HORRORS OF SIBERIA.

A TALE OF SUFFERING TOLD BY COUNT LANGOWSKI.

He Was Held by Russia for Fourteen Years as a Prisoner of War—He Describes Some of the Terrible Scenes in Cold North Asia—Fearful Atrocities.

In his narrative of the "Count of Monte Cristo" Alexander Dumas endeavors to establish the proposition that those who have suffered most are capable of enjoying most. If that be true, Count Langowski, an employe at Hudson's clothing store, has an enormous capacity for appreciating the good things of life, though, even his present straitened circumstances do not permit an excessive indulgence in them.

MR. O. F. CASTEEN, treasurer of Harper county, spent yesterday in the city calling on friends and looking after business matters. He reports his section of the state getting along nicely in the abundance of wheat and oats, crop prospects good and live stock in good condition.

EX-PRESIDENT OLIVER goes to Washington City where he has been summoned before the grand jury to answer to the indictment of libel and views touching grain and flour shipments and railroad traffic rates from Kansas to the Gulf states, and particularly with reference to grain rates to Texas and the Gulf.

AMONGST the various attractions of the Fourth of July will be a base ball game, Greco-Roman wrestling match and a foot race between the baseball park. Wichita will cross bats with the Arkansas City team for a purse of \$100. The wrestling will be open to the state and the contest will award \$200 to the winner. The foot race is for one hundred yards, open to local sprinters, with \$25 hanging on the wire. The sports will commence promptly at 2 o'clock and cars will be run to accommodate all comers.

JOSEPH COSTELLO and George Russell spent last Thursday, Friday, Saturday and Sunday on a buggy tour. They traveled only by moonlight and visited the towns of Mulvane, Pelle Plaine, Udall, Wellington, Winfield and Oxford, meeting friends frequently. They say it's funny to stop at midnight and eat one's evening "snack" with harvesting farmers instead of at the noon hour. Though boys, they are fine! Winfield knows how to conduct a Chauvaus perfectly.

MR. R. C. THOMPSON, of Arcade, F. Y., arrived yesterday on a prospecting trip. He says he has not been in Kansas since the grasshopper year and he wanted to see the state at the time when it was in dress clothes. He was advised to come here most any time and about now especially, and is inclined to think the state is certainly on dress parade about this time. He intends to spend several days in Southern Kansas and as he is open to argument and should the west to his mind offer more inducements for making investments than the east, he may become financially interested in the great west.
