## "AID AND COMFORT" TO THE ENEMY.

"When orders were issued by the Commander of our Naval forces in the Gulf, on the 15th of May last, only two days after the existence of the war had been recognized by Congress, to place the coast of Mexico under blockade, he was directed not to obstruct the passage of Santa Anna to Mexico should he return. Polk's Annual Message to Congress, Dec. 7, 1846. It remains to be seen whether his return may not yet prove favorable to a pacific adjustment of existing difficulties.—*Ibid.*

**ANOTHER WONDERFUL CURE!**  
PHILADELPHIA, April 9, 1846.  
Last August a year, I caught a violent cold, in consequence of getting wet in a shower of rain. A circumstance so common gave me no immediate concern, supposing that I should soon get rid of it. On the contrary, however, I daily grew worse; a violent cough set in, then pain in my breast and between my shoulders. I now suffered of great oppression from the great secretion of purulent matter in my lungs. I became greatly alarmed; and my friends considered my situation extremely critical, the more so as I was of an advanced age, and had a long and painful career. I was at length induced to purchase of a bottle of your medicine, and to my great surprise, I found that it was now six months since I ceased using the medicine, and the cure remains perfect. I firmly believe this medicine is far superior to every other remedy for Consumption of the Lungs. **J. CHAMBERLAIN, No. 8, Carberry street.** Affirmed and subscribed this 9th day of April, 1846, before me.
