PASTEL PORTRAITS FREE

A Portrait Free to all customers dealing with us to the amount of \$5.00. A Free Portrait of anyone whom you may desire and of whom you can furnish us a perfect photograph. Ask for tickets with your purchases.

We have lately made a contract with one of the largest portrait companies in the United States to furnish us portraits of our customers. By agreeing to use a large quantity each week, we have obtained quite a concession from their regular prices. These portraits will be made on heavy cardboard (size 16x20 inches) from any perfect photograph, and the work is guaranteed equal to that for which artists charge \$3.00 to \$5.00.

PASTEL PORTRAITS FREE

NOTICE
These Pictures are finished in Pastel and cannot be shipped without frames without damaging the portrait. As an accommodation to our customers we have made arrangements in Chicago to have all portraits framed, and have had a special wholesale price of \$1.98 made us for each frame. These frames are worth and do sell in this city at retail for \$3.00 to \$4.50 each. We give them to our customers for just what they cost us (\$1.98) and we pay the freight to Wichita.
OUR PROFIT IS THE TRADE WE GAIN.

We give coupons with every sale, representing the amount of your purchase. When you get \$5.00 worth of coupons you are welcome to a portrait. This is the most expensive bit of advertising in which we have ever indulged, but nothing comes "too high" for Wichita's Greatest Store. We expect to reap lasting benefits from this Free Gift Giving and hope to place these pictures in thousands of Kansas homes. We have seven different styles of these portraits on exhibition in "Black Pastel," "Miniature" and "Sepia." You can have choice of any style.

Regardless of any Gifts we may make to our Customers, we Sell Goods Cheaper than any other house in Kansas.

Below are our offerings for this week—unmatchable in this part of the Universe.

Unmatchable Prices In Jewelry

There's a great many people who never buy jewelry in a department store. They are really better satisfied if they pay three times the actual value and get it at an exclusive jewelry store, with the firm's name on the package. There are a great many people that are not this way. They have learned the foolish lesson of paying \$1.00 for goods and \$2.00 extra for the jeweler's name. Here's a

O. B. STANTON, Prop.

The boss of the repair department in a Massachusetts watch factory says: "I used to be a good deal of an athlete and was in the habit of taking lots of out of door exercise, but since I've been shut up in this shop I began to have terrible bilious headaches. I still did enjoy an occasional bout at boxing, but after a few lively rounds a tendency to get as sick as can be seemed to take possession of me. The exercise appeared to stir up the bile and the next day I would have a cracking good headache. My druggist recommended me to try Ripans Tabules as a possible cure. He said they seemed to be the latest cure-all for stomach troubles. Well, he just hit it. I have not used more than 25 cents' worth, but I exercise now as much as I please and don't know what a bilious headache means any more."
