Grand Army Reception Notes.

The arrangements for the reception to be tendered to the Grand Army and District next, are rapidly arriving at a state of satisfactory completion.

The report from the Fruit and Grain Display Committee warrants the belief that the Golden State will be represented by the finest exhibits ever seen in the Golden State.

The decorations about the city are already well advanced. Many of the larger buildings have been tastefully decorated.

Among those who have thus far been heard from and are expected to attend on the 11th are General and Mrs. Logan, Governor Alger, of Michigan.

The following scores were made by members of Company G of the 20th-year range yesterday:

DELEGATED ACTIONS.—The hoodlum element seems to be working its way through town, and holds nightly disgraceful revels on Tenth street, from K to L.

WAS IT ONLY A RUMOR?—Recently the fact was published that it was reported a letter had been received here stating that Peter Morland, an old resident of Sacramento county, had been arrested for poisoning his wife in Germany.

MRS. COLBERT'S FUNERAL.—The large attendance upon the funeral services of Mrs. Horatio Colburn (formerly Miss Ada L. Clark), daughter of J. Frank Clark of this city, which took place at the sixth-street M. E. Church yesterday afternoon.

CHICKERING & SON'S pianos have been awarded more First Premiums than any one make by double, when exhibited, since 1870 inclusive.

BASEBALL.

The Result of a Number of Games. Here and Elsewhere.
At Recreation Park yesterday afternoon the Snowflakes of Sacramento played a game with the Red Stockings of Vallejo.

The game was one-sided and lacking in interest. The umpire failed to satisfy either the Red Stockings or the spectators, though he doubtless made his rulings to the best of his ability.

At Alameda yesterday the Atlas and the Red Stockings, had a battle at the Red Stockings, in consequence, and after resigning his place behind the bat to Kelly, went into left field and there became so interested in the playing "kicks on the fence" that he forgot the game occasionally.

DEMOCRATIC COUNCIL.

Their County Central Committee Calls a Convention.
The Democratic County Central Committee met at the Capital Hotel Saturday afternoon.

The names of the committee as last elected are: First Ward—Frank Thompson, Henry Myers, D. F. Beveridge. Second Ward—Larry O'Laughlin, James Toulney and A. Black. Third Ward—Jerry N. Payne, Matt F. Johnson, H. D. Nash, Fourth District—James Bates, Jacob Brown and John Rooney. Fifth District—H. C. Ross, James M. Short, G. A. Knott.

Some discussion arose regarding the admission of proxies. The city members objected and the country members insisted. John Rooney, Brighton, repeated his celebrated Folsom speech, saying that the Democratic party would not amount to much if the city members of the Central Committee objected to a proxy.

The resignation was accepted, and nominations to fill the vacancy declared in order. H. D. Nash nominated Dr. W. S. Manlove, and N. Payne named Add C. Hankinson. A roll call was demanded and the following were present:

For Manlove—Johnson, Nash, Bates (Johnson, proxy), Broder (Rooney, proxy), Henry Short, Knott and J. J. Sullivan. For Hankinson—Thompson, Myers, Beveridge, Payne, Toulney and Black.

The committee decided to call a County Convention to meet on Tuesday, September 28th, to nominate candidates for the County Central Committee. They adjourned to meet at the Capital Hotel, at 1 p. m., Saturday, August 25th.

There should have been a meeting of the City Board of Health Saturday evening, but this failed to take place. Owing to the heavy travel, the local train from Sacramento was about half an hour behind time in its arrival here yesterday.

There will be a meeting of hop-growers at Grangers' Hall at 1 p. m. to-day, to establish the price to be paid for picking during the coming season.
