THE WORLD'S NEWS.

NEW CIVIL SERVICE RULE ISSUED BY THE PRESIDENT.

Racing Events - Transcontinental Pool-California Raisins-Church Congress.

[SPECIAL DISPATCHES TO THE RECORD-UNION.]

DOMESTIC.

The American Turf. CLEVELAND (O.), October 24.—There is a large attendance at the park this afternoon to witness the trotting contest between Phyllis and Harry Wilkes for a purse of \$1,000 and gate receipts. The weather and track are good. Harry Wilkes won the race in three straight heats. Time, 2:17 1/2-2:20-2:19 1/2.

DETAILS OF THE CONTEST. CLEVELAND, October 24.—Harry Wilkes defeated Phyllis in three straight heats on the Glensville track to-day, winning the \$2,000 purse and ninety per cent. of the gate receipts. The outcome was a genuine surprise to every one who had seen the men dropped a goodly amount of cash on the result. A more disagreeable day can be hardly imagined. It was 2:30 o'clock when Harry Wilkes started the grand stand, with Frank Vanness in the sulky. There was a general clapping of hands, and this was repeated a moment later, when Phyllis came in. The sulky was held by Ed. Bithers holding the reins. Phyllis did not seem in his best form. The first time Bithers drove him under the wire he was downed, but he also seemed lame, although this was hardly perceptible at the start. Wilkes, however, seemed in perfect condition, and in all his practical racing career he has never been so well as to-day. The track was in fair condition when they came out, but grew a little slippery under the steady fall of rain during the practice work. The first heat was run in two and a half minutes, and Phyllis broke before reaching the wire, the horses went away for their first trial. The pools were not doing well. Harry Wilkes had a four score, in two of which Phyllis broke before reaching the wire, the horses went away for their first trial. The pools were not doing well. COMMISSIONER EATON INTERVIEWED. A reporter of the Associated Press called to-day upon Commissioner Eaton in regard to the proposed Civil Service Law, which that rule, "asked the reporter, made on the recommendation of the Commission?" "Eaton" was. "I cannot answer definitely. I have drafts of the rule on the subject made in London before my leaving this country for my summer vacation. The matter was much discussed by the Commission."

"What object will the rule serve?" "I will take off the registers for certification the practice work. WASHINGTON, October 24.—Edward McSweeney, the Irish "suspect," who has been appointed for a position in the custom service at San Francisco, will receive his papers from the Treasury Department to-day, and says he will make no further delay in accepting an appointment under the Government.

It is said at the White House to-day that the President and members of the Cabinet will attend the Virginia State Fair at Richmond on the 24th instant. If the pressure of public business does not prevent. The Acting Third Assistant Postmaster-General has called upon Postmasters for a report of the business of their respective offices. The officers of the Department are not discouraged by the comparatively small business done yesterday at the principal post offices. A special delivery messenger has not yet had an opportunity to acquaint himself with the advantages resulting from the use of the new plan, and believe it will steadily grow in favor as the year advances.

William A. West, of Oxford, Miss., to-day accepted the position of Chief Post-office Inspector, and immediately entered upon his duties. Captain Fred M. Grandall, of the Twenty-fourth Infantry, has been directed by the War Department to carry out the instructions of the Secretary of War, concerning the removal of unauthorized persons on the Cherokee lands in Indian Territory west of the Arkansas river. The order directs the removal of "boomers" and squatters.

The Postmaster General to-day appointed Lee W. Foster fourth-class Postmaster at New York. The President has issued an executive order, directing Dr. E. O. Shakespeare, of Pennsylvania, to proceed, under the direction of the Secretary of War, as a representative of the United States, to Spain and other countries in Europe where the cholera exists, and make an investigation into the cause of the disease, and to report on the removal of the disease, in a full report to be made to Congress during his next session.

