WE GUARANTEE
that the patient will experience its powerful, soothing, beneficial effects in a FEW HOURS.

CONSUMPTIVE PATIENTS
WILL EXPERIENCE IMMEDIATE RELIEF AFTER TAKING THREE DOSES.

IT IS DAILY PERFORMING MIRACLES.
In ten minutes of taking this powerful remedy, the weak and ailing invalid feels his electrical energy revivify through every cell and corner of the system, imparting health, strength to every organ, nerve, and secondary vessel in the body.

SCROFULOUS DISEASES.
This Remedy is warranted to cure Scrophulous in its worst form. It acts upon the solid parts, removing the morbid matter from the bones, joints, muscles, and nerves, all diseased deposits,

AND EFFECTS FROM THE SYSTEM
ALL POUL HEMORS AND UNHEALTHY VULNERA, Glandular Swellings, Ulcers in the Throat, Tumors, Cancers, Nodes, White Swelling.

FEVER SORES.
Salt Rheum, Hacking Dry Cough, Tubercular Consumption, Rickets, and all deep-seated diseases. RADWAY'S RENOVATING RESOLVENT will quickly cure.

ITS ACTION
is direct, and instantly experienced upon the seat of the disease, whether it be in the lungs, joints, liver, heart, pancreas, kidneys, stomach or bowels, brain, or spinal marrow.

IT ACTS UPON THE SKIN.
producing a free and copious discharge of all foul humors secreted in this organ.

FEVERING SORES.
The most repulsive of these eruptions are instantly relieved from irritation and quickly removed from the skin. HOW RADWAY'S RENOVATING RESOLVENT CURES CONSUMPTION.

To cure Consumption, we must decay and rebuild and heal the worn-out organs of the system that disease has consumed.

We must treat every organ in the system, for the Lungs are not the only organs affected. It affects the Liver, the Heart, the Kidneys, Bladder, and Pancreas; and, in fact, every organ in the body is more or less tainted with decomposition and decay.

THE LUNGS
ARE THE BREATHING APPARATUS OF THE SYSTEM. When the Lungs are diseased they are unable to receive or emit the necessary amount of air requisite to sustain life. The greater the atmospheric pressure upon the alveoli, the more painful, irritable, and suffocating is the weight upon the lungs.

THE GLANDS
become swollen from the irritation and inflammation of the lungs.

ULCERS AND LUMPS IN THE THROAT
are formed from unhealthy deposits, which the lungs are unable to eject without the aid of powerful emetics, and the Liver too weak and feeble to secrete.

PUS
becomes deposited in the bronchial tubes; it hardens, and is formed into lumps, which ulcerate, suppurate, and discharge.

THE AIR-CELLS
are clogged, and the respiratory organs checked, so that breathing is rendered more and more exceedingly difficult.

RADWAY'S RENOVATING RESOLVENT
WILL ACT AS FOLLOWS:

It will heal, strengthen, and remove from them all diseased deposit, cleaning the air-cells from all diseased humors. **REMOVES FROM THE LUNGS** Inflammation, and rids the Throat from Ulcers, Tumors, Hard Swellings, and other diseased deposits.

TO THE LIVER,
AND EVERY ORGAN IN THE SYSTEM
It will reorganize and cleanse from putrid and unhealthy matter and humors.

IN TEN MINUTES
after taking this pleasant remedy the patient feels easier. It immediately allays the irritable cough, loosens the tightness across the chest, and relieves the oppressive pains. Let the afflicted call upon **CHAS. STOTT & CO.,** and **W. H. GILMAN.**

RADWAY'S RENOVATING RESOLVENT, AND RADWAY'S READY RELIEF, are two distinct Preparations; and in many cases they are best used together. The patient, by reading the advertisement attentively, will easily ascertain the remedy requisite to meet the complaint.

DR. JOHNSTON PROCLAIMS TO THE AFFLICTED
That he has discovered the most certain, speedy and efficacious plan of treating

SECRET DISEASES
that has ever yet been presented to the world. By his plan, founded on observation made in the Hospitals of Europe and America, he will guarantee

A CURE IN TWO DAYS,
OR 30 CHARGES.
No Mercury or Arsenic, Prussic acid.

Weakness, Loss of Organic Powers, Pains in the Loins, Diseases of the Kidneys, Affections of the Head, Throat, Nose and Ears, Constitutional Debility, and all those horrid affections flowing from a Certain Secret Habit of Youth, that sojourners practice, more fatal to its victims than the song of the Sirens to the mariners of Ulysses—blighting their most brilliant hopes of ambitious, honorable Marriage, etc., etc., impossible.

A CURE WARRANTED, OR NO CHARGE.
Young Men especially, who have become the victims of *Seductive* Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant abilities, who might otherwise have entered listless Senates with the thunders of eloquence, or waked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.
Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J. and be restored to perfect health.
Office, No. 7 South Frederick street, Baltimore, Maryland, on the left hand side, going from Baltimore street, across Love of the Sea, and observing the name and number, or you will undertake the cure.

DR. JOHNSTON,
Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges of the United States, and the greatest part of his life has been spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, and is one of the most eminent and successful practitioners ever known. Many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, and sometimes with frequent starting, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.
Dr. J. addresses all those who have injured themselves by private and improper indulgence, that *secret and solitary habit*, which runs both body and mind, unfitting them for the duties of society.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and limbs, Pain in the Head, Dizziness, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c., &c.

NERVOUS DEBILITY.
Weakness of the System, Nervous debility and premature decay generally arise from the destructive habit of youth, that solitary practice so fatal to the healthful existence of man, and it is the young who are most apt to become its victims. It is a disease of the most insidious nature, which they subject themselves. Parents and Guardians are often misled with respect to the cause or source of disease in their children, and are led to believe that they are the cause of the disease, when in fact it is the result of the habits of the youth, which they are the cause of the disease.
