

WOMANLY

A sweet woman, the picture of health, speaking with enthusiasm, said, "I don't see why you do not send out women to talk to women about the merits of Pabst Malt Extract, The "Best" Tonic. There are so many women that are run down, with nerves shattered, with a lack of vitality, feeling a sort of restless indecision which is an outgrowth of over-exertion. If you could only get a woman who knows as well as I do how "Best" Tonic will build one up, and who has enough earnestness to tell them about it, you would certainly have largely increased sales. There is Mrs. —, who was as thin as she could be, and her poor little baby, puny and undeveloped. I told her about "Best" Tonic. In three weeks you ought to see the difference. The improvement is something great; mother and baby both feel it and show it."

HONORS MISS PEARCE

North End Whist Club Gave Her a Surprise.

MR. AND MRS. A. H. WEBB

Elaborately Entertain the Cold-water Whist Club.

The North End Whist club gave a surprise party last evening at the home of W. W. Pearce, on North Topeka avenue, in honor of Miss Gertrude Pearce of Massachusetts, who is the guest of Mrs. W. Pearce. It was a phantom party, the visitors being thoroughly disguised during the early part of the evening. A beautiful souvenir spoon was presented by the club to Miss Pearce as a memento of her pleasant sojourn in Wichita. She leaves on Thursday next, with many regrets, as well as the many regrets and well wishes of a large circle of friends in this city, who will be always very glad to see her. Since her visit here last fall she has contributed in no slight degree to the pleasures of the club, being an accomplished performer upon the piano, mandolin and violin. The surprise party given last evening was a slight recognition of the regard of the club for Miss Pearce.

MR. AND MRS. WEBB. Mr. and Mrs. A. H. Webb entertained the Cold Water Whist club at their home on North Water street on Thursday evening last. The usual elaborate 7 o'clock dinner was served and the evening was most pleasantly passed in music and whist. Mr. and Mrs. W. B. Throckmorton carried off the favors. The entertainment closed with a mock auction, Senator O. H. Bentley acting as the auctioneer. The bidding was spirited and lively, and the party broke up at midnight venter the host and hostess splendid entertainers. This club has been in existence now about fifteen years and they vary the entertainments, sometimes by pulling off an amateur show and sometimes by a walk. They always have a good time.

Doctors Can't Cure It!

Contagious blood poison is absolutely beyond the skill of the doctors. They may dose a patient for years on their mercurial and potash remedies, but he will never be rid of the disease; on the other hand, his condition will grow steadily worse. S. S. S. is the only cure for this terrible affliction, because it is the only remedy which goes direct to the cause of the disease and forces it from the system.

I was afflicted with Blood Poison, and the best doctors did me no good, though I took their treatment faithfully. In fact, I seemed to get worse all the while. I took almost every so-called blood remedy, but they did not seem to reach the disease, and had no effect whatever. I was distressed for it seemed that I would never be cured. At the advice of a friend I then took S. S. S., and began to feel better. I continued to take it until I had had a sign of the disease to return.

It is like self-destruction to continue to take potash and mercury; besides totally destroying the digestion, they dry up the marrow in the bones, producing a stiffness and swelling of the joints, causing the heart to fall out, and completely wrecking the system. S. S. S. is the only blood remedy free from these dangerous minerals. It is guaranteed.

MISS HOOK'S PARTY. Miss Mamie Houck very pleasantly entertained a party of young folks at her home on East Central on Friday evening. There were about fifty happy young people present and it was one of the merriest parties of the season. Whist was indulged in until a late hour and refreshments were served.

AN OLD MAIDS' CONVENTION. Will be held in this city week after next, under the management of the old maids of Plymouth Congregational church, assisted by the young ladies of Wichita. Ladies willing to assist to make this grand convention a success are requested to confer with Mrs. H. G. Rose, No. 1003 North Topeka avenue; Mrs. E. D. Kimball, No. 118 East First street; Mrs. E. A. Hull, No. 1019 North Topeka avenue, or Mrs. E. G. Robertson, No. 129 North Lawrence avenue. Evening sessions will be open to the public.

