Do You Want Gold. Cripple Creek is not a health resort. It is a wealth resort. Quite a difference. Location, near Pike's Peak, in Colorado. Gold, bright, yellow gold, is found at grass roots and in the rock formation. Reliable experts claim this is today the richest camp in Colorado. Assays average \$100 per ton, and have run as high as \$5,000. One hundred people a day are now rushing to Fremont, chief town of the district. The chance of a lifetime, is worth looking after. You can get there quickly and comfortably by taking the Santa Fe route. Only line with no change of cars from Chicago, Kansas City and other principal cities to Florissant, nearest railroad station, with daily stage to Fremont. Inquire of local ticket agent, Santa Fe route, about rates and service. 83 1c

We Heartily Recommend The new route to Utah and northern California, via A. P. and S. F. and Colorado Midland, because: It is picturesque; it is quick; it is always on time. You see Colorado by daylight. The new fast schedule allows two hours for sight-seeing at Manitou. Two daily passenger trains each way. Palace sleepers to Ogden, connecting with Southern Pacific for San Francisco. We also recommend the Santa Fe route through New Mexico and Arizona to Los Angeles, San Diego and San Francisco, as a direct and pleasant line for winter travel. Excursion tickets may be bought going one line and returning the other. 43 1c

When you go, take the Frisco line to St. Louis and the east for the reason that it is the only Wichita line running two solid trains daily without change of any class to St. Louis morning and night, and it is the only line having palace reclining chair and Pullman sleeping cars in morning and night trains. Always on time and sure of making eastern connections at St. Louis union depot. 24 1c

Are You Going to Washington Territory? Parties enquiring to the northwest will find it to their interest by calling on the Rock Island ticket office for information regarding rates, routes and accommodations via this line. Do not be deceived by agents of other lines as to this route. You are invited to call at the office and be convinced as to the superiority of the Great Rock Island route over all others. By patronizing this line you can have the choice of four different routes west of Denver. For speed, safety and comfort the Rock Island leads the procession. W. H. WISHART, Ticket Agent. Office 100 East Douglas avenue, corner Main street. 69 1c

THOS. SHAW.

I am glad to see that the people of this sunny clime are calling for better goods and willing to pay for them; and to supply this demand I have put in a larger and finer stock of Pianos and Organs than heretofore. The 1912 goods are far superior to last year in every way and I have the best that factories can produce. If you want trash I cannot suit you, I only want customers that want good goods at the lowest price. Poor goods are dear at any price. If you are going to buy this spring don't buy 'till you see my stock. I will save you all agents' commissions. I will make terms easy. I have a few goods a little used at big bargains for those who do not want to put much money into an investment. Come and see me, I shall be glad to show you what I have. If you want a Bicycle I am your man; Columbia Victor, for high grade, Hartford and Credenda for next. 129 North Main Street. 86-12 1c
