

"FATTY PAUL" DEAD

Succumbs to a Heavy Stupor Brought on By

OVER-DOSE OF MORPHINE

He Will Be Buried at Ten O'clock Today.

C. W. Brown, generally known as "Fatty Paul," died yesterday morning at 11:30 from the effects of a dose of opium or morphine.

"Fatty" had a great many troubles to worry him into the notion of ending his existence, but he did not complain particularly ill yesterday morning, when he came home from a "night out," and was discharged from the employ of Mr. Simmons, at the Occidental hotel.

"Fatty Paul" was discharged for several months, and when removed from that position he went to the Occidental hotel, in the employ of Mr. Simmons. He stayed in the hotel at night, turn about, with the other employe one week ago Friday "Fatty" went out somewhere, and was gone all night, leaving the barn alone without guard.

Monday night he left the barn again at 10 or 11 o'clock, and the place would have been without guard had not another of Mr. Simmons' men happened along and taken charge. "Fatty" did not show up till about 6 o'clock, and then he was acting rather strangely.

Mr. Simmons went on about his work and "Fatty" went into the Klondike saloon and from there to the alley and from the alley, after half an hour's talk, back into the stable office.

"Fatty Paul" was suspended in connection with the death of Andy Ross of Chewwater, who was found under the stairs of the Crawford Grand opera house a few days ago, but nothing ever was proved. The position of dogcatcher brought upon him a great deal of odium and harsh animosity, but he didn't seem to mind. He said he had only one regret—that of losing his job at the Occidental.

C. W. Traver, bill clerk of the Wells-Fargo Express office at Topeka, was arrested yesterday for violating the new revenue law. His arrest was brought by United States Attorney Chamberlain to test the question whether the express companies or the customers shall pay the tax required for packages.

In answer to references from the collector of internal revenue, bearing upon the question as to whether the shipper or carrier shall pay for and affix the required revenue stamp to bills of lading, etc., Assistant Attorney General at Washington, D. C., has held as follows: "The law makes it the duty of every railroad and steamboat company, carrier, express company, corporation, or person whose occupation it is to act as such, to issue the shipper, consignee or his agent, or person from whom any goods are accepted for transportation, a bill of lading, manifest or some other evidence of the receipt of goods, wares or merchandise for carriage and transportation and this bill of lading, manifest or memorandum requires a revenue stamp of the value of one cent to be affixed to it and be cancelled.

NOTES OF THE NORMAL

Days Events at the County Teachers School

Miss Pearl Kessler of Malva has pronounced to sing "The Star Spangled Banner" to the normalists on moving this week. Miss Kessler has a very sweet voice, well trained.

R. G. Criswell, who represents Hardin college, of Mexico, Mo., spoke briefly Tuesday in the afternoon of his school. He leaves Wednesday for Oklahoma.

The school management class yesterday was the best of the summer, though only a few students remained for that hour. The discussion was on the extent of the teacher's influence. Professor Buick had charge of the cases, and presented many excellent ideas, and the talks of Professor Scott and Miss May Anderson were especially good.

A program is being arranged to be given soon at the hour either of general exercises or school management. Messrs. Winkler and Fisher and Mr. Alexander are among those who will take part.

The directors of Wichita W. C. T. U. met and elected the following officers for the ensuing year: President, Mrs. C. A. G. Dean; vice president, M. A. H. L. Mason; recording secretary, Mrs. Isabel G. Rowland; corresponding secretary, Mrs. I. M. French; treasurer, Mrs. F. A. French; financial secretary, Mrs. A. M. Taylor.

TOPEKA WINS A GAME

Exciting Game Taken By the Visitors.

SCORE ELEVEN TO TWELVE

Prettiest Baseball Contest Seen Here This Season.

The second game of ball between the Topekas and the Wichita Eagles was intensely exciting and kept the rooters and fans on the edge of uncertainty until Mauck, the Topeka pitcher, settled the contest in the ninth inning by making a clean hit and bringing in the winning run after two men had been retired. There were errors, there was some hard hitting, and there were some wonderful stops made that simply set the cranks wild with delight.

The game was won and lost in several ways. McCloskey, who had been making Mr. Mauck weary by his hard hitting, lost the game by letting an easy grounder go through his legs. Reiser, who was playing short and who made some very clever plays, fumbled the ball in the ninth inning, when he had an opportunity to make a double play. Fear, the hard-working catcher for the Topeka club, tried to give the game to Wichita by overthrusting third base and letting in two runs at a critical time. Both pitchers were rapped hard. For seven innings Hardy pitched magnificently, allowing only six hits and keeping them well scattered, but in the eighth the Topekaites connected with his shoofs, curves and smoky twisters for five hits with the score seven bases and five runs. It was rapping on Mr. Hardy's nerves and it had a tendency to make his work become too anxious to win and thereby make errors that otherwise would probably not have been registered.

Mr. Mauck was touched up in pretty lively shape. It looked for a while as if he would have to give way to another twirler, but he retrieved himself by winning the game when the bases were full.

For the visitors Reberman and Gatewood carried off the fielding honors and Price and Thiel led at the bat. For the Wichitas Hulbert and Rose did the best in the field, and at the bat McCloskey Dunn and Mayer did good, timely hitting. Montgomery both at the bat and catching did first class. It was his hit and clever base running that tied the score in the first half of the ninth inning.