MERCHANTS' CARNIVAL. The successful Merchants' Carnival, which took place at the Auditorium Thursday and Friday nights, is largely due to the energy and tact of Mrs. Carwin, Mrs. Gill, Mrs. Dr. Cave, Mrs. Meyers, assisted by ninety of the prettiest girls who ever appeared before a Wichita audience. The stage was a scene of brilliancy from first to last, enhanced by the beautiful costumes of the young lady representing some special line of business. The carnival was liberally patronized by the merchants of the city, and the Christian church funds are largely augmented with the proceeds of the entertainment. Some of the representations were very laughable and some were very pretty, all were unique and interesting.

Friday evening's Easter concert at the First Methodist church was well attended. 800 persons being present, and all who had part in the program more than pleased the audience. Mrs. S. S. Noble had many words of praise for her organ solo. The event of the evening was Miss Wilma J. M. Tyler's harp playing. She is an entertainer who entertains. When one sees her take her seat at her magnificent instrument it is the signal for a welcoming cheer. The music seems to start up magically, it increases, she paints musical pictures and tells stories of dream life and brings up memories of the old masters. After all Miss Tyler is a lady who plays harmony that the public likes, because she puts her soul in her music. The entertainment was a society event as well as concert, and everyone present considered it a grand treat and a success throughout.

HOMER BROCK DEAD. Died at Blackwell Oklahoma Last Thursday.

Homer Brock, the brother of Miss Tillie Brock of this city, died March 26, at Blackwell, O. T., aged 12 years 11 months and 1 day. The funeral was held from the Baptist church Thursday afternoon March 28. Homer was a model boy in every respect, unusually bright and the joy of his home. The news of his death cast a gloom of sadness all over the town of Blackwell, as he was loved by everybody who knew him. The funeral was a very large and sad one. Six boys of his class in school were pall-bearers and his class sang at the funeral "We Will Never Say Good-Bye in Heaven." Homer was a member of the Baptist church, and told his mother before he died that he was ready.

Queer Papers. The Chamberlain Medicine company, of Des Moines, Iowa, advertise extensively all over the world. And all these users are obliged, by the terms of their contract, to send their papers regularly to the Chamberlain company, so the latter can see that the matter is run properly and has the full number of insertions. In this way, it will be seen that the company soon acquires a unique collection of papers.

A package of these came to H. B. McCord, the druggist, and the Courier had a chance to examine them. It was a queer and very interesting collection, but that they were the real thing was shown by the blue pencil mark on each, where the checking clerk had marked the local ads of the company. We append a list:

There are two or three Chinese papers, queer looking things, but with the articles separated by cross rules, as in our own papers. These cross rules, by the way, were the only things we understood. So we pass to the next.

WINE OF CARDUI. Acts Like A Charm. I have been using Wine of Cardui and Black-Draught for delayed or suppressed menstruation. It acts like a charm and has brought me complete relief. CANDIS McFALL. There is no charm about McCire's Wine of Cardui, although there seems to be. When it is taken by women suffering with "female troubles", it cures them naturally. This release from the grasp of terrible diseases brings about such feelings of relief and joy that they imagine the Wine is charmed. The truth is that this is exactly the medicine Nature intended for curing the feminine organs when weakness or disease attacks them. Its action is direct upon the delicate organs of menstruation. It goes straight to the seat of the trouble, and overcomes it, stopping pains and drains, restoring tone and strength, and allaying inflammation and ulceration. The monthly flow is regulated like clock-work, and headaches, back-aches and nervousness disappear permanently. It insures comfort and safety for pregnant wives, and vigor and health for the coming child. LARGE BOTTLES SOLD BY DRUGGISTS FOR \$1.00.
