**DR. JOHNSTON**  
PROCLAIMS TO THE AFFLICTED  
That he has discovered the most certain, speedy and efficacious plan of treating  
**SECRET DISEASES**  
that has ever yet been proposed to the world. By his plan, founded on observation made in the Hospitals of Europe and America, he will insure  
**A CURE IN TWO DAYS,**  
ON CHARGE.

No Mercury or Nauseous Drugs used.  
Weakness, Loss of Organic Power, Pains in the Lungs, Stomach, and the rest of the system, Head, Throat, Nose, and Skin, Constitutional Debility, and all those horrid affections arising from a Certain Secret Habit of Youth, that solitary practice of sodomy, which has the same of the System to the mariners of Ulysses—blighting their most brilliant hopes or anticipations, rendering Marriage, etc., impossible.

**A CURE WARRANTED, OR NO CHARGE.**  
Young Men especially, who have become the victims of this horrid vice, that dreadful and destructive habit which actually sweeps to an untimely grave a number of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunder of eloquence, or valiantly scented the living lyre, may call with full confidence.

**MARRIAGE.**  
Married persons, who, despite contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

Office, No. 7 South Frederick street, Baltimore, Maryland, on the left hand side of the street, near Baltimore street, near the corner. Be particular in observing the name and number, or you will mistake the place.

**DR. JOHNSTON'S**  
Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges of the United States, and the highest part of the Medical Education, in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that ever were known. Many troubled with frequent, violent, and irregular discharges, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

**TAKE PARTICULAR NOTICE.**  
Dr. J. addresses all those who have injured themselves by the use of unwholesome and dangerous secret remedies, which ruin both body and mind, unfitting them for either business or society.

These secret remedies, and the melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c., &c.

**NERVOUS DEBILITY.**  
Weakness of the system, Nervous Debility and premature decay generally arise from the destructive habit of youth, that solitary practice so fatal to the healthful existence of man, and it is the young who are most apt to become its victims. From an ignorance of the dangers to which they subject themselves, Parents and Guardians are often misled with respect to the cause or source of disease in their sons and wards. Alas! how often do they ascribe to other causes the wasting of the frame, Palpitation of the Heart, Dyspepsia, Indigestion, derangement of the Nervous System, Cough, and Symptoms of Consumption; also those serious Mental effects, such as loss of Memory, Depression of Spirit, Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c., &c.

**MENTAL.**  
The fearful effects on the mind are much to be dreaded. Loss of Memory, Confusion of Ideas, Depression of Spirit, Irritability, Aversion of Society, Self Distrust, Loss of Solitude, Timidity, &c., are some of the evils produced.

**ORGANIC WEAKNESS.**

**TO STRANGERS.**  
The many thousands cured at this Institution within the last ten years, and the numerous important Surgical Operations performed by Dr. J., witnessed by the Reporters of the papers, and the fallen fabric of life raised up to beauty, and again been restored to health from the devastations of those terrific maladies which result from indelicacy! Such persons, before contemplating

should reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed, many who had lost all hopes, and had abandoned to despair, the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflections of a gloomy future, and the body wastes away with its own. Let no false delicacy prevent you, but apply immediately.

Who who place himself under the care of Dr. Johnston may rely upon his honor as a Gentleman, and confidentially rely upon his skill as a Physician.
