WORTH \$40,000. Higgins' Colt Salivator Was the Rich Realization of the Rancho Del Paso breeding farm in this county, J. B. Higgins, raked down a handsome pot of money at Sheephead Bay, N. Y., yesterday. The great race of the day was for the Realization stake, in which it is estimated \$40,000 was to be won. It was the richest three-year-old race of this or any other year, and the prize money was \$100,000. The race was won by the Hon. S. J. Glitters, a colt owned by J. B. Higgins, and trained by J. B. Higgins. The race was won by the Hon. S. J. Glitters, a colt owned by J. B. Higgins, and trained by J. B. Higgins.

All that Glitters is Not Gold. Commencing with the present month (the beginning of the Twenty-first fiscal year) the recent Act of the Legislature goes into effect, increasing the salaries of janitors in the Capitol building from \$25 to \$40 per month. The increase is a couple of cents a month, and is a very small one. It is said, to the sorrow of some of the present incumbents, that they will not be given a pull at the replenished text, but will shortly make way for new men.

In a Hat Row of Stumps. A day or two since a gentleman from the country went into a K-street restaurant for his dinner. Among other dishes ordered was one of green corn, and some of his teeth troubled him whenever he tackled that succulent article of food for man and beast. He concluded to remove them until the job was ended, so he placed them on the table beside him, neatly attached to a gold plate. He had finished his meal he paid his bill, amounting to two dollars, and departed. The table was next occupied by a couple of Truckee tourists, and they stole the false stump, and left the owner to stump along the best he can until he can get another set.

Stole a Pair of Pants. A man who gives his name as George Williams was caught in the act of purloining a pair of pants from W. M. Petrie's store yesterday and turned over to officers Stauffer and Rider. He will have a chance to-day to tell Judge Buckley how he slid it to.

Shoes, Shoes, Shoes. A lady's high-cut, button, glove-kid shoe for \$1 45; in French kid, \$1 75. At Red House.

The country is flooded with poor imitations of the famous "Sea of North Carolina Fling Out."

Sudden Death. Frederick William Good, brother of Robert Good, and a native of this city, died suddenly yesterday at his home on Eighth street, between J and K, at the age of 27 years. He was a young man of an amiable and pleasant disposition, and was apparently robust health, but a violent attack of hemorrhage of the lungs carried him off with little warning.
