CALIFORNIA'S CHOICE.

What a New York Journal Has to Say on Presidential Rooms.

[Copyright, 1888, by the California Associated Press.]

New York, April 13th.—The Mail and Express (Rep.) says editorially: There are so many vigorous and thriving residential booms that we are not surprised to find occasional conflicts of opinion as to their relative proportions. Thus, it is conceded that the Alger boom has, so far, swept everything before it in Michigan, it is doubtful whether the recent horrid demonstration that he received in California should be construed to have special importance.

THE PROBABILITY IS THAT CALIFORNIA REPUBLICANS WHO HAVE SO LONG ADMIRED AND FOLLOWED SENATOR STANFORD, AND WHO WOULD GLADLY SEE THE CHANCE OF HIS BEING RE-ELECTED TO THE OFFICE OF PRESIDENT, WILL BE CONVINCED BY THE FACT THAT HE IS A MEMBER OF THE PARTY.

THE LABORER'S FRIEND.

Walter Van Dyke Tells What He Thinks of Senator Stanford.

NEW YORK, April 13th.—The Herald's Washington special says: Walter Van Dyke, formerly United States District Attorney for California, who is here on business connected with the National Soldiers' Home, was asked what he thought of the candidacy of Stanford for the Presidency.

THE INSTANTANEOUS PHOTOGRAPHER AND HIS ASSOCIATES.

NEW YORK, April 13th.—Another United States official is in trouble over his partiality to young women. This time it is the case of John H. Seward, the Signal Officer here. He is an expert photographer and wanted to obtain pictures of girls in military and in ballet costumes. He had a particular friend in Mrs. Roland, who had scraped an acquaintance with several girls, who are all well-connected, and enticed them to her room for the purpose of taking indecent photographs, which she declared were all lady friends of hers who had had themselves taken for the purpose of a portrait, just for a lark. She then said she had the same costumes in her possession for the purpose of taking care of them.

UP THE FLUME.

Gillig's American Exchange in London Fails for Four Millions.

NEW YORK, April 13th.—The suspension of the American Exchange in London (limited) was reported to-day, and William C. Boone, the Treasurer of the company, was appointed to receive the assets of the company. The liabilities were \$4,000,000, and the assets were \$4,000,000, and the company was wound up.

ALLIED CAUSES OF THE FAILURE.

[Copyright, 1888, by the California Associated Press.]

NEW YORK, April 13th.—Gillig's friends claim that the failure of the American Exchange in Europe is due to articles recently printed concerning Gillig. There has, however, been some talk of a conspiracy, and it was with difficulty that the stockholders were reassured. At the meeting held April 23, the disappointed ones were assured that the company was solvent, and that the money had been expended in extending European business and in other investments.

REFORMED AMERICAN.

NEW YORK, April 13th.—A large and distinguished gathering was present in Steiner Hall to-night to hear an address by James Russell Lowell on "The Independent of the World." The speaker was assisted by the new Reform Club. Mr. Lowell was introduced by Anson P. Stokes, Secretary of the Independent of the World.

RACING IN THE EAST.

CHICAGO, April 13th.—The following are the results of the races to-day: First race, 1 mile, won by Nina W. Time, 1:08, with Kollie second and Spring Eclair last.
