Henry Davis (colored) were drowned by a mob near Clayton, N.C., on Tuesday morning.

An infernal machine was found on the track of the Central Railroad, near Westfield, N.J., on Friday.

George Augustus Salt left England Saturday for New York, and on February 14th leaves San Francisco for Australia.

Philadelphia and Reading collieries, near Shenandoah, Pa., shut down indefinitely Saturday, throwing out of employment 1,000 men and boys.

Deacon O. M. Turner, who eloped with pastor Downs' wife from Riverhead, L. I., has returned to his wife, while the woman has gone back to her parents.

Secretary McCall has ruled that Section 6 of the revised Restriction Act applies only to Chinese merchants coming for the first time to the United States.

The New York state bank statement shows that the reserve has increased \$2,850,000, and that the banks now hold \$109,944,000 in excess of the legal requirements.

The schedule of Messrs. Oplake & Co., of New York, filed by William Post, the assignee, shows debts amounting to \$28,000; nominal assets, \$865,000; actual assets, \$23,000.

Orin Skinner, alias H. M. Sessler, who, it is alleged, swindled a large number of people, including James G. Blaine, was arrested Saturday by officers of New York, in an action begun by H. M. Munsell.

The funeral of the orphan children who lost their lives by the late fire at the Brooklyn Orphan Asylum took place Saturday. The charred remains of twenty-one victims were interred in the cemetery of the Holy Cross.

The Oregon Transcontinental Company announces the floating of a \$10,000,000 collateral trust loan. The old loan of \$8,000,000 has been reduced to \$5,000,000 by taking up some of the collateral loans by note holders.

Representative Randall left Washington Saturday afternoon for New York, accompanied by Mrs. Randall and Representative McAdoo (New Jersey). He has received invitations to extend his tour through about twenty cities in the next few days.

The Warm Springs (N. C.) Hotel was burned Saturday. It was one of the largest hotels in the South. Nothing was saved.

Leon S. Brown, known as "Doc" Brown, Colonel Kumbaugh, who owned two-thirds interest in the hotel, will be rebuilt.

The New York World says that Dr. Mary W. Taylor called at the residence of the Mayor on Friday, to give the President-elect a piece of her mind. She was not admitted, as Cleveland cannot be reached until Saturday.

The Secretary of the Treasury has received a communication from the Secretary of Customs at New Orleans, saying that one Gomez recently left the city for some point on the Gulf coast, with a large sum of money, of getting out a filibustering expedition to Cuba.

Severe and protracted storms have prevailed in the northern portion of Wyoming the past two weeks, and the southern ranges have experienced the heaviest snowfall since the thermometer from 10° to 12° below zero, but the snowfall was comparatively slight, and no damage was done to the stock.

Foreign.

Everything is quiet to be quiet in Korea.

It is asserted that the emeralds in the crown of Empress Eugenie are false.

Great Britain is endeavoring to increase the facilities for coal trading.

Bismarck has urged Ferry to withdraw his opposition to the neutralization of the Suez Canal.

A French syndicate proposes to improve the Nile, in return for large concessions from the Khedive.

Fagnat, the infidel who was paralyzed from the effects of eternal punishment, died in Toronto.

The French Senate has adopted the clause of the budget establishing the principle of the taxation of rights.

The English Treasury papers claim that Gladstone has been outwitted by Bismarck, who has raised the German flag on numerous islands in the North Pacific.

Two of the chief members of the firm of Wolff, brokers of Lemberg, Austria, grain merchants and large importers and exporters, committed suicide, owing to business troubles.

The Berlin National Gazette says that the majority in the Reichstag intends to place new checks upon the operations of the railway and demand for a credit of 50,000,000 marks to conduct explorations in Africa.

before, stamps having already been issued for 4,000,000 cigars.

The Bank Commission has just completed a lengthy tour of examinations in the southern and northern portions of the State. All the banks visited passed successfully.

Of the 110 deaths recorded at the Health Office during the week ending December 26th, 76 were males and 34 females.

The operations of the San Francisco Clearing House are being conducted as follows with the corresponding week last year:

1887. 1884. Exchanges.....\$1,201,318 \$7,819,354 Balances.....1,755,418 1,341,240

At present it looks as though collectors' efforts cannot be expected to make a respectable showing of the National Guard at Washington on the inauguration of President Cleveland.

The Supreme Court has affirmed the order of the Circuit Court in the case of Stephen Jones, the negro who killed his white mistress in the house on Fourth street eighteen months ago.

The lower Court Jones is guilty of murder, and sentenced him to be hanged.

W. N. Burdick, Orlando C. Steady and G. Nicholas, the United States Railroad Commissioners, are in the city to examine 250 miles of the Southern Pacific Railroad between Mojave Junction and Los Angeles.

The New York state bank statement shows that the reserve has increased \$2,850,000, and that the banks now hold \$109,944,000 in excess of the legal requirements.

The schedule of Messrs. Oplake & Co., of New York, filed by William Post, the assignee, shows debts amounting to \$28,000; nominal assets, \$865,000; actual assets, \$23,000.
