CONFESION OF A BRUTE. SAN FRANCISCO, Dec. 7.—Captain Samuel Smith, the murderer of George Neale, a 16-year-old boy, off Coronado island, on Friday morning last, has made a full confession of his crime. The only reason assigned for his crime is that the boy had sent a small boat adrift, thus compelling him to return to port without a full cargo of guns.

THE CHICAGO DISCRIMINATIONS. CHICAGO, Dec. 7.—Judge Gresham decided today that the representatives of a number of railroad companies, who had been in Chicago could not be compelled to answer certain questions propounded by the interstate commerce commission and to produce their books for the commission to use without their consent. The court could not be made subsidiary to an administrative body. The defendants were ordered to pay the costs of the proceedings in favor of large Chicago shippers, notably the Illinois Steel company.

GOOD ADVICE.

Ralph Waldo Emerson once said, "Finish every day and be done with it. For manners and for wise living it is a vice to remember. You have done what you could. Some blunders and absurdities no doubt crept in. Forget them as soon as you can. No one can be serene without good health. If you are afflicted with dyspepsia all the philosophy in the world cannot keep you from fretting and worrying. You can however, be relieved if you will take the Laxative Gum Drops. These gum drops act on the liver, stomach and bowels, quietly, but gently. They are the best things in the world for indigestion. Ask your druggist for them and do not take anything else. Small boxes 10 cents, large size 25 cents.

ONE ENJOYS. Both the method and results when Eryth of Figs is taken; it is pleasant and refreshing to the taste, and acts gently yet promptly on the Kidneys, Liver and Bowels, cleanses the system effectually, dispels colds, headaches and fevers and cures habitual constipation. Eryth of Figs is the only remedy of its kind ever produced, pleasing to the taste and acceptable to the stomach, prompt in its action and truly beneficial in its effects, prepared only from the most healthy and agreeable substances, its many excellent qualities commend it to all and have made it the most popular remedy known.

At the time of its preparation, it is a pleasant, soothing, and refreshing beverage, not a harsh, irritating, and dangerous drug. It corrects and cures, safely and surely, all those delicate derangements and weaknesses peculiar to the system. A remedy that does cure is one that can be guaranteed. That's what the proprietors of Eryth of Figs think. If it doesn't give satisfaction, every one who has tried it, recommended, they'll refund the money. No other medicine for women is sold on such terms.

Decide for yourself whether something else sold by the dealer, is likely to be "just as good" for you to buy.
