I have moved my office into the Smith-Sutton building, No. 212 N. Market Street, ground floor. In writing insurance it is my aim to write it correctly and by so doing avoid any misunderstanding between the companies and the assured.
It is my policy to insure in the writing of an insurance policy after the fire has occurred and it is of the utmost importance to every one holding an insurance policy to know that it is correctly written. The companies that I represent have paid for the proper of Wichita, many thousands of dollars and their policy has always been fair in adjustment of losses.
