UNDER THE WHEELS. J. C. Rookley an old gentleman living at 1106 East Douglas avenue, very narrowly escaped from death in a horrible manner through the promptness of T. J. Reynolds, a motomeer in the employ of the street car company. Mr. Rookley was standing at the corner of Market and Douglas watching for a car going westward and as one of the Burton cars going east came along, he suddenly stepped in front of it, not having heard it coming, in his intention upon watching the other car. All who saw the man in the act of stepping in front of the swift moving car were appalled and intruded away their heads, for fear of seeing what looked almost inevitable, and the motomeer turned pale as death, but not for a moment did he lose his presence of mind. He immediately applied the reverse lever and stopped the car in less than a second. The man had not so soon as the car struck him and in a moment more would have been crushed under the wheels. As it was he was laying in front of the life guard, when picked up. Conductor Fortner saw the man at the same time the motomeer did and gave the signal. It was a narrow escape.

GOD CANNOT MAKE A MISTAKE.

This is a funny world, and as an age of boasted enlightenment a conspicuous failure. In spite of all our Christian belief and universal education, superstition begetten of ignorance and want of faith...

What the churches need, said the speaker, is power, and the power we need is that of the Holy Ghost. The greatest power in the church is the Holy Ghost power. Too often the Spirit is silent with His power is necessary for our usefulness.

What we can have the demonstration of the Spirit's power, but to secure it we must recognize the Holy Ghost, trust Him, use His word (which is His word), and await His coming day after day as did the disciples after Christ's ascension.

Dr. Winters spoke only a few minutes, and then asked for testimonies from the congregation, and for the rest of the time different ones held the floor, speaking of the pleasure they had found in Christianity more than the pleasures they knew before.

Sunday night many people were unable to sleep, and were turned away. Cards had been distributed reading "I desire henceforth to lead a Christian life," and thirty of these were signed. This is an unusual way of obtaining the testimonies of converts as to their conversion.

An hour's service will be held tomorrow afternoon at 4 o'clock, and Dr. Winters will preach at 8 o'clock at night. His topic will be, "The Wonderful Wedding." Mr. Shaver and his chorus will begin the singing as usual, at 7:30.

WEDDING NOTES.

Yesterday at 9:30 a. m. Andrew N. Reeves of Albuquerque, N. M., was united in marriage to Miss E. Belle Neely, by Rev. Dr. Winters of the First Presbyterian church. The ceremony took place at the home of the bride's parents, Dr. Neely, 414 Wabash avenue. They were married with the ring ceremony, and the occasion was one of unusual interest.

Those present were the bride's family with a few close friends—Mr. Casard, Mrs. Stangland, Mrs. Whitbeck, Mrs. Bidwell. The bride was arrayed in a traveling costume of mahogany colored cloth artistically made, and wore a beautiful bouquet of white roses. The groom wore a black suit, Prince Albert style, and looked extremely happy. The bride has hosts of friends in Wichita. She was once a teacher in our city schools, but for the last two years has been in Kansas City as a stenographer. She is an accomplished lady. The groom is well known, having formerly lived here, and is a young man of honor and integrity. The sisters of the bride were: Miss Emma Neely of Olathe, Miss Dorothy Neely of Sioux City, Ia., and Miss Dorothy Neely of Sedalia, Mo., were all present. Miss Della Neely, now teaching in the Washington school, who has been quite sick for some days was able to enjoy the occasion. Breakfast, consisting of many delicacies and a variety of beverages, was served to the guests. The table was set in decorated china and silver with bouquets of pink roses, while great blooms of chrysanthemums adorned the rooms. Several choice presents in silver and linen were presented the bride, also a check for \$50, the gift of her brother.

Mr. and Mrs. Reeves left last evening for Albuquerque their future home, and many kind wishes go with the happy couple. WICHITA HOSPITAL. THE SLIM JINN ARE IN IT.

The ultra fashionable girl whose height is not up to the standard of an average girl for tall women, is in despair. No amount of any kind of blonde or dye, will add an inch to the stature of the dumpy woman. The tall woman is in it. The present style of dressing the hair and the short waisted Josephine frock become her from the crown of her head to the ground—far as it is, and when she walks along the streets with a "swayed-off" man, the effect is somewhat ridiculous, when she does promenade with a fellow her size the effect is stunning, and as advantageous to him as to herself. It is a demand for them.

AMUSEMENTS.

A BIG AUDIENCE. No performance in Decatur this winter has not attracted so large an audience as there was at the opera house last night to see "Uncle Josh Sprucey." Standing room was scarce in the gallery and balcony. The audience was all delighted. They laughed and clapped, while some up stairs yelled vociferously. It was a play that took with the audience. There were cartons of humorous fun. J. H. Taylor, Dutch specialties were good and helped along the fun mightily. There were several vocal numbers, and all were splendidly applauded. The vocal solo was strikingly realistic and thrilled the audience.—Reactor (Ill.), Republican. Crawford Grand Saturday Dec. 3.

A MAN OF MANY OFFICES.

"Squire Zeller of Cheney, one of the active business men of this county, was seen of the streets yesterday. He was full of business as usual. Frank Zeller holds down more offices than any other man in this county. He is an attorney-at-law, a justice of the peace for Morton township, city attorney of Cheney, city clerk of that city, a member of the city council and street commissioner, and in addition to all these he carries on a restaurant. He also puts some of his leisure time in assisting Editor Maxey with his paper, the Cheney Herald. He is a busy man.

The temporary injunction of the sale of the street railway under the bondholders foreclosure bids fair to develop into a complicated litigation. It is the opinion of prominent lawyers that the decision of officers will take place. DON'T BE TRAPPED.

into believing all that some dealers advertise. "Bankrupt Sales" and "Slaughter Sales" out of season are "Chestnuts" and subterfuges of the rankest kind, and fail to fool the public as of yore. The time has come when the people demand honest representation of goods and prices. We have always been very careful not to advertise anything which was not strictly true in every particular, and by fair, honest dealing have built up a trade of which we feel justly proud. We desire to say that we will sell you better suits for \$5, than is offered in glaring advertisements at \$7.10, and far better Storm King Ulsters at \$4, than is offered at \$7.65; also better Boys Suits at \$1.25 than they will sell at \$2.75.
