## A sale of bleached sheetings, mill lengths, tomorrow

Manufacturers of sheeting and muslins, every season, have an enormous quantity of short lengths left on their hands, and are usually willing to close them out at a great sacrifice. During our last visit to the east we happened in on a cotton mill owner and were solicited to inspect a lot of short lengths of Pepperell Bleached Sheetings. We bought 'em—bought 'em by the pound. There were 486 pounds of them. But for the convenience of our patrons, and to enable us to better talk business with you, we have measured the number of yards in the lot and tomorrow we'll price them to you by the yard. Users of sheets say that no brand of sheeting wears better than Pepperell, and we're certain that none is easier to keep white in the wash. This lot of sheeting is about equally divided in 8-4, 9-4 and 10-4 widths. The pieces range in length from 13-4 yards to 5 yards. You must take the entire piece. We can not cut them—use the overplus for pillow slips. Pepperell Bleached Sheetings in the bolt sell this wise: 8-4 width 18c per yard; 9-4 width 20c per yard; 10-4 width 22c per yard. These mill lengths will come to you tomorrow this wise:

8-4 widths 12 1-2c per yard. 9-4 widths 14c per yard.  
10-4 widths 17c per yard.

West room, center aisle.

## This modern shoe stock

It is welding its popularity into the hearts of the people. No better shoes here than you'll find at other shops—you'll find the same kinds everywhere. But shoe profits and shoe prices here are different—quite so. Modern department store prices prevail here. The temptation to ask high prices is not so great for us as for exclusive shoe stores, for when we can't sell shoes we will have the calico stock to lean on. Through shoes' dull seasons many opportunities are thrown our way to underbid, that are never offered to exclusive shoe stores, from the wholesalers' fear that cut price making will demoralize the regular trade later on. Proof of the pudding is in wearing the shoes. These hints for next week:

- Women's pebble grain, all solid button shoes, all sizes from 2 1/2 to 10..... \$1.00
- Women's donzola lace shoes, tan or black, all sizes from 2 1/2 to 10..... \$1.00
- Women's genuine pebble goat shoes, tan or black, made a nice medium weight School Shoes for the girls, 2 1/2 to 8 1/2, only..... \$1.25
- Boys' all solid School Shoes, Balmoral, coin toe, good style, all solid, sizes 12 to 2 and 3 to 4..... \$1.25
- One lot of Misses' Kid Shoes, off on styles but would do very nicely for fall school or every-day shoes, full or spring heels, sizes 12 to 15; sold formerly from \$1.50 to \$2.00, but take them now..... 69c
- Infants' Shoes as low priced as..... 15c

## The bustle

Must go. Fashion said, in 1898. Fashion has invited the Bustle back again, and it has come—very much in evidence. Here are all styles of Bustles. Made of unbreakable hair cloth, light and cool. The Bustle claims the honor of having made the fortune of American women recently. Choose from this assortment..... 25c

## Mrs. Hume, Our dress maker

in the language of the west, is doing a land office business. Mrs. Hume has been greatly complimented of late for her superiority in creating tailor made costumes.

## Drapery doings

A great many drapery seekers are supplied here every day. Not unusual for home outfitters to buy their carpets elsewhere and their draperies here. (We don't keep carpets.) Not many drapery seekers look at this stock that are sorry afterwards. It's easy for us to save you money on these, for in more exclusive stores, draperies bear luxurious profits. A hint or two for tomorrow:

Plain Art Denims, 28 inches wide; in the newest mixtures—Reseda mixtures, Maroon mixtures, Deaf mixtures, Old Rose mixtures, Old Gold mixtures; very stylish now for portieres and couch pillows; per yard..... 20c

Drapery Damasks, in rich Satin Berber weave; grounds of Blue, Old Gold and Green; with handsome patterns of bright contrasting shades. These are Damasks that sell at nearly all stores for \$1 per yard; choice this week..... 75c

## Last of the laces

"And if I should live to be the last leaf on the tree, I hope they'll put me on the bargain counter." The leaves have begun to fall, and still these summer laces are here, not to remain long, we hope, for it's the wrong place for them; 50 pieces of them. Unwelcome guests are they, and tomorrow we'll bid them good bye in this imperative way:

All Linen Torchon Laces, all Linen Torchon Insertions, wide Valenciennes Laces, narrow Valenciennes Laces, wide and narrow Orientals and many insertions of various types; real values 10c, 12 1/2c, 15c, 20c and 30c per yard. Pure white and cream. A frosty leave-taking for them tomorrow; choice..... 5c

