HOW RADWAY'S RENOVATING RESOLVENT CURES
To cure Consumption we must stop decay and rebuild and
heal the worn-out organs of the system that disease has consumed.
We must treat every organ in the system, for the Lungs are
not the only organs affected. It affects the Liver, the
Heart, the Kidneys, Bladder, and Pancreas; and, in fact,
every organ in the body is more or less tainted with decomposition and decay.

ARE THE BREATHING ORGANS OF THE SYSTEM.
When the Lungs are in a state of decay they are unable to
receive or emit the necessary amount of air requisite to sustain
life. The greater the atmospheric pressure upon the
surface, the more painful, irritable, and suffocating is the
weight upon the lungs.
THE GLANDS
become swollen from the irritation and inflammation of the
lungs.
ULCERS AND LUMPS IN THE THROAT
are formed from tubercles which the lungs are
unable to eject without the aid of powerful emetics, and the
Liver too weak and feeble to secrete.
becomes deposited in the bronchial tubes; it hardens, and is
formed into lumps, which ulcerate, suppurate, and discharge
are clogged, and the respiratory organs checked, so that
breathing is rendered oppressive and exceedingly difficult.
RADWAY'S RENOVATING RESOLVENT
REMOVES FROM THE GLANDS
inflammation, and rid the throat from Ulcers, Tumors,
Hard Swellings, and other diseased deposits.
TO THE LIVER,
It will impart tone and energy,
AND EVERY ORGAN IN THE SYSTEM
it will restore and cleanse from putrid and unhealthy
matter and humors.

DR. JOHNSTON TO THE AFFLICTED
That he has discovered the most certain, speedy and efficacious
plan of treating
SECRET DISEASES
that has ever yet been presented to the world. By his plan,
founded on observation made in the Hospitals of Europe
and America, he will insure
A CURE IN TWO DAYS,
OR NO CHARGE.
No Mercury or Noxious Drugs used.
Weakness, Loss of Organic Power, Pains in the Loin,
Disease of the Kidneys, Affections of the Head, Throat, Nose
and Skin, Constitutional Debility, and all those horrid affec-
tions arising from a Certain Secret Habit of Youth, that not only
that has ever yet been presented to the world. By his plan,
founded on observation made in the Hospitals of Europe
and America, he will insure
A CURE IN TWO DAYS,
OR NO CHARGE.
No Mercury or Noxious Drugs used.

A CURE WARRANTED, OR NO CHARGE.
Young Men especially, who have become the victims of
this disease, and who are afflicted with a habit which annually
sweeps to an untimely grave thousands of young men
of the most exalted talents and brilliant intellect, who
might otherwise have become listening Senators and the
thunders of eloquence, or waked to ecstasy the living lyre,
may call with full confidence.

MARRIAGE.
Married persons, or those contemplating marriage, being
aware of physical weakness, should immediately consult Dr.
J., and be restored to perfect health.
Office, No. 131 Nassau street, Baltimore, Maryland,
on the left hand side, going from Baltimore street, seven
doors from the corner. Be particular in observing the name
and number, or you will mistake the place.

DR. JOHNSTON,
Member of the Royal College of Surgeons, London, Graduate
from one of the most distinguished Universities of the United
States, and the greater part of whose life has been spent in
the Hospitals of London, Paris, Philadelphia, and elsewhere,
has effected some of the most astonishing cures that were
known, in cases of Gonorrhoea, Syphilis, and all the venereal
and head when asleep, great nervousness, being alarmed at sudden
sounds, and bashfulness, with frequent blushing, attended
sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE
Dr. J. has cured all those who have injured themselves by
private and improper indulgence, that secret and solitary
habit, which ruin both body and mind, unfitting them for
either business or society.
These are some of the sad and melancholy effects produced
by early habits of youth; viz: Weakness of the Back and
Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular
Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability,
Derangement of the Digestive Functions, General
Debility, Symptoms of Consumption, &c., &c.

NERVOUS DEBILITY.
Weakness of the system, Nervous Debility and premature
decay first arise from the destructive habit of youth,
that solitary practice so fatal to the healthful existence of
man, and it is the young who are most apt to become its
victims. From an ignorance of the disease to which they
subject themselves. Parents and Guardians are often mis-
led with respect to the cause or source of disease in their
children, and are ignorant of the means by which to
remove the wasting of the frame, Palpitation of the Heart,
Dyspepsia, Indigestion, derangement of the Nervous System,
Cough, and Symptoms of Consumption; also those serious
diseases, such as Loss of Memory, Depression of Spirits,
or peculiar fits of Melancholy, when the truth is, they have
been caused by indulging in Persecutions that alluring
destructive to both Body and Mind, and which have
ruined existence thousands who might have been of use
to their Country, a pleasure to their friends, and ornaments to
society.

**DR. JOHNSTON'S INVIGORATING REMEDY FOR OR-
GANIC WEAKNESS.**
This grand and important Remedy has restored strength
and vigor to thousands of the most distinguished individuals,
many who had lost all hopes, and been abandoned to die
by its complete invigoration of the Nervous System, the
whole faculties became restored to their proper power and
functions, and the fallen fabric of life is raised up to beauty,
consistency and duration, upon the ruins of an emaciated
and premature decline to the tomb. Oh, how happy have
hundreds of misguided youths been, who have been suddenly
restored to health from the devastations of those terrible
maladies which result from Indolence!
Each person, before
MARRIAGE,
should reflect that a sound mind and body are the most
valuable qualities to promote continual happiness. Indeed,
without this, the journey through life becomes a weary pil-
grimage; the prospect but only darkens to the view; the mind
becomes shattered, and the organs of sense are rendered
destitute of knowledge, sense, and character—pedlars,
shoemakers, mechanics, &c., advertising themselves as phy-
sicians; ignorant of the cause of their ailments, and unable
to do more than to prescribe a course of medicine, which
ruined health to sigh over your falling disappointment. It is
this motive alone that induces Dr. J. to advertise, for he
wishes to place himself in his honor as a Gentleman, and
confidently rely upon his skill as a Physician.

TO STRAGGLERS.
The many thousands cured at this institution within
the last ten years, and the numerous important Surgical
operations performed by Dr. J., witnessed by the Reports of the
Doctors, and the various other documents, and the
papers and many other persons, notices of which have
appeared again and again before the public, is a sufficient
guaranty that the afflicted will find a skillful and honorable
physician.

TAKE NOTICE.
It is with the greatest reluctance that Dr. Johnston
permits his name to be used in advertising his
preparation for a physician to advertise; but unless he did so,
the afflicted, especially strangers, could not fall to delude
themselves with the hope of a cure, and thus be
deceived. He has, therefore, in his advertisements, inserted
the names of the several persons, notices of which have
appeared again and again before the public, is a sufficient
guaranty that the afflicted will find a skillful and honorable
physician.
