

WICHITA MARKETS

Receipts of Live Stock at the Union Stock Yards during the past 24 hours—42 Cattle, 658 Hogs. Shipments—No Cattle, 630 Hogs, 4 Horses.

The supply of cattle today was light and everything that was on the market was sold. Good feeding steers sold well at from \$2.40 to \$2.55. The supply of butchers' cattle was limited and the market closed firm.

The hog receipts were good for closing day. Most of the trading was done early and the pens were about all cleaned up before closing time. One load of hogs were forwarded. The bulk of the hogs was taken by the local packers at yesterday's prices. The week just past has shown larger receipts than any other week of the month. Prices have fluctuated very little during the week, and the market on good hogs has been about steady. The market on light hogs and pigs has gone off badly owing to the demand for this class of hogs being supplied. The market closed strong and steady and a shade higher.
