As for the other question, "Must causes of divorce be recognized beyond the Biblical?" the response must be in the affirmative.

The common remedy for such snake bites is heavy and rapid dosing with whisky, and if the patient survives the application he is free from the danger to which the bite exposed him.

The New York *Herald* explains that the ways of a woman are past finding out. In despair it withdraws all its sympathy for little Mrs. Lederer, whose husband ran away with another girl.

Mr. Rustler, of Fresno, is a rustling hero. He saved Fresno City from destruction by heroic efforts—stayed a flood and prevented the inundation of a magnificent section of country.

The *Atlas* says that if the rain does not soon cease, California's name will be mud. It has been named already up this way.

country there are no less than 12,000 persons killed annually by the assaults of snakes of various kinds, and that in our own land a very considerable mortality is occasioned by the bites of venomous reptiles, the subject becomes one of exceeding importance.

ACCEPTING the Georgia dispatches as verity, the negroes were to blame for the race conflict now prevailing in that State.

The attempt of the Marshal to arrest an outlaw and noted desperado was no excuse for the negroes rallying to the aid of the criminal.