THE PRESIDENT TO-DAY appointed Spruille Braden to be Assessor in charge of the assay office at Helena, M. T. California Raisins - Exaggerated Statement. NEW YORK, October 24.—Considerable interest is manifested here by foreign fruit raisin growers, in the price of the California raisins, and the statement made regarding the same by a San Francisco trade circular. California raisins here state that strong efforts have been made by parties interested in the raisin trade, to break the market in order to enable them to buy at their figures; hence the remarkably exaggerated statements which have been circulated regarding the price of California raisins. One-half of that amount is the real value. A prominent house here says the story that 500,000 boxes have been produced by California has no foundation. One-half of that amount is the real value. A prominent house here says the story that 500,000 boxes have been produced by California has no foundation.

PERCENTAGES OF RAILROAD BUSINESS. CHICAGO, October 24.—The management of the roads forming the Colorado-Utah route has agreed to the percentages by which its business shall be governed hereafter. The Rock Island road recently asked for re-division of the earnings of the route, and has filed a notice of withdrawal. The award reached by the managers, without referring to the dispute for arbitration, is as follows: Union, 12 1/2 per cent.; Burlington, 29 7/8; St. Paul, 11 1/2; Northwestern, 12 1/2; Rock Island, 15 1/2; Missouri Pacific, 6 3/4; Wabash, 11 1/2; Rock Island gains 1 1/2 per cent.; Burlington, 1 1/2; St. Paul loses 50 per cent.; Wabash 7 1/2 and Missouri Pacific 1 per cent.

A Duel Being Arranged. WASHINGTON, October 24.—J. Amble Smith, who was assaulted on a train to-day, has challenged John W. Ransburg, of Maryland, a friend of Smith's, is to call upon the Denver and Leadville, who is his second, that the preliminaries for a fight may be arranged at once. Smith is also a Republican, but is opposed to Mahone's methods in that State, and has said many times that he would not support Wise.

The Health Failure - Immense Liabilities. NEW YORK, October 24.—The Tribune to-day publishes a notice that the Republic of New Health & Co. is Giovanni E. Moroni, a partner in the well-known firm of W. E. Connor & Co., who became famous by his connection with Jay Gould. His claim against the firm is about \$500,000, which he has no security of any kind. Among other large creditors are: Jay Gould \$200,000; Jax T. Low, formerly of the dry goods firm of Low, Hartman & Co., and father of the present head of the firm, about \$400,000; Addison Cam-

mack, \$300,000, and William L. Scott, of Erie, Pa., \$200,000. In addition to these, the firm of Soutler & Co., which failed on Tuesday, is said to be indebted to the extent of about \$250,000. In consequence of the failure of Henry N. Smith, the liabilities of Heath & Co. cannot fall short of \$1,800,000, and may exceed that sum. The assets, excepting a claim against Henry N. Smith, are unknown. Financial Saver for Wounded Affectious. KANSAS CITY (Mo.), October 24.—In the Circuit Court at Independence, to-day, Miss Edith Vermaux vs. Edmund, Mo., was awarded \$15,000 damages in a suit for breach of promise of marriage against David Hughes, a building contractor of this city. American Church Convention. NEW HAVEN, October 24.—The American Church Congress will meet in this city October 20th and continue its session four days. It will be the greatest gathering of the kind ever held in the United States, and the Christian people of all denominations, but especially Episcopalians, are taking deep interest in the assembly. Canon Farrar has signified his intention of being present, as have also several other prominent English divines. Destructive Prairie Fires in Dakota. FARGO (D. T.), October 24.—Prairie fires in Northern Dakota the past two days have swept everything over an area of 100 square miles. Hundreds of families are destitute. The loss is estimated at \$1,000,000. The fire is now said to be under control. Mugwumps Moving. BROOKLYN, October 24.—At a meeting of the Independent Union, to-day, because of the night, President Cleveland's administration was indorsed, and the support of Ira Davenport, the Republican candidate for Governor of New York, was urged. Rev. Henry Ward Beecher said he was still a Democrat, so far as Grover Cleveland was concerned, but a Republican in regard to the State ticket. Return to the Right. NEW YORK, October 24.—A. M. Beecher said last night: "Though I have been immersed in the Democratic party for half a year, I must say I am again a Republican. I am a Republican because the Republican party of the State of New York has proven that its deeds are better than its words. I feel thoroughly convinced of the electability of Grover Cleveland.
