J. A. Bishop.

Cheap Rates for a Winter Trip via Santa Fe Route.
To Texas, New Mexico, Arizona, California, Utah and Old Mexico, are offered by the Santa Fe. Tickets now on sale good until June 1, with sufficient transit limit in each direction to enable passengers to stop off at all points en route. New Mexico is noted as having one of the most equable climates in the world, sudden changes being almost wholly unknown. It is a most desirable place either for the invalid, the pleasure seeker or the emigrant, while it is the haven for the immigrant. No portion of the United States can compare with the fertile valleys of its rivers, and in its production of the field, the market garden, the orchard and the vineyard. 46 1c.

For full particulars regarding the country, rates, expenses, etc., call on or address nearest Santa Fe agent, or Geo. T. Nicholson, G. P. and T. A., Topeka, Kan., W. J. Black, A. G. P. and T. A. 46 1c.

Jack Frost stimulates travel. When he touches our cars, we think about getting warm. California has the ideal winter climate—just far enough south to be sunny and frostless, and yet with sufficient tonic in the air. 46 1c.

Santa Fe route takes Jack Frost's hint, and has arranged a series of personally conducted weekly excursions to California. Pullman tourist sleepers, furnished with bedding, toilet articles, etc., leave Chicago and St. Louis every Saturday evening, and leave Kansas City every Sunday morning, via A. T. and S. F. and A. and P. line, to Los Angeles and San Francisco, on fast express trains. Special agents and porters in attendance. Second-class tickets honored. A small charge for use of tourist sleeper. Everything neat, clean and comfortable. 46 1c.

Inquire of nearest ticket agent, or write to G. T. Nicholson, G. P. and T. A., Santa Fe route, Topeka, Kan., for a copy of folder describing these excursions. 46 1c.

How to become a dealer.
When people find an article much superior to anything of the kind they have ever before used, they are almost sure to tell their friends about it, and especially if they know of some friends needing such an article. Dealers also learn the true value of their goods, and when they have an article of unusual merit they will almost invariably mention the fact to their customers. This accounts in a great measure for the large sale on Chamberlain's Cough Remedy. Here is an instance: W. L. Newell, a prominent citizen and business man of Orsbury, Mo., has been selling Chamberlain's Cough Remedy for several years, and recommends it to his customers, because in his experience it has proven to be the best for colds, croup and whooping cough. He says it is the most popular medicine that he handles, and gives the best satisfaction. Fifty-cent bottles for sale by Hettinger Bros. and Van Warden's pharmacy, 225 North Main street. 46 1c.

Go east via the "New Short Line, Missouri Pacific" Pleasant Hill route. Through sleeping and chair cars without change Wichita to St. Louis. 46 1c.