## The faultless form

Of American women is in a great part due to that pink of perfection, that radiant star, that queen of Corsets, the

American lady

Comfort, elegance, economy, all blended into one harmonious whole. The "American Lady" is the best Corset that money can buy. It will not stretch, break nor rip. If you can find a better one at any price, we'll buy the "American Lady" back for what you paid. We'll buy it back anyway if you don't like it. In slate, white and black; short, long and medium. The price is..... \$1.00

## These handkerchiefs are for the little ones

For little girls to use; for they're too dainty for boys and too fussy for older folks. They're fancy Japanese handkerchiefs in pretty, dainty shades, such as lavender, pink, yellow and cream; with wide shadow border, set with printed patterns of small roses and blossom designs; edges are scalloped and embroidered. Lots of them for you, and at half their worth..... 9c

## The domestic section

is beckoning to you this week in a most imperative way. This department feels confident of its ability to supply all your domestic wants, satisfactorily and cheaply. Here is congregated the largest stock of cotton stuffs in all Kansas and here is centered the greatest cotton goods trade between the Ozarks and Denver.

Manhattan worsted plaids  
"Worsted" for politeness sake, for these copies from wool and silk stuffs are as pretty as the originals. They're wool, till you touch 'em. Wash 'em? They won't fade. Our word for it. Not an undesirable pattern in the lot. Not so wonderfully under-priced either. Just 2 1/2 cents less than other stores. (Not so bad for cotton goods). Our price is..... 12 1/2c

They're selling very fast.

Our mill length counter has been restocked six times during the past week. And here's a fresh lot for you tomorrow, selling at low cut prices without any earthly excuse except that they're in short pieces, probably just the lengths you'd take if choosing from the bolts. These hints:

Short lengths of Waist Lining Silvestras and Drillings; in black and slate; 8 and 10c qualities..... 4c

Watered Silkline Skirt Lining, in black. The most beautiful of all black skirt linings; 15c quality, for..... 7 1/2c

## Ribbon belts

We have the Belts ready made, but would rather sell you the ribbon by the yard, and the separate buckles, for they'll come cheaper and we want to please you. ## Men's pants—a bargain

This thirty pairs of Men's Pants is all that is left of our entire stock of men's clothing. We can not carry men's clothing longer, for lack of space. These pants shall go at less than such pants are owned by any clothing store west of anywhere. Not all sizes in this lot, but if your size is here, you'll be poorer in pocket if you pass them by. Four lots, worth \$3.00, \$4.00 and \$4.50, will go for choice at

\$1.75, \$2.25, \$2.50

## Spachtel work

A short time ago we bought a small line of samples in Pure White Spachtel work. These samples were sold, from being handled by many merchants. We had them refunded. And they are here for you tomorrow, pure white and beautiful. Pillow Shams, Stand Covers, Dresser Scarfs and Dresser Sets.

At 75c on the dollar.

Choose quick.

## A boys' waist bargain

Fresh from the factory are these Waists. Made for boys' winter wear. Have the Mothers' Friend button-band attachment. Of French Percales, in dark and medium shades, all sizes, worth 50c.

39c

We're selling

a great many

ladies' wool

shirt waists

A new assortment was received Saturday. Better look these over. Wool Shirt Waists will be correct this winter. We can save you quite a little money on some kinds.

## A remarkable sale of towels

This towel sale is remarkable from three points of view—the qualities are remarkably high for a special sale article. The price is remarkable, even for us, and the quantities for your choosing are remarkably large for a Wichita house to show. We've held these towels in waiting for several weeks, 'till we thought conditions were ripe for their presentation. There's a world of them, and in the gathering you'll find the finest huckabacks, the finest German damask, the finest English damasks and the best American products. All white, cream, colored borders, side stripes, hemstitching, knotted fringes—beautiful towels are these, and the sizes are the most liberal and the weaves the most luxurious. Pity that such towels should bear the ignominy "job lot." But "every cloud has its silver lining," and it's an ill wind that blows nobody good. The fallen disgrace of these superb creations can but rebound to your benefit, for the losses of some eastern jobber shall be your gain. There are towels here that you cannot buy for a dollar in the ordinary shops. Come early tomorrow.

Choose—25 cents.