GAME IN DETAIL

The Eagles went first to bat, Hulbert leading off. He found the sphere and knocked a high fly to center, which Bailey took easily. Mauck drove the horsehide over the rubber in such a manner that Rose and Dunn could not find it, and they were marked with strikeouts. Griffin, for Topeka, was given a free pass to the initial ball. Thiel sacrificed, advancing Griffin to second. Griffin went to third on a passed ball. Bailey hit the ozone three times, but Montgomery missed the third strike and Bailey flew to first. Montgomery, however, threw him out, but while he was doing it Griffin stole home, making a beautiful slide. Fear went out easy from short to first, retiring the side. Score: Wichita, 0; Topeka, 1.

Second inning—McCloskey hit a corking two-bagger to left center. Reiser made a clean single, and McCloskey went to third on the hit. Reiser started for second and Fear threw a short, he returned the ball low and McCloskey scored. Reiser going to third, Cusick hit to second, who made an error, scoring Reiser. Cusick stole second. Montgomery went out from short to first. Mayer made a hit, scoring Cusick. He stole second and got to third on an error by the catcher. Mayer scored on a passed ball. Hardy took his base on four bad ones. Hulbert hit to short, who made an error, and Hardy got to second on the misplay. Rose made a bunt and reached first on Mauck's fumble. Hardy was thrown out trying to steal third. Dunn made a hit and Hulbert scored. McCloskey came to bat the second time in the inning and made a nice single. He was left on first. Reiser going out from third to first. Reiser going out from third to first. Reiser going out from third to first.

Third inning—Cusick went out from third to first. Montgomery struck out. Mayer got his base on balls. Hardy hit to short, who put Mayer out unassisted. Wichita, 0. Price made a single and stole second. Mauck hit a long fly to right center which Reiser caught after a good run. Price scored on Griffin's sacrifice. Thiel hit for a single, but was left on second, as Bailey hit to the pitcher and was thrown out at first. Topeka, 1.

Fourth inning—Hulbert struck out. Rose hit to left center for two bases and scored. On Dunn's hit over second, McCloskey made his third hit of the game, which was a nice single. Reiser went out from pitcher to first. Cusick popped up to pitcher. Wichita, 1. Fear popped up to Hardy. Reberman got a life on Reiser's error. Gatewood's fly to right was caught by Rose after a long run. Ash made a single to left and took second on Mayer's fumble. Price made a hit and Ash scored. Mauck went out from short to first. Topeka, 2.

Fifth inning—Montgomery hit a fly to right which was muffed. It was an excusable error as the sun was in the fielders' eyes. Mayer made a sacrifice, advancing Montgomery to second. Hardy sacrificed. The side was retired by Hulbert going out from third to first. Wichita, 0. Griffin struck out. Thiel got to first on Cusick's error. Bailey sacrificed. Fear made a hit, scoring Thiel. Reberman retired the side, going out from second to first. Topeka, 3.

Sixth inning—Montgomery hit a fly to right which was muffed. It was an excusable error as the sun was in the fielders' eyes. Mayer made a sacrifice, advancing Montgomery to second. Hardy sacrificed. The side was retired by Hulbert going out from third to first. Wichita, 0. Griffin struck out. Thiel got to first on Cusick's error. Bailey sacrificed. Fear made a hit, scoring Thiel. Reberman retired the side, going out from second to first. Topeka, 4.

Seventh inning—Topeka went out in one, two, three order. Wichita scored one. Thiel hitting the ball over the right field fence for a home run.—Topeka, 4.

Eighth inning—Wichita was retired easily, the feature being Fear getting two-

on foul flies. In this inning Topeka went in with the score 10 to 5 against them and hit Hardy so frequently that when they had finished they were one ahead. They made five runs in this inning. Gatewood and Mauck hit for two-baggers, and Reberman, Price and Ash each got singles. All of them scored.

Ninth inning—It was in this inning that the excitement was intense. With one run to tie and the last time Wichita came to bat Montgomery made a hit to left center. He stole second after a long slide and came home on Hardy's nice single. Mayer hit a foul fly to left, which Ash caught. Hulbert went out from short to first, and Rose ended the inning by flying out to right field.—Wichita, 1. The pretty work of the day was done by the home team in the last half of the ninth. It looked for a few minutes as if more than nine innings would have to be played. Fear got to first on Dunn's error. Reberman hit to shortstop, who made an error. Gatewood took a base on balls, filling the bases. Ash hit to Reiser, who threw to Montgomery, forcing Fear out. Price duplicated the performance, forcing out Reberman. With two out and the bases full Mauck hit to left for a single, winning the game by the score of 12 to 11.

Today will be the last game of the series. It is safe to say that today's battle will be a hot one. Topeka will have in their crack pitcher, Mr. Eyer. Kid Bevis will twirl for the home team.

The official score is as follows:

Table with columns: Topeka, AB, R, IB, SH, PO, A, E. Rows for Griffin, Thiel, Bailey, Fear, Reberman, Gatewood, Ash, Price, Mauck, and Totals.
