DR. MORSE'S INVIGORATING CORDIAL

FOR GENERAL DEBILITY, IMPOTENCY, INCONTINENCE, OR NOCTURNAL EMISSIONS, &c.

THE astonishing success which has attended this invaluable medicine, for Loss of Muscular Energy, Physical Lassitude, and General Debility, &c., is a matter of common knowledge.

It is the most valuable preparation ever discovered, and is a remedy for the above complaints, it stands in the ranks of the most powerful and reliable remedies, or any that has authentically received the sanction of the Medical Faculty. THE WONDERFUL VEGETABLE PREPARATION, which is composed of the best and most valuable ingredients, and is the only infallible remedy for NERVOUS, HEAD, and MIND COMPLAINTS—the mental phlegm so long sought for and never before found—the only agent that can administer to the mind, it will remove all nervous affections, DEPRESSION, EXCITEMENT, incapacity to study or business, loss of MEMORY, CONFUSION, thoughts of self-destruction, fear of insanity, &c. It restores the appetite, renews the health of those who have destroyed it by sensual excesses or evil practices. It has been said by some that these disorders, emissions, &c., were incurable. This however, is not the case.

DR. MORSE'S INVIGORATING CORDIAL has cured, and is constantly curing, these complaints—relieving the mind and body of the unfortunate sufferer, as well as the following testimonial of the names received will conclusively show:

Dr. Woodward, of—Massachusetts Insane Hospital, writes one of his patients, and says of this Cordial thus: "It gives me pleasure to inform you that one of my patients, while in Boston, procured some of your Cordial, and he tells me that he has not had a single emission since he commenced taking it, and he has had two or three a week. When he applied to me, says Dr. W., 'I thought it hardly possible for him ever to regain his full strength, and I had almost given up of him, but he has now an entire recovery, and he is now well, and I shall ever recommend it, whenever an opportunity occurs, and I feel strongly, he has no emissions since, although it is not three weeks, I am satisfied that the half a dozen bottles I took will cure me.'"

Another says: "I had consulted several distinguished physicians, some said I could not be cured; others prescribed this thing and that; but I found no relief until I procured some of your Cordial. I must say it completely cured me."

Another says: "I was surprised at the effect your Cordial had. Why had I not heard of it before? It would have saved me so much expense, besides years of mental and bodily suffering."

CAUTION—Ask for Dr. Morse's Cordial, and take no other, as there are worthless imitations which its unrivaled excellence, fame, and popularity have brought into the market. It will not hurt the most delicate female, but do good. Beware of all other Cordials, &c., and try only this one. It is put up in pint bottles, with the words DR. MORSE'S INVIGORATING CORDIAL in silver on the glass. Price \$3 per bottle; two bottles, \$5; six bottles, \$12; and \$24 per dozen.

N. B.—Important advice accompanying each bottle. Prepared by Dr. Morse, New York city—principal office, 129 Broadway.

Sold by Z. D. GILMAN, Druggist, wholesale and retail, and only agent for the District. June 1—647

DR. JOHNSTON PROCLAIMS TO THE AFFLICTED

That he has discovered the most certain, speedy and efficacious plan of treating

that has ever yet been presented to the world. By his plan, founded on observation made in the Hospitals of Europe and America, he will insure

A CURE IN TWO DAYS, OR IN ONE CHARGE.

No Mercury or Potassium Drugs used. Weakness, Loss of Organic Powers, Pains in the Loins, Disease of the Kidneys, Affections of the Head, Throat, Nose and Skin, Constitutional Debility, and all those horrid affections arising from a Certain Habit of Youth, that solitary practice, more fatal to the victims than the song of the siren to the mariners of Ulysses—blighting their most brilliant hopes or anticipations, rendering Marriage, etc., impossible.

A CURE WARRANTED, OR NO CHARGE.

Young Men especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have attained listening to the voice of the thunders of eloquence, or walked to sea-stay the living lyre, may find full relief.

MARRIAGE. Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

Office, No. 1507 Frederick Street, Baltimore, Maryland, on the left hand side, going from Baltimore street, seven doors from the corner. Be particular in observing the name and number, or you will be disappointed.
