**BRAIN AND BRAUN**  
"Dr. McLaughlin's Men," the Men of Might—Men Who Were Sick and Weak—Men Who Had Pains and Aches, Now Strong and Full of Life.  
There is one certain way to cure weakness—that is to restore life; one certain way to cure pain—that is, to remove its cause.  
How far drugs come from this, and how directly the Dr. McLaughlin Electric Belt strikes the mark, is shown by the thousands of cures performed in almost hopeless cases by my wonder-working electric treatment after the failure of all kinds of drug medication.  
The reason is that all pain and weakness result from a loss of organic and nerve vitality. That must be restored. Drugs cannot restore it. Electricity can and does when it is applied right. I apply it right.  
**THE DR. McLAUGHLIN ELECTRIC BELT** Does not burn or blister.  
Cures to stay Cured, Nervous Debility, Waste of Power, Varicocele, Weakness of Any Kind, whether in Nerves, Stomach, Heart, Liver or Kidneys. It cures Rheumatism, Pains in Back and Shoulders, Sciatica, Lumbago, Indigestion, Neuralgia, Prostatic Weakness, Constipation, Dyspepsia, and all troubles where new life can restore health.  
Twenty years of my life have been devoted to studying the cause of weak men, and I have found that electricity is the basis of all animal life. That is what weak men and women need. My Electric Belt pours it into the body in a gentle stream. I know how to apply it so as to get the best result, and my Belt is arranged specially for each case.
